Terms Of Sale

1. A 15% buyers charge will be added to the hammer price of each lot purchased; eBay bidders pay 20%.

2. All bids should be per lot as numbered in this catalogue.

3. Bids submitted by mail should arrive at least 3 business days prior to the auction session for inclusion.

4. The placing of a bid shall constitute full acceptance of the foregoing Terms of Sale; all mailed and faxed bid sheets must be signed by the responsible party. The placing of Live and or Mail bids constitutes a binding contract with SMYTHE. All bids are considered confidential.

5. Phone bidders should contact SMYTHE at least a week prior to the date of sale; phone bidding will be allowed only on lots estimated at $500 and up.

6. Bids less than 60% of the low estimate will not be accepted.

7. SMYTHE reserves the right to withdraw any lot prior to or during the sale.

8. Invoices will be mailed within 7 business days of the conclusion of an auction session.

9. All successful bidders shall be billed for postage, handling and insurance. All lots (with the exception of bulky or oversized items) will be shipped by SMYTHE at the purchaser's expense.

10. In the case of a tie between a mail bidder on the book, a bidder on the floor, and an eBay bidder, the mail bidder shall take precedence.

11. Payment for purchases can be made by cash, check, money order or bank wire upon receipt of invoice. eBay bidders may use Paypal to pay their invoices. No lots may be taken away unless paid for in full. A late charge of 1-1/2% per month will be charged on the invoice total if payment is not received within 10 days of mailing the invoice. Bidders not known to us are required to deposit 25% of their total bids in advance. Credit cards will not be accepted for auction purchases. A storage fee of $10 per day will apply if lots are not picked up or shipped within 30 days of the conclusion of the auction.

12. A $100 charge will be applied for any check that fails to clear.

13. New York State sales taxes or other state sales or use taxes shall be levied as required by law. Dealers and other non-residents are reminded that sales tax must be collected unless Form ST-120.1 has been filed properly, under state regulations.

14. Lots will be shipped within 10 business days after payment is received. Lot pick up is available but you must call one day in advance to confirm. To receive tracking information on your package include your email address on your bid sheet.

15. Check your bid sheets and online submissions carefully. SMYTHE cannot assume any responsibility for errors made in the amount bid or lot numbers listed. Make sure your bid sheet is signed. In addition, SMYTHE has no jurisdiction over bids placed with eBay.

16. Prices Realized for each auction are posted within 72 hours on our website, www.smytheonline.com. Prices Realized documents (as published on our web-site) are the final authority on the sale of all lots.

17. Prices realized may be higher or lower than published estimates depending on wholesale and retail market conditions at the time of the auction. Where non-published reserves exist, the auctioneer may make bids in response to others. SMYTHE reserves the right to include its own material in its auctions, as well as to bid on any item in its sales. SMYTHE has advanced money (where requested) to consignors and in addition has agreed to extend credit to purchasers who have made arrangements prior to the sale. SMYTHE has the right to charge interest on all loans and advances.

18. SMYTHE cannot be responsible for the loss of any merchandise shipped outside the United States.

19. All framed and over sized items are shipped at the purchaser's risk.

20. SMYTHE reserves the right to reject any bids not made in good faith and further reserves the right to ban any bidder from participation in its sales for any reason deemed appropriate at SMYTHE'S sole discretion.

21. A SMYTHE auction bidder expressly waives any claim or right to any accounting, damages or compensation arising out of SMYTHE'S failure to receive or execute any bid due to exclusion from our sales, clerical errors or other causes. No bids will be accepted from any person who has not signed a registration form or a bidder sheet or completed the online registration process.

22. United States coins and currency will not, in conformity with law, be opened at less than face value.

23. No "buy" or "unlimited" bids will be accepted. We will act as agents for all mail bidders in the sale. Mail bids will be opened at the next interval over the second highest bid except where the intrinsic or regular market worth of the item dictates an opening at its fair market value. Floor bidding intervals will have an average increment of about 5% at the discretion of the auctioneer.

24. All bids must be in whole dollar amounts; this includes percentage increases.

25. No minors may participate in our sales. Agents bidding on behalf of others will be held liable if their principals fail to make payment.

26. Title does not pass until payment in full is received. SMYTHE reserves the right to await clearance of any check before making delivery.

27. If a collection agency or attorney is required to collect outstanding accounts, all agency and court costs, witness and attorney fees and all other costs of any kind incurred by SMYTHE in procuring judgment shall be borne by the defendant.

28. The signer of a SMYTHE bid sheet or participant in the auction consents to the exclusive jurisdiction and venue of the state and Federal courts of New York, New York and agrees that these Terms of Sale shall be governed by and construed in accordance with the laws of the State of New York, without giving regard to the principles of conflicts of law. The participant in a SMYTHE auction also assumes both corporate and personal liability for unpaid auction bills.

29. SMYTHE may reopen the bidding on a lot under the following circumstances: a) SMYTHE has failed to execute correctly a mail bid. b) A party purchasing the lot on the floor has done so in error. c) Where a protest is made after the hammer has fallen but before bidding has commenced on the next lot. d) Where the auctioneer has determined that he has overlooked a party still bidding on the lot but before the calling of the next lot. e) At the discretion of the auctioneer.

30. In the event of a dispute, the auctioneer's decision is final.

31. No price adjustments will be made on the hammer price of a lot whether there is a complaint about the whole lot or only one item in it. The entire lot must be returned if a refund is to be made.

32. In the event of unsuccessful litigation the plaintiff shall pay SMYTHE'S legal costs, counsel and witness fees and all other costs incurred by it in defense against such suit together with interest on any funds expended at the New York prime rate from the date of actual disbursement.

33. The same protections applicable to SMYTHE apply to each and every one of their officers and employees unless they shall be convicted of knowingly selling false or stolen goods.

34. SMYTHE assumes no liability for merchandise lost, stolen or damaged while in the possession of a party to whom merchandise has been shipped. The purchaser is solely responsible for the safe keeping and insurance of any items in their possession.

35. All accounts are payable to SMYTHE in U.S. funds and remittances must cover the service charges for foreign drafts which shall be added to each invoice.

36. All material in this catalogue is unconditionally guaranteed to be genuine. We will not knowingly sell any item that has been "repaired", "restored", "processed", "cleaned", "pressed", or "conserved" in any way without disclosing those facts to the potential buyer.

37. Agents who bid from the floor for clients should examine the lots carefully, and are reminded that no lots may be returned by floor bidders except for non-authenticity. Lots described as "repaired", "corroded", "holed", "whizzed", or like damage may not be returned for any reason except non-authenticity.

38. In cases where a question has arisen as to the authenticity of an item, the purchaser must, before the settlement day (30 business days after the sale,) notify SMYTHE of his intention to return the item, confirmed in writing. The item will be examined by a recognized expert; if the item proves authentic, the sale will be consummated. If the item is not authentic, the sale price will be refunded.

39. Bidders who have not examined lots prior to the sale may return lots for reasons of non-authenticity or improper description within 5 days of receipt of the item or thirty days from the auction's last day, whichever comes first. Third-party graded coins (i.e. PCGS, NGC, ANACS, ICG) are sold as is, no returns. Failure to execute this privilege in a timely manner either from a failure to pay promptly or from any other cause shall void it. Lots sold with the proviso 'sold as is' cannot be returned. Lots valued primarily for their bullion content may not be returned.

40. The auctioneer reserves the right to postpone the sale by auction for a reasonable period of time as a result of any significant event which, in the sole discretion of the auctioneer, makes it advisable to postpone the event. No prospective bidder or prospective buyer shall have recourse as a result of any postponement.

eBay Bidder FAQ

How can I see a better image of this lot?
Or get a scan of a piece that is imaged?
We generally image every lot that we are selling. Please see our eBay listings at www.ebayliveauctions.com. For questions about a particular lot please call the Information Desk at 800-622-1880.

Why didn't my tie-bid win this lot?
Smythe awards tie bids to bidders who send in mail bids in advance of the sale.

How I can save 5% by bidding through the Smythe web-site?
Visit the Smythe website at www.smytheonline.com and click on "Current Auctions"; this will enable you to place bids in advance of the sale through our secure bidding site. This is not the same as real time bidding through eBay live, it is a Smythe run website and thus you will not have to pay the eBay surcharge.

Why should I trust Smythe?
Smythe has been in business for over 125 Years, and has a sterling reputation in the numismatic auction field. We have conducted hundreds of auctions and have represented institutions, museums and governments. For Testimonials from Smythe clients see the "Testimonials" page on our website at www.smytheonline.com.

How does an eBay Live Auction differ from an eBay Auction?
eBay live is conducted in real time, and requires participants to register in advance of bidding.

How can I receive notice of upcoming Smythe sales?
All future Smythe auctions are posted on our website, www.smytheonline.com. To be added to our email contact list please send a brief message to info@smytheonline.com.

How can I be added to Smythe's mailing list?
Please send an email with your name, address, and phone number to: info@smytheonline.com.

How can I determine the current bid for a lot?
Smythe does not offer this information since that data is constantly changing. Starting bids are given when lots are opened by the auctioneer.

Help! I mis-bid on an item via eBay!
Unfortunately, we have no control over bids placed through eBay.

Can you tell me what I bid on an eBay lot?
No, we do not have access to any information entered on eBay's site until the auction is being conducted.

Why has the lot I'm bidding on closed prior to it's end time?
We don't know how long each live session will last, as it is dependent on the speed of the auctioneer and the intensity of bidding. So we set the end time of each lot to 12 hours after the start of the auction. If you are leaving an absentee bid, please do so before the published start of the auction, as opposed to the end time of the lot.

How do I pay for my merchandise?
You will be invoiced shortly after the conclusion of the auction. Smythe accepts personal checks, money orders and Paypal payments for those who bid through eBay Live. Bank Wires can be sent after contacting the Accounting department at 212-312-6309.

Will I be charged Sales Tax?
Sales Tax will be added to invoices of New York State residents who do not provide a valid resale certificate and any bidders picking up lots in Tennessee who do not hold resale numbers in their home state. To submit a Resale Certificate please fax a copy of the original document to the Accounting Department at 212-312-6309.

How is the shipping and insurance amount calculated?
Please see our eBay FAQ at www.smytheonline.com for a precise listing of shipping charges. Lots purchased via eBay Live will be shipped via UPS.

Where can I see Prices Realized for the entire sale?
Prices Realized for each sale are posted on Smythe's website at www.smytheonline.com.

Terminology

Gem Unc. (Gem Uncirculated) - The perfect uncirculated item, clean, bright, vivid, crisp (where paper permits), well-margined, unimprovable, without folds.

Choice Unc. (Choice Uncirculated) - A lovely uncirculated item, having only a hint of aging or unevenness of the margins, face or back, or narrow margins which take it out of the "Gem" class.

Unc. (Uncirculated) - As made or issued, but margins may be poor, the item lightly aged, with border trimming.

Choice AU (Choice Almost Uncirculated) - Essentially a mishandled uncirculated item with deficiencies like a corner fold, teller counting smudge or count wrinkling.

AU (Almost Uncirculated) - There is one fold, a teller counting smudge or counting wrinkling present.

EF (Extremely Fine) - An item which may, at first glance, look uncirculated, but which has several petty folds, or a hard crease down the center perhaps with corner folds. Crisp, bright, vivid and pleasing, the paper as made, permitting.

VF (Very Fine) - Typically an item marked by moderate quarterfolds with perhaps a few other signs of handling. Should be clean, not seriously aged, torn, or pinholed.

F (Fine) - The last grade of an item in which the paper still has body. The folds are numerous and the design is beginning to show signs of soiling wear.

VG (Very Good) - A well-circulated item, complete, unimpaired except for petty tears and splits, pin holes, some surface splitting along heavy folds and soiling.

Good - An even more heavily circulated item with body holes, petty tears and splits, very soiled and tired, scarcely legible.

Fair - Heavily worn, split, holed, up to 10% gone, legibility seriously impaired.

Poor - A mere remnant, tattered and torn, scarcely readable with typically more than 10% of its surface area gone.

Conditional Phrases

Abt (before a grade) - A shade below the grade it precedes.

Plus or + (following a grade) - A shade better than the grade.

VF-EF (hyphen between grades) - The grade is about halfway between the two grades shown.

VF/Good (slash between two grades) - Face and back are two different grades. The grade preceding the slash is for the face. The grade following is for the back.

Lots 4501-5566 - Fractional, US Large and Small Size Currency, National Bank Notes, Small Size and MPC's.

FRACTIONAL CURRENCY

4501 **United States Treasury Department. 65 Cents.** War Settlement Warrant. Payable to T.M. Kehoe at the Red Cross Drug Store, Billings, Montana by the Assistant Treasurer, U.S. Chicago. Brown, with a small sea nymph in the lower left corner. Scarce. BEP. **AU.** *($150-250)*

4502 **3 Cents. Fr. 1227. EF,** some aging. Vertical strip of three; light folds in the notes, hard folds between them. The scarcer dark background to portrait. *($150-250)*

4503 **3 Cents. Fr. 1227. Choice Uncirculated.** Three cent notes with the dark curtain are significantly scarcer than the light variety, and arguably more appealing. This is a very choice example. *($350-500)*

4504 **5 Cents. Fr. 1230. EF,** folds among and between the notes. A full 20 subject sheet of the first issue 5 cent notes bearing the ABNCo monogram. Despite evidence of various different efforts at folding the sheet, this item faces up nicely, and represents rarity and lovely originality for the collector. *($750-1,250)*

4505 **5 Cents. Fr. 1231. Choice Uncirculated.** These very scarce, no monogram notes do not come any more original, with sharper printing, or fresher, brighter color to the paper. A tight margin at upper right does not impact the frame line. *($500-700)*

4506 **5 Cents. Fr. 1233.** 18-63. **EF,** light folds in the notes; hard folds between. Rich bronzing on a horizontal strip of three; centering high on back, touching top of shield of last note. Minor areas of aging. *($100-150)*

4507 **5 Cents. Fr. 1235. EF.** This note likely has the finest margins on any Fr. 1235 in any grade. The rarity of a fiber paper note, coupled with bright bronzing and razor sharp rear surcharges, makes this an extraordinary piece. *($300-500)*

4508 **5 Cents. Fr. 1236. Gem New 66.** Consigned in an earlier-generation PCGS holder, this note's attributes shine through - great margins, sharp printing, and great color to the all important and scarcer red back. *($650-1,000)*

ex: Tom O'Mara

4509 **5 Cents. Fr. 1236. CHCU.** Another red back, which also shares the previous note's attributes, save the care taken at the time of separation from its peers. The margins, while somewhat varied, do not impinge on the sharp design features. Evidence of some ink smudging but fully original and bright. *($400-550)*

4510 **5 Cents. Fr. 1239. Choice Uncirculated,** close to Gem; pinhole at lower left. This scarcer "a" plate letter note displays sharp printing, great originality and lovely margins. *($400-550)*

4511 **5 Cents. Fr. 1239. EF-AU,** light horizontal center fold. Green reverse with "a" position letter. Bright note with three strong margins. *($75-125)*

4512 **10 Cents. Fr. 1241. Choice Uncirculated,** very choice. This perforated, no monogram first issue displays good color and unusually good centering for this issue. Scarce. *($550-750)*

ex: Herman Halpern, Stack's 3/17/93.

4513 **10 Cents. Fr. 1242. EF.** Vertical strip of three, bright and original despite a vertical fold and folds between the notes *($75-150)*

4514 **10 Cents. Fr. 1243. Uncirculated.** Great color. Very scarce and close to choice. No monogram. *($500-700)*

4515 **10 Cents. Fr. 1247. 18-63 I. VCHCU.** This is a scarcer second issue note, and it has bright bronzing, is well printed and has three large and one adequate margin. Well centered on back, with good color. Hard to find this nice. *($500-700)*

4516 **10 Cents. Fr. 1252. VCHCU.** Great color and embossing on another better Friedberg number. The note has lovely color, the bronzing is fresh, and the embossing is great. Scarce "1" position number. *($550-750)*

4517 **10 Cents. Fr. 1254. AU.** The rarest of the third issue dimes. This note has trivial handling and a tight top margin, but displays razor sharp printing and distinctive autographed signatures. *($100-150)*

4518 **10 Cents. Fr. 1255. Gem Uncirculated.** This note displays ideal centering, sharp printing and good color. The bronzing varies between bright and somewhat darker. Graded 66 by a third party service. RCGS66 PQ. *($300-500)*

4519 **10 Cents. Fr. 1255sp. Gem Uncirculated.** High grade fractional specimens, particularly wide margin versions, are becoming harder to find. This encapsulated example has lovely color, visible embossing and a bright, sharp bronze overprint. RCGS65. *($500-800)*

4520 **10 Cents. Fr. 1256. Gem Uncirculated.** This is the scarcer third issue greenback dime with the plate position designator "1" at right. Nice even margins all around, dark bold imprint, and brightness still in the bronzing. Encapsulated. RCGS65. *($300-500)*

4521 **10 Cents. Fr. 1256. Uncirculated.** With design numeral "1" on the obverse. Some minor oxidation of the obverse surcharges, but they remain bright overall; tight at upper right. *($50-75)*

4522 **10 Cents. Fr. 1257. CHCU,** pinpoint of discoloration visible on back. The watermark and pink fibers show up nicely in this fourth issue note. A tad more margin at right and this note would be a gem. *($125-250)*

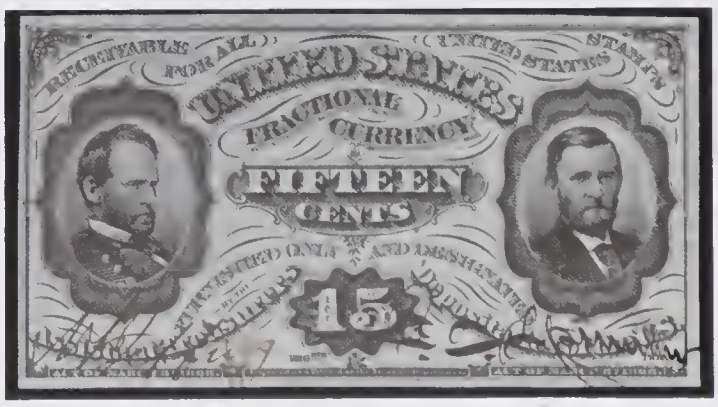
4523 **10 Cents. Fr. 1261. Choice Uncirculated.** A boldly printed note on paper which has plenty of the violet silk fibers of this issue visible. Kept from a higher grade by its centering and some very faint discoloration on the back, apparently from long ago. *($200-400)*

4524 **15 Cents. Fr. 1267. Gem Uncirculated.** Large margins, bold printing and total originality. Well centered on back. *($250-350)*

4525 **15 Cents. Fr. 1267. AU.** This note bears the rare "mirrored face plate." Immediately below the blade of the lengthwise fasces, a reversed numeral "5." Less than 20 notes of this variety are known to exist, and it is much rare than the occasionally seen inverted face plate number. Crispy and well margined. One fold away from new. *($450-700)*

4526 **15 Cents. Fr. 1269. Choice Uncirculated.** A very choice CU note with great seal color and gorgeous and dramatic shading to the paper at the right end of the note. *($350-500)*

4527 **15 Cents. Fr. 1271. Choice Uncirculated.** Another lovely fourth issue note, with even stronger color to the right end and the smaller seal variety. Very choice. *($300-450)*



4528 **15 Cents. Fr. 1274sp. Choice Uncirculated.** Acquiring these autograph signed specimens seems to be getting tougher, and this is a lovely example of the genre. A well printed example, with the characteristic ink signatures of Jeffries and Spinner. Bright, fresh and original. Nominal smudge of the tail end of the Jeffries signature attests to its being a 1274sp. *($900-1,200)*

LIVE AUCTIONEERS ebay LIVE auctions

4529 **25 Cents. Fr. 1279. Choice Uncirculated.** All fractional collectors understand the challenge of finding the perforated first issue notes in even reasonably well centered examples. This note has grade, great color, and wonderful paper originality, combined with much better than average centering. With monogram. Scarce. *($450-650)*

4530 **25 Cents. Fr. 1279. VCHCU.** Boldly printed, but cut rather than separated along the perforations on three sides. Likely an interim approach taken in the transition from 1279 to 1281 production. Interesting and for the specialist. *($450-700)*

4531 **25 Cents. Fr. 1281. EF.** First Issue vertical pair which has been folded between and across the notes. Attractive couple. *($50-75)*

4532 **25 Cents. Fr. 1282. Choice Uncirculated.** Surprisingly, the straight edge no monogram is the toughest number of the first issue twenty-five centers to find in high grade. This note has three good-great margins and one at right which is very tight. Good color on this very choice and scarce item. *($700-900)*

4533 **25 Cents. Fr. 1285. A, 18-63. EF-AU,** top and bottom notes aged AU; central note bears three pinholes. Vertical strip of three notes, with some aging and three hard folds between the notes. Bronzing has toned substantially. *($75-125)*

4534 **25 Cents. Fr. 1288. Gem Uncirculated.** An outstanding example of this rare number. Boardwalk margins all around, deep plum reverse, with better than average centering and plenty of margin, clear and full bronzing on reverse, with no doubt that this is the "2" variety. Crisp, boldly detailed printing quality on face and back. A premium example of this note. *($300-500)*

4535 **25 Cents. Fr. 1289. Uncirculated.** This note appears to us to be technically uncirculated, because upon close examination, what appear to be folds [best seen from the back] encountered during brief circulation were already in the paper before the notes were printed. The 1289 is the rarest of the second issue twenty-five centers. Most importantly, this is a rare and bright pink back, printed on fiber paper. A note for the specialist and quite rare. *($500-700)*

4536 **25 Cents. Fr. 1290. CHCU.** This note's pleasing, even margins and bright, well-centered face bronzing recommend it. The back, while centered low, is bright and boldly printed, and the critical "T-2-18-63" discriminators are clear. The face of the note has three small "as made" dark specks which were clearly in the paper at the time it was printed, based on inspection of the back. A high quality, scarce fiber paper note. *($500-750)*

4537 **25 Cents. Fr. 1291. Choice Uncirculated.** While one of the more common numbers, one of the more elegant issues. The red back on this note is bright, bold and perfectly centered amongst the four margins. Bronzing on the face and back is "bright like new," and the printing is bold. At the right, while all of the note's devices are present and strongly printed, the right frame line is not visible. Encapsulated in a PMG holder. PMG63 EPQ. *($400-550)*

4538 **25 Cents. Fr. 1291. Choice Uncirculated.** Two huge margins and embossing you could take plaster casts from. The reverse shade has more rose to it than the previous lot, but is equally perfect in its centering. Bronzing bright. A lovely note. *($400-550)*

4539 **25 Cents. Fr. 1291. Uncirculated.** Bright and bold red back Fessenden, with an envelope bearing Lyman Low's name, description of the item, lot number 333, a date [Jan. 28, 1911], and a price - $1.54. The margin is tight into the design at left, but the embossing and originality are impressive. *($100-150)*

4540 **25 Cents. Fr. 1292. Choice Uncirculated.** Red backs are scarcer than green backs and the "a" position is very scarce. This note has a bit of red press bed smudging at upper left, but nothing that impinges on appreciation of the note and its face's elements. Three great margins and one more than adequate. Encapsulated. PMG63 EPQ. *($450-700)*

4541 **25 Cents. Fr. 1294. EF-AU.** This note's obverse details can be seen pressed through to the back of the note due to the printing quality; the bronze filigree has unfortunately "turned" and the paper has aged. Nonetheless, an original and high-grade Fessenden. *($75-125)*

4542 **25 Cents. Fr. 1295. Uncirculated.** This is the more common small "a" position letter variety, but it shows deep embossing, bright bronzing, and three huge margins. Two very small and light areas of aging noted at left, almost invisible unless candled. Centering low on back. *($200-500)*

4543 **25 Cents. Fr. 1309. Gem Uncirculated.** Well-margined front and back. Encapsulated. RCGS65. *($125-250)*

4544 **50 Cents. Fr. 1310. Choice Uncirculated.** From an issue which is notoriously difficult to find in even reasonably well-centered or even-margined examples. This note is well margined on three sides, and better than average on the fourth. It has the elusive, richer green shade encountered all too rarely on this issue, and sharp printing that brings out the five stamps' likenesses in the design. Superb back centering. Perforated edges. ABNCo monogram. Encapsulated. PMG64 EPQ. *($700-900)*

4545 **50 Cents. Fr. 1310. Choice Uncirculated.** A very choice new note, despite a group of perfs poorly cut at bottom. This has the pretty, deeper green inking, better centering, great back centering, and plenty of paper originality. May have been mounted at some time. Hard to find this nice. ***($700-1,000)***

4546 **50 Cents. Fr. 1312. Gem Uncirculated.** We puzzle over why this did not receive a higher grade. Broad, even margins, way outside the frame lines, better color, terrific back centering and solid printing on both sides. Encapsulated. PCGS65. ***($350-500)***

4547 **50 Cents. Fr. 1312. Choice Uncirculated.** Three better and one margin in on the edge of the design on this first issue with nice color and sharp printing. Back centering is average for this issue. ***($200-300)***

4548 **50 Cents. Fr. 1313. Uncirculated.** This is the scarcest of the first issue 50 cent notes, with plain edges and no monogram. A pleasing example generally, with two anomalies of note. Firstly, these notes were hand cut [most of them by the Federal government's first female workforce], and this particular example was miscut at the lower right, creating a small step into and then out of the margin [no doubt the employee in question was male]. Secondly, there is, best visible on the back, a small wood shaving which is part of the paper [as made]. ***($750-1,200)***

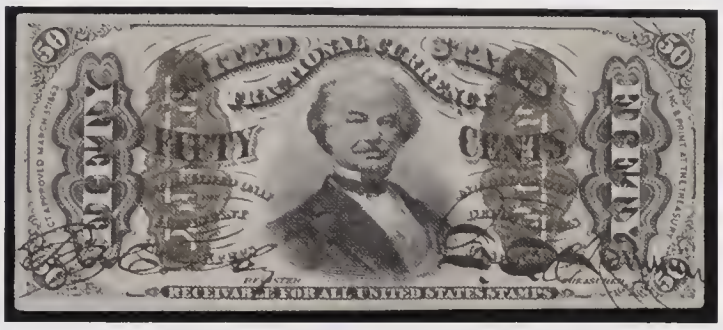
Invert: One of Only Three Known

4549 **50 Cents. Fr. 1317. VF.** When Milt Friedberg wrote his seminal book, he listed this error as unique; the present example is a different note and is superior to the Friedberg specimen [which has sold twice this decade] by wide measure. Our consignor informs that he is now aware of three examples, but we have been unable to verify, inspect or grade a third note. This example, previously a part of the Ford collection, grades Very Fine without debate, and has clear margins in the face. The all-important back is centered somewhat to the right, but the entire design is well within the borders of the paper. The bronzing, while it has oxidized in circulation, is full and clear, outlining the central "50." The smaller corner devices, the "63," and two pieces of two "A's" are also undeniably in evidence. Much of the original paper crispness remains. Highly desirable, perhaps the finest known. A note for the passionate error or fractional specialist. ***($1,100-1,800)***

ex. John J. Ford Collection

4550 **50 Cents. Fr. 1321. Choice AU.** An extremely appealing note for several reasons. In addition to its basic rarity as the toughest of the second issue 50 cent notes, this note has great eye appeal, starting with the deep, rich bronzing, perfectly balanced printing, and absolutely brilliant scarlet coloration on the reverse. The surcharges defining this as a 1321 are impeccable, and in the lower right of the reverse there is a small pulp and fiber concentration, as made, hallmarking the note as a fiber paper item. Technically this note is uncirculated. We note a striation running diagonally on the reverse, clearly as made, and what appears to be a similar anomaly at left, parallel with the frame line, but which is a light fold, almost certainly a sheet fold from before the notes were separated. Tight at left and upper margins [face], with fine pencil notations on reverse, indicating Burget provenance. ***($900-1,200)***

4551 **50 Cents. Fr. 1327.** Red Reverse, A-2-6-5, a. **Choice Uncirculated.** The world never tires of brightly bronzed, well margined Spinners. With super deep, crisply defined embossing. ***($700-900)***



4552 **50 Cents. Fr. 1328.** Autographed Colby Spinner, A-2-6-5. **Choice Uncirculated.** These third issue notes, while they reference the act date of March 3rd, 1863, were actually issued beginning in 1866. This autographed example has even margins all around, reasonably bright bronzing and firm, exemplary signatures. Some minor aging of the paper. Scarce. ***($550-700)***

4553 **50 Cents. Fr. 1329.** Autograped Allison Spinner, A-2-6-5. **Gem Uncirculated.** Totally delectably original with good embossing and bright bronze. Rarer autograph signatures and very scarce in this lovely grade. The back centering, just touching the outermost frame line of the left counter, could generate complaint from only the excessively fussy. Otherwise, superb. ***($1,200-1,600)***

4554 **50 Cents. Fr. 1331.** Green Reverse, No Surcharge. **Gem Uncirculated.** A more readily available number in superior grade. Great margins and color, but centered a wee bit high and left on the reverse for Superb, hence the encapsulation opinion. PCGS65 PPQ. ***($700-950)***

ex: Tom O'Mara

4555 **50 Cents. Fr. 1332.** Green Reverse, No surcharge, 1 & a. **AU.** Not new, strictly due to a single, errant corner fold. Two huge, one more than adequate and one tight margin on the face, near perfect centering on the back and a little press bed smudging on the face in the margins. This is the toughest of the unsurcharged greenback Spinners by far. ***($300-400)***

4556 **50 Cents. Fr. 1335. AU,** press bed smudging, small pair of trivial points of foxing at lower left. There is what has to be called the lightest of bends running through the portrait of this note, perhaps caused when it was pinned, in Mr. Spinner's right eyebrow. The note is well centered with average margins on the face, high but with room on the back. ***($800-1,000)***

4557 **50 Cents. Fr. 1336.** Green Reverse, A-2-6-5, 1 & a. **EF-AU.** Unquestionnably, and far and away the ***rarest*** of the green back Spinners. Roughly two dozen known. This note has reasonably good margins clearing the design all around the face, and is cut ever-so-marginally into the design at left on the reverse. Two folds, but plenty of originality, bright bronze, and some pressbed smudging as is typical. High grade, and one of those Friedberg numbers where serious collectors far outstrip the supply. Prices for these have moved substantively over the last few years in recognition of true rarity. ***($1,250-1,500)***

4558 50 Cents. Fr. 1337. Green Reverse, A-2-6-5, 1. AU. A better Friedberg number. Frame lines and design, front and back fully printed. Crisp originality to the paper and bright bronze make this a very nice Spinner, with simply a collection of bends and handling marks that keep it from being called New. *($300-500)*

4559 50 Cents. Fr. 1339. Type II, No surcharge. **Choice Uncirculated.** The more available of the Type II Spinners, none of the four of which are easy. This example features more than presentable margins all around, and really flashy bronze, much brighter than the norm. In addition, the back printing is a very deep green, which sets off nicely against paper which is ever-so-slightly aged. Totally original and crispy with ankle deep embossing. *($500-750)*

4560 50 Cents. Fr. 1341. Type II, No Surcharge, 1. **Choice Uncirculated.** Fresh with bright bronze and total originality. Close at right margin, but frame lines and design are complete on both sides. A scarcer Type 2 back. *($450-650)*

4561 50 Cents. Fr. 1342. Type II, No Surcharge, a. **Choice Uncirculated.** Nice centering with pleasing to great margins all around on this rare number. Deep green ink on reverse, bright bronzing visible through encapsulation. RCGS64 PQ. *($700-900)*

4562 50 Cents. Fr. 1342. Type II, No Surcharge, a. **Choice Uncirculated,** some aging to paper. Another scarcer "a" position Type II Spinner; well margined face and back. Bright bronze and "as-made" embossing. *($600-900)*

4563 50 Cents. Fr. 1343. Red Back, No Surcharge. **Choice Uncirculated.** But for the tight right margin, this Justice would likely be called Superb. As it is, all Justices are notorious for their skimpy to worse margins, and this note is way ahead of the game. The back centering is near perfect, also a great rarity. Rich bronzing, bright paper originality and crisp embossing complete the picture. *($750-1,000)*

Fully Margined High Grade Fr. 1344

4564 50 Cents. Fr. 1344. Red Reverse, No Surcharge, 1 & a. **EF-AU.** One fold (away from the center of this note) and two corner tip folds make it an EF-AU, but the margins on the front of this Justice and perfect back centering make it easily one of the most appealing examples in an ***extremely*** limited population. There are less than 30 known 1344's in all grades, and this one has the bright bronzing and paper quality of a new note. An important opportunity. *($2,300-3,900)*

4565 50 Cents. Fr. 1347. Red Back , A-2-6-5. **Choice Uncirculated.** An almost trivially skewed cut engages the design on the face and back of this Justice, but there is plenty of color, bright bronze and originality to make up for it. Reverse plate number "6" visible at lower right. *($500-700)*

4566 **50 Cents. Fr. 1355.** Red Reverse, No Surcharge. **Choice Uncirculated.** The scarce autographed Colby & Spinner, with "Register" and "Treasurer" hand written in ink. This note has outstanding face and back margins for a Justice, and is a prize on that basis alone. Added bonuses include solid bold printing, standout embossing, and bright bronze [front and back]. Some trivial handling at lower right, otherwise quite original. ***($500-700)***

4567 **50 Cents. Fr. 1357.** Red Reverse, S-2-6-5. **Choice AU.** This is the rarest of the Autographed Colby-Spinner Justices, with just 3,060 notes [a mere 255 sheets] having been printed. It is estimated that some 25 examples survive in the "New" categories, and another 20 in various forms of "Almost New." This example has to be at the upper end of the "Almosts," given the margins, back centering, standout signatures, and quality of the bronze. The right hand margin is cut exactly along the frame line, leaving all design elements intact save the line itself; the rest of the note has very straight edges, with margins all around. Handwritten ink "Register" and "Treasurer." Encapsulated. RCGS58 PQ. ***($900-1,400)***

Inverted Reverse Fr. 1357

4568 **50 Cents. Fr. 1357.** Red Reverse, S-2-6-5. **VF-EF.** While the Fr. 1357 inverted backs, numbering roughly a dozen examples in all grades, are perhaps the commonest of the inverted back engraving error notes, they arrive on one of the scarcest of notes. Fr. 1357 is the rarest of the autographed red reverse Justices. Grading circulated fiber paper notes is complicated by the dramatic relative effect folds have on the ink and paper surfaces at the point of the fold, and the general tendency for dramatically increased surface wear and paper soiling on fiber paper. This note has three hards folds, but the paper body of an EF-AU, margins which kiss the frame line at right, but are clear on the rest of the borders, and bronze which has not oxidized. The all-important reverse is well-centered, and bright for the grade. Three pinholes require note, but are visible only when brightly candled. With this error selling in higher grade for mid-four figure numbers, this represents a more reasonably priced opportunity for the specialist interested in true rarity. ***($750-1,100)***

4569 **50 Cents. Fr. 1359.** Green Reverse, 1 & a. **Choice Uncirculated.** One of the four truly rare green back Justices [one of which, the 1373a, is not likely to be seen publicly any time soon]. "1" and "a" sheet position note. This rarity is distinguished by lovely paper quality, twinkling bronze, and deep embossing. Better than average Justice margins front the note and the back is tighter at right than left, but with both counters fully intact. An opportunity to own a quality rarity. ***($1,500-2,000)***

4570 **50 Cents. Fr. 1360.** Green Reverse, 1. **Choice Uncirculated.** Not enough margin at left for Gem, but a crackling great Justice. Bright, original, with stupendous embossing and superior paper quality. ***($700-1,100)***

"Mirrored" Back Plate Number Fr. 1362

4571 **50 Cents. Fr. 1362.** Green Reverse, Compact A-2-6-5. **EF.** A note for the fractional specialist. Only a handful of these "mirrored" back plate numbers are known. This example grades a solid EF, with three hard folds, face margins clear to generous all around, and with the rear design printed high. Bronzing is bright for grade. Plate #21. ***($500-750)***

4572 **50 Cents. Fr. 1372.** Green Back, A-2-6-5, 1. **EF.** The fiber paper Green back Justices are rare, and this is the scarcer plate position 1 variety. Clear to "on frame line" margins all around, with the rear shifted left just into the outer frameline of the counter; this is well centered by Justice standards. The bronze has not oxidized, and there is an astounding amount of paper body, even for a fiber paper note. ***($300-500)***

4573 **50 Cents. Fr. 1381. Gem Uncirculated.** "Perfectly centered" might be a way to start talking about this note. Rich color would work. Bold printing, too. Encapsulated. RCGS67. ***($450-700)***

4574 **50 Cents. Fr. 1381. EF.** Heavy silk fibering graces the reverse of this pleasing Crawford. ***($50-75)***

4575 **25 Cents. Choice Uncirculated.** Second Issue experimental, Milt # 2E25F.4. This note is from the Milt Friedberg Collection, and is the note pictured on page 63 of his book. An extremely rare piece, as only 5 are reported. Distinct imprint of face printing, overprinted "SPECIMEN" and bronze added. Bronze remains rich. On rear, only bronze "25" has been printed. Two half-moon POCs, as is typical; no attendant tears or damage. **Rare.** ***($750-1,000)***

4578 1) **10 Cents. Fr. 1257. AU.** 2) **15 Cents. Fr. 1267. AU.** Two pretty fourth issue notes, quite original, the dime with a light bend, the 15 cent note with a corner fold. [2] ***($125-175)***

Rare 25 Cents Treasury Rectangle

4592 **25 Cents. Fr. 1283.** Treasury Rectangle Stamp on back edge. These are quite scarce and only seen in specialized collections. The collecting of them goes back to the Frossard-Boyd-Chapman era with the Boyd pieces still remaining unsold. Most of the bronze stamp is visible on the back making it superior to most in the fabulous O'Mara collection. The estimates were lofty in that sale, but this example is choice and the stamp bold. New collectors might take this near a grand or more and that would not be unreasonable. **AU,** corner nicked. ***($500-1,000)***

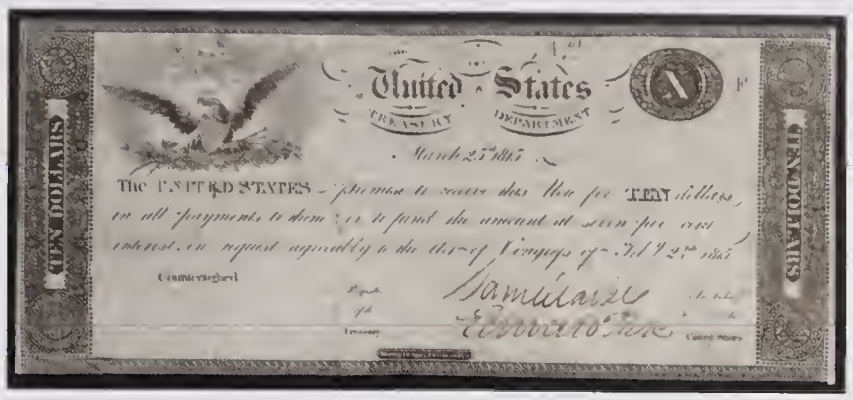
U.S. Large Size Currency



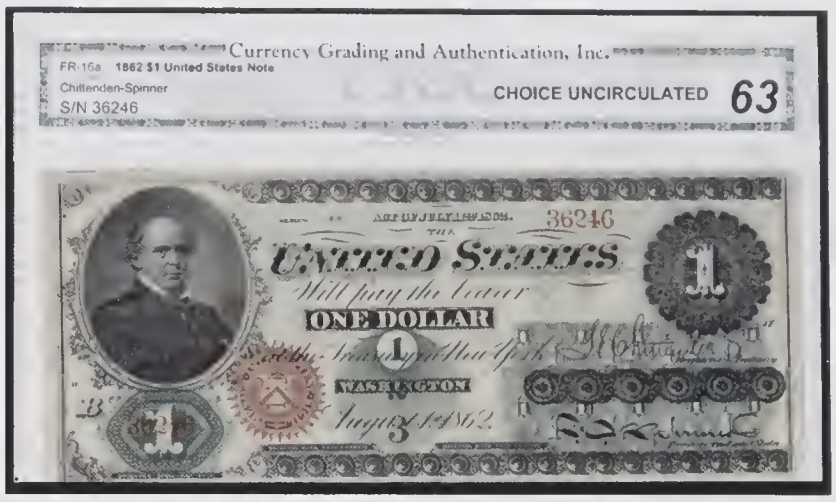
4616 **$10. Fr.TN-14a. VF. Act of Feb. 24, 1815.** Plate F. Uncancelled, partially signed remainder. Small spots of mounting adhering to the right end of the back, not visible on the face. A very nice example, technically closer to VF but with the initial appearance of a Choice EF or better. With the incredible Ford collection now history, appearances of these rare and popular early Federal notes will become more and more sporadic, as collectors realize how limited the census really is. *($5,000-7,000)*

4617 **$1. Fr.16.** August 1, 1862. No.1808. **Uncirculated.** A nice, crisp orginal note but cut very tight at the top margin. *($1,250-1,750)*

4618 **$1. Fr.16.** 1862. 257. No.1804. **Choice Unc.** A gem if the top margin were a bit better. *($1,500-2,000)*

4619 **$1. Fr.16.** 1862. No.42856. **Choice AU.** A fresh, totally original piece with stong embossing. Nice margins for a D-plate note. Some corner tip folds and a partial horizontal bend only seen from the back keep this from a higher grade. *($1,200-1,400)*

4620 **$1. Fr.16.** 1862. 259. No.41302. **Choice AU.** A couple soft, vertical bends on the left and right sides. Superb colors and Gem quality paper otherwise. *($1,000-1,300)*



4621 **$1. Fr.16a.** 1862. No.36246. **Choice Uncirculated.** Very rare type with the ABNC monogram at the right center edge of the design. ChCUs have sold from $4370 to $8652 in the past couple years. Tight bottom margin. Encased CGA 63. *($4,500-5,500)*

4622 **$1. Fr.17a.** 1862. No.76300. **Choice Uncirculated.** Fully original with punch-through embossed seal. Only minor handling to right. Tight top margin keeps it from a higher grade. *($1,500-2,000)*

4623 **$1. Fr.17a.** 1862. No.79066. **Choice Uncirculated.** Fully original with heavy embossing. Decent margins. Light seal holds it back from a higher grade. *($1,500-2,000)*

4624 $1. Fr.17a. 1862. No.79796. F-VF. Well circulated with some tiny edge nicks, otherwise problem free. *($350-450)*

4625 $1. Fr.18. 1869. No.B2519563. Choice VF. A lovely Rainbow Ace with great margins and centering. Bright, crisp with the eye appeal of at least an AU. There are, however, six folds. Do not be surprised if this sells well above the estimate for its formal grade. *($900-1,200)*

4626 $1. Fr.18. 1869. No.B1776453. VF. Nice colors and paper quality on this Rainbow note, but it has been pressed. Tight right margin. A pinhole. *($600-900)*

4627 $1. Fr.20. 1875. No.H5242704. Choice Uncirculated. Bright red overprint and Gem quality paper. Tight bottom margin holds this one from a higher grade. *($1,000-1,300)*

4628 $1. Fr.26. 1875. No.K4467859. Gem Uncirculated. From CAA's September 1996 sale (lot 1100) as "Superb Gem New....a true premium note...we are very impressed by the quality of this piece." A description we can wholeheartedly agree with, and a note we can recommend to even the most fastidious collector. *($2,250-2,750)*

4629 $1. Fr.26. 1875. No.K2881025. Choice Unc. Tight across the top, but the other margins are broad. Gem quality paper. *($1,000-1,400)*

4630 $1. Fr.27. 1875. No.B2257110. Choice Uncirculated. A tight top margin, but everything else about this note is Gem. Blue wash runs across the top back of the note. Deep, blazing red color makes this one something special. *($2,000-2,500)*

4631 $1. Fr.27. 1878. No.A386652. Unc-Choice Uncirculated. Almost perfectly centered example of this popular floral ornament issue. Some teller handling to the right and a one inch (as made?) vertical crease at the bottom center keep it from a full choice grade. *($1,500-2,000)*

4632 **$1. Fr.29.** 1880. No.Z29561717. **Gem Uncirculated.** Excellent margins, blazing colors, and great embossing visible thorough the holder. One of the earlier encased notes whose CGA66 grade looks right on. ***($2,000-2,500)***

4633 **$1. Fr.30.** 1880. No.Z49548407. **Choice Uncirculated.** Heavy embossing and deep colors characteristic of this issue. Gem quality paper but with a tight right margin. ***($1,000-1,500)***

4634 **$1. Fr.30.** 1880. No.Z49548184. **Choice Uncirculated.** Nicely embossed, fresh note with good colors. Tight bottom margin holds it back from a higher grade. ***($1,000-1,500)***

4635 **$1. Fr.31.** 1880. No.A1651754. **AU.** What looks to be a near Gem note but with a couple small margin repairs outside the design. Great embossing. Encased RCGS53. ***($1,500-2,000)***

4636 **$1. Fr.36.** 1917. No.A37268702A. **Choice Uncirculated.** Encased PMG64 EPQ. Seems accurate based on the margins. ***($400-600)***

4637 **$1. Fr.37.** 1917. **AU.** Consecutive Serial Numbers K44302435-37A. All with a faint centerbend and lightly pressed. [3] ***($350-450)***

4638 **$1. Fr.37a.** 1917. No.H13592794A. **Choice Uncirculated.** Scarce variety with the reversed Burke-Elliott sugnatures. Clear embossing. PMG64 EPQ. Pop 3/5. ***($1,500-2,000)***

4639 **$1. Fr.39.** 1917. No.M79367438A. **Very Choice AU.** Well-margined and centered for this issue. A very faint wallet bend in the center can be seen on careful examination. A real slider. ***($175-225)***

4640 **$1. Fr.39.** 1917. No.M79367440A. **Choice Uncirculated.** Fully embossed original only two serial numbers away from above note. No centerbend here, however. A tad tight at the bottom right keeps it from the Gem class. ***($250-350)***

4641 **$1. Fr.39.** 1917. No.M79367441A. **Choice-Gem Uncirculated.** Near perfect front centering for this embossed original. Only hair low centering on the back keeps it from a full Gem. ***($300-400)***

4642 **$1. Fr.39.** 1917. No.M79367474A. **Choice Uncirculated.** Another bright, original piece but centered low front and back. ***($200-300)***

4643 **$1. Fr.39.** 1917. No.M79367475A. **Uncirculated.** Original but with a couple pinches and partial bends near the top. Noticeably centered low, front and back. ***($125-175)***

4644 $1. Fr.39. 1917. No.M79367476A. **Choice Uncirculated.** Another nice original note but with a tight bottom margin and centered low on the back. *($200-300)*

4645 $1. Fr.39. 1917. No.N98802830A. **Choice Uncirculated.** Another crisp, original with some handling and a tight top margin this time. *($250-350)*

4646 $1. Fr.39. 1917. No.T44023243A. **EF.** A three vertical-fold original with a tight bottom margin. *($100-150)*

4647 $1. Fr.40. 1923. No.A361B. **Choice Uncirculated.** A bright white note with cherry red seal and serial numbers. A three digit serial number. Minor handling only. Centering is shifted right on front and back. A small natural paper inclusion next to the 1 Dollar overprint is mentioned for accuracy. *($500-750)*

4648 $1. Fr.40. 1923. No.A37891976B. A crisp original with a corner tip bend that barely touches the design. A very faint horizontal roller mark runs across the top third of the note but should not be mistaken for a fold. Slightly aged paper. *($300-500)*

4649 $1. Fr.40. 1923. No.A37891978B. **Choice AU.** Fully original but with a partial diagonal bend across the right side of the note. The as-made horizontal roller mark is more evident on this note. Slightly aged paper. *($400-600)*

4650 $1. Fr.40. 1923. No.A37891981B. Another fully original piece from this run, but the partial diagonal crease is more evident on this note, and there is a crease in the right margin. *($300-500)*

4651 $1. Fr.40. 1923. No.A37891982B. **Choice AU.** The partial diagonal bend is faint on this note. Again there is a ghost of a roller mark running horizontally across the note. Totally original, nonetheless. *($400-600)*

4652 $1. Fr.40. 1923. No.A37891983B. **Choice AU.** Very similar to the previous lot. Embossed and fully original. *($400-600)*

4653 $1. Fr.40. 1923. No.A37891985B. **AU.** A more noticeable right side diagonal crease plus a partial crease on the left side here. All original still. *($300-500)*

4654 $1. Fr.40. 1923. No.A5432756B. **Choice-Gem Uncirculated.** Bright, crisp with blazing color and deep embossing. Great centering on the front, but the back is slightly askew and keeps it from a full Gem grade. Nicest of the litany of Fr. 40s. *($750-1,000)*

THE FIRST U.S. $2 NOTE EVER ISSUED

4655 **$2. Fr.41a.** 1862. No.1-S1. **Good.** *The top note from the first sheet of $2 bills ever printed for U.S. Currency.* No other note in any denomination can boast this distinction to our knowledge. Its historic and numismatic importance are therefore extraordinary. This note has had only three owners in the past century: Abe Hepner, who owned the note for nearly a century before selling it in the 1950s. The next purchaser, who exhibited the note at the 1971 and 1972 ANA Conventions, and the G.E.N.A. Convention. Our consignor, who bought the note from the exhibitor some time later.
The note is fully intact with no pieces missing, and it is clearly legible as the A-plate, Serial Number 1 note of Series 1. It is encased PMG6. *($15,000-Up)*

4656 **$2. Fr.41.** 1862. No.64835. **Choice-Gem Uncirculated.** Lovely, bright note with well above the average margins. Cherry red seal. Not much embossing evident, but there is no reason to question its originality. *($4,000-5,000)*

4657 **$2. Fr.41.** 1862. No.87748. **VF-EF.** Very nice margins for type. Hard to see much circulation on the front, but there are four pressed-out vertical folds. Slightly toned and muted seal. *($1,000-1,500)*

4658 **$2. Fr.41.** 1862. No.87754. **VF.** A fresh, crisp, and incredibly bright note with bold colors. The kind of originality that is seldom encountered with this type. Alas, the top margin is very tight and there is a nick out of it. *($600-800)*

4659 **$2. Fr.42.** 1869. No.U2599436. **F-VF.** Well circulated Rainbow Deuce with remarkably bright colors and no soiling whatsoever. There's no evidence for the note being washed and the watermarked paper has good body. There is a small repair near the bottom front margin. *($1,250-1,750)*

4660 $2. Fr.42. 1869. No.E4779480. **VF.** Nice color on this evenly circulated Rainbow Deuce. Face has great margins and centering, but the back is shifted so low that some of the design of the note above appears in its top margin. Some might call this an error note and seek a premium for it. Certified CGC35. *($1,500-2,000)*

4661 $2. Fr.42. 1869. No.Z4018204. **Gem Uncirculated.** A lovely Rainbow deuce graded PMG65 EPQ with Great Color and Margins. Pop 9/1. Grade arguably is somewhat conservative. But for the uneven left and right front margins, the note looks perfect. The is no reported public sale of a note graded as high as a 65 by PMG, so this beauty could easily exceed $25,000 when the hammer drops. *($15,000-25,000)*

4662 $2. Fr.42. 1869. No.E689277. **VF.** A nicely margined Rainbow Deuce with good eye appeal. It is technically a flattened VF, but for the collector who does not want to pay thousands for a higher grade example, it is a good compromise. *($1,200-1,700)*

4663 $2. Fr.43. 1874. No.B5412314. **Choice-Gem Uncirculated.** Bright crisp with ample margins and very nice centering on the front for this type. Fully original. Back is slightly tilted and shifted up. *($3,000-4,000)*

4664 $2. Fr.50. 1880. No.Z2859366. **Gem Uncirculated.** Well above average margins and centering for this type. Looks fully original through the RCGS66 holder. Near Super Gem quality. *($2,500-3,000)*

4665 $2. Fr.52. 1880. No.Z23027339. **Choice Uncirculated.** Fully original with top quality paper, but with a tight margin that is typical of these large brown spiked-seal Deuces. *($1,000-1,300)*

4666 **$2. Fr.56.** 1880. No.A3572089. **Gem Uncirculated.** Graded PMG66 and although there is no EPQ on the label, the note is obviously original. Pop 9/1. ***($2,000-3,000)***

4667 **$2. Fr.60.** 1917. No.E27052699A. **AU.** A crisp original note with decent margins for the issue. Only a moderate centerfold. ***($150-250)***

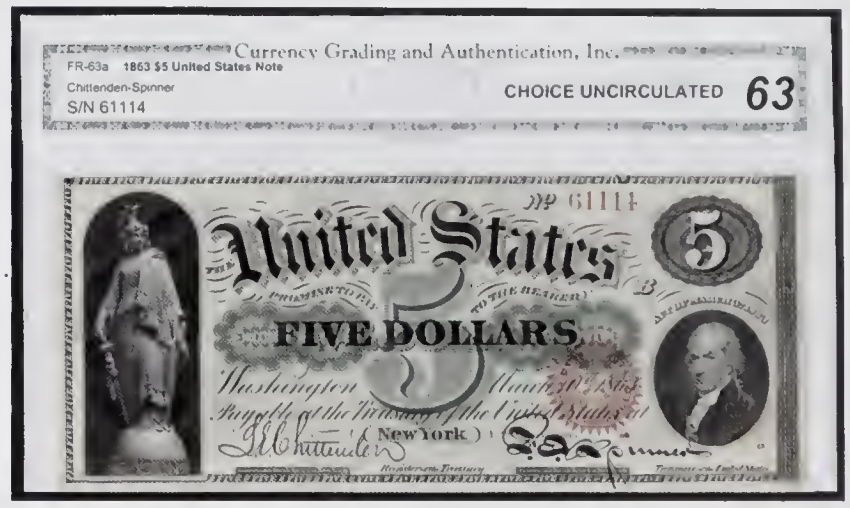
4668 **$2. Fr.60.** 1917. No.B75833196A. **Choice Uncirculated.** Graded PMG64 EPQ. Arguably conservative since this is a D-plate note for a type with notoriously tight margins. ***($400-600)***

4669 **$2. Fr.60.** 1917. No.B61381322A. **Choice Uncirculated.** Gem paper quality but with a typically tight margin. ***($350-450)***

4670 **$5. Fr.61a.** 1862. No.3154. **Choice-Gem Uncirculated.** Punch-through serial number embossing and originality are clearly evident. Margins are nice for type and this piece would be a full Gem if the seal were darker. Encased CGA65. ***($3,000-3,500)***

4671 **$5. Fr.63.** 1863. No.24478. **Unc-Choice Uncirculated..** Smashing originality with great embossing - even the signatures punch through. Unfortunately, the top margin is very tight. ***($2,000-3,000)***

4672 **$5. Fr.63.** 1863. No.56198. **AU.** Decent margins for this type and only a corner tip fold keeps it from the uncirculated class. Graded PMG55. ***($1,200-1,500)***



4673 **$5. Fr.63a.** 1863. No.61114. **Choice Uncirculated.** Looks fully original through the holder with a couple very light stains. Good colors but tight top margin holds back the grade. Encased CGA63. ***($1,500-2,500)***

4674 **$5. Fr.63a.** 1863. No.37858. **Choice-Gem Uncirculated.** Great embossing again and well above average centering. Arguably, a bit too much handling for a full Gem, however. ***($3,500-4,500)***

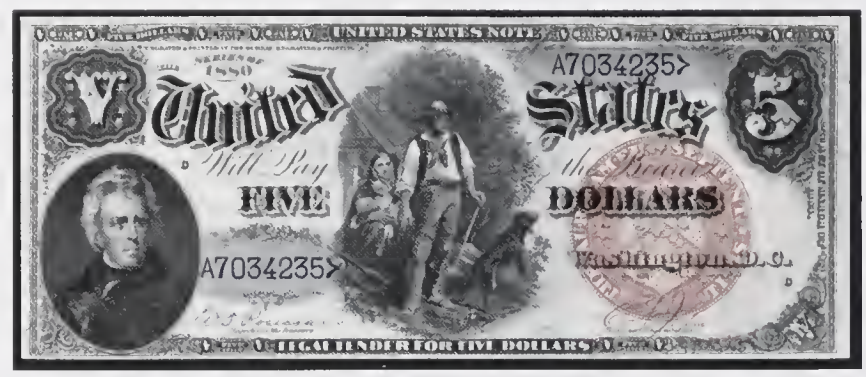
4675 $5. Fr.63a. 1863. No.37978. **AU.** Very bright and crisp with outstanding margins but the note has been pressed. One vertical fold and some "removed" handling marks are evident. Still, a very attractive piece that has the appearance of a Super Gem in the holder. *($1,500-2,500)*

4676 $5. Fr.64. 1869. No.K8673183. **Choice-Gem Uncirculated.** Blazing, bright colors on this Rainbow Five with an exceptional seal for this type. Some handling on the right. A small spot next to the portrait from a natural inclusion is noted for accuracy. *($4,500-5,500)*

4677 $5. Fr.64. 1869. No.K3557880. **Uncirculated.** Colorful Rainbow Five with excellent centering for a D-plate note. Destined for the Gem category but unfortunately there are two filled holes in the center of the note. *($2,500-3,500)*

4678 $5. Fr.68. 1880. No.B6853420. **Choice-Gem Uncirculated.** An attractive original Jackass with the popular floral seal. Adequate margins and excellent centering for a D-plate note. Hard to find any fault with this note. *($1,500-2,000)*

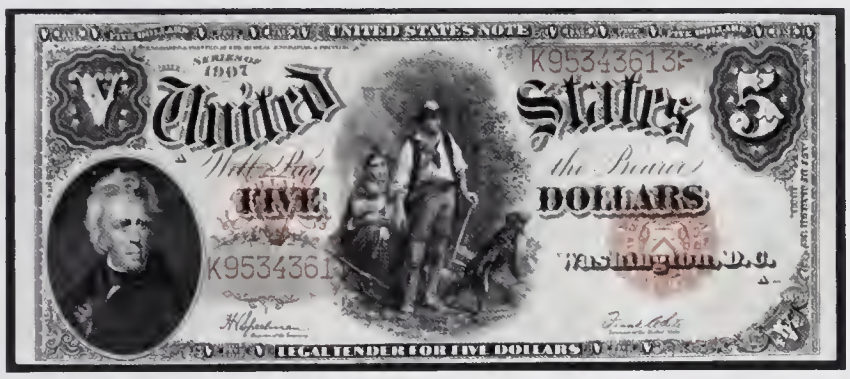


4679 $5. Fr.74. 1880. No.A7034235. **Choice Uncirculated.** Fully original with the sharp embossing that is a hallmark of this type. The bottom margin is too tight for a higher grade. *($1,100-1,500)*

4680 $5. Fr.74. 1880. No.A7034228. **Very Choice Uncirculated.** A second Fr. 74 with the large round red seal with equally original paper and great embossing. A D-plate note, but even so the upper right margin is tight. *($1,250-1,750)*

4681 $5. Fr.77. 1880. No.A16323289. **EF.** One of the scarcer Jackass notes with blue serial numbers and a spiked brown seal. Great centering, original paper, and overall eye appeal. Three folds and a 1/4 inch tear in the margin under Houston's signature. *($1,000-1,500)*

4682 $5. Fr.86. 1907. No.D1276654. **Choice Uncirculated.** Scarce Napier-Thompson signature with only 54 in the census. Based on color, freshness, margins and centering, this piece should be Gem but the marginal embossing is less than what is ordinarily expected for this type. *($2,000-2,500)*



4683 $5. Fr.91. 1907. No.K95343613. **Choice-Gem Uncirculated.** Pioneer note with decent centering for A-plate position. Nice, original Gem paper. *($900-1,200)*

4684 $5. Fr.91. 1907. No.M28724666. **AU.** "PCBLIC" error note. A diagonal corner bend and a very tight left bottom margin. Encased PMG58 EPQ. *($600-800)*

4685 $5. Fr.91. 1907. No.K46231500. **AU.** Looks like a freshly printed piece that was cut too close to the bottom and folded once down the middle. *($450-500)*

4686 $5. Fr.91. 1907. No.H88016307. **Choice VF.** Crisp, clean original note with nice centering for the issue. Great color. A good choice for a circulated example of the Pioneer note. *($250-350)*

4687 $10. Fr.95b. 1863. No.23319-NS48. **AU.** Bright, clean and crisp, with no folds through the note. Tight bottom margin. Teller handling at the right, and the tiny tips of a couple corners off. *($2,500-3,000)*

4688 $10. Fr.96. 1869. No.H4265157. **Gem Uncirculated.** A gorgeous Rainbow $10 and with a bit more top margin it would have graded higher. Back centering is near perfect for this type. Graded PCGS65 PPQ. *($7,500-8,500)*

4689 $10. Fr.96. 1869. No.H4265804. **AU.** A crisp Rainbow with decent colors but whose paper surface does not have the originality expected from the best of this type. There's a small corner tip fold that just touches the design and a pressed out diagonal fold on the right. Front is shifted a bit to the right, but the back margins and centering are unimprovable for this type. *($3,500-4,500)*

4690 **$10. Fr.99b.** 1863. No.5385. **Gem Uncirculated.** A pristine, brightly colored example of the 1863 $10 with the serial number in two places. Excellent centering, front and back, and a strong candidate for a 66 grade. Embossing could be stronger, but this is a minor quibble for such a wonderful note. *($10,000-15,000)*

4691 **$10. Fr.102.** 1880. No.Z5962592. **AU.** Great embossing on this large brown seal Jackass. A couple bumped corners and a diagonal fold through Webster's portrait can be seen through the PMG55 EPQ holder. *($2,000-3,000)*

4692 **$10. Fr.103.** 1880. No.A221068. **Choice Uncirculated.** Superb embossing on this Jackass note with the large red seal. Well-centered for the D-plate position. Only the somewhat aged paper, particularly in in the face margin areas, keeps this note from a higher grade. *($2,500-3,500)*

4693 **$10. Fr.103.** 1880. No.A289319. **Choice Uncirculated.** Another superb paper quality Jackass. Only a tight upper right margin keeps it out of the Gem class. *($2,500-3,500)*

4694 **$10. Fr.105.** 1880. No.A2734062. **AU.** A fully original note with characteristic deep embossing for this issue. Has a left-to-right diagonal fold. *($1,250-1,750)*

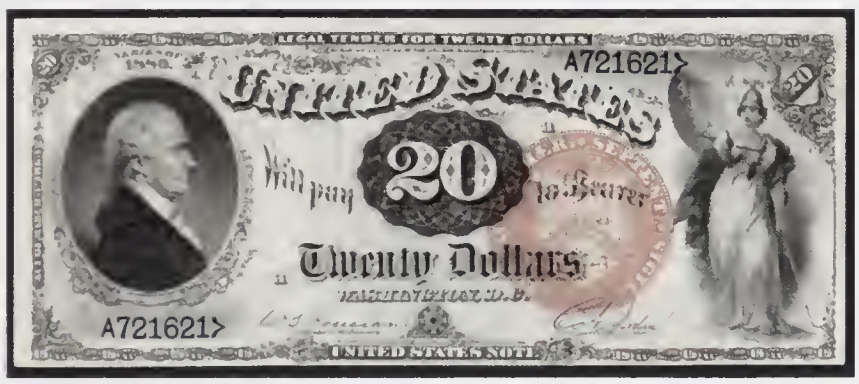
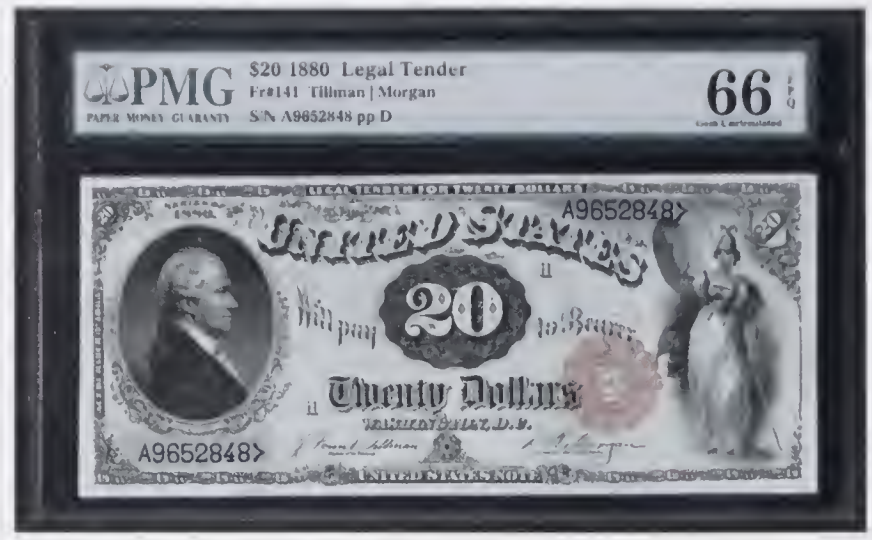
A great note for the collector who cannot afford a Gem. *($3,500-4,500)*

4701 **$10. Fr.122. STAR** 1901. No.619191B. **Fine.** Not a particularly scarce Star with 50 in the census for the Speelman-White signatures but always popular amongst Bison collectors. Encased PCGS15. *($650-850)*

4702 **$20. Fr.128.** 1875. No.A557412. **EF.** Three noticeable folds on this fresh and crisp example. This is a case where an EF note is truly rare and much harder to find than Uncs. This 1975 $20 is one of only two EFs in the census, whereas there are over 20 recorded Uncs! A great buy for the collector who does not want to pay over $5000 for an Unc. *($2,000-2,500)*



4703 **$20. Fr.134.** 1880. No.A721621. **Choice VF.** A bright and fresh large round red seal 1880 $20 that is centered a bit low for even an A-plate position. The note looks Unc at first glance at the front, but it certainly is not. There are about eight vertical folds, but what is wonderful about this note is its total originality and bold embossing. Almost all of this circulated type that turns up has been pressed, so this example gets extra points for its originality. *($1,000-1,500)*

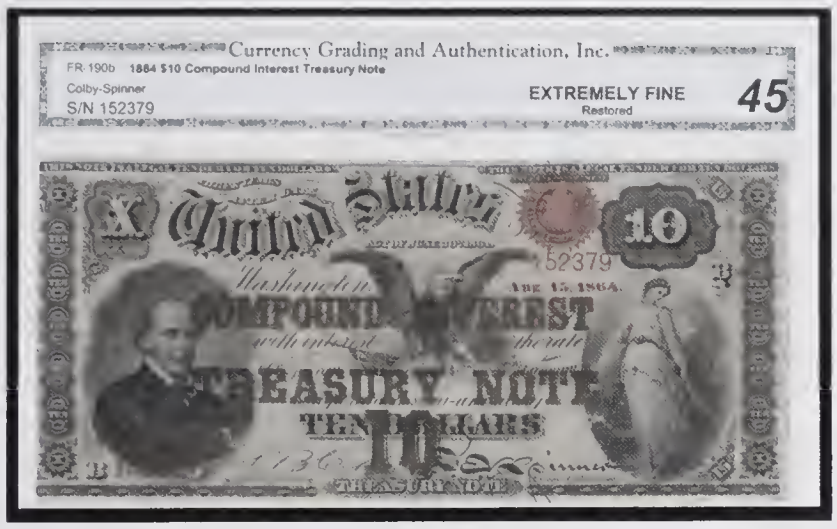


4704 **$20. Fr.141.** 1880. No.A9652848. **Gem Uncirculated.** The jumbo margins on this beauty might justify a 67 but perhaps the third party grader thought the imperfect back registry held the note back. It's hard to see what else about this note could be less than perfect. Encased PMG66 EPQ. *($3,000-4,000)*

4705 **$20. Fr.142.** 1880. No.A11904132. **Choice-Gem Uncirculated.** Great originality and Gem quality paper on this bright, attractive 1880 $20. The larger bottom margin is acceptable for this D-plate position note. *($2,500-3,500)*

4706 **$50. Fr.152.** 1874. No.E395888. **VF.** Problem free, circulated $50 Legal with the double "L"s. Nice colors and great eye appeal considering its circulation. No holes, tears or soiling and decent paper body. A good selection for anyone looking for type. *($5,500-6,500)*

4707 **$50. Fr.164.** 1880. No.A963094. **VF.** Most "common" of the $50 Legals with a scalloped red seal. Considerable circulation but colors remain bright. There appear to be no problems although some light soiling is visible. Graded RCGS20. *($3,500-4,000)*



4708 **$10. Fr.190b.** August 15, 1864. 1864. No.152379. **EF.** Besides the five Uncs in the census, this note is tied with one other for the finest known circulated piece. Great colors. There looks to be some repaired fold line tears along the margins, but these are not noticeable without candling the note. This note has not been on the market for just over a decade, and this is a rare opportunity for the collector of this type to acquire one. *($12,500-Up)*

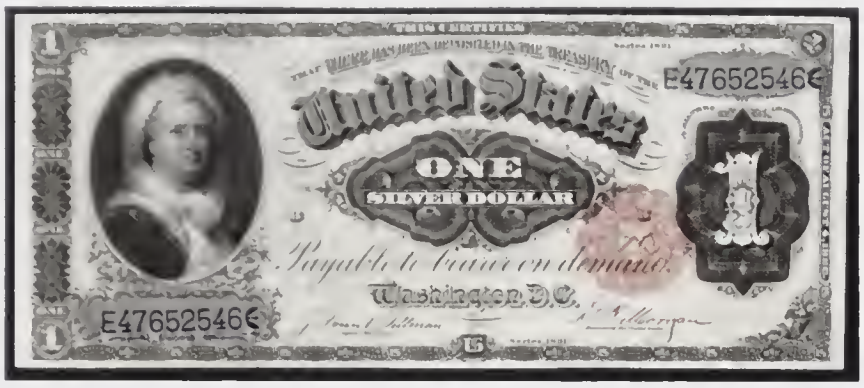
4709 **$500. Fr.202c.** 1861. **Choice Uncirculated. Interest Bearing Note.** Two Year Note, which bore 6% interest for this period. Face proof on card with portrait of General Winfield Scott. Only one face & back proof had been reported previously. Proof is bright and deeply colored with some very small edge stains. Extremely Rare. *($15,000-Up)*

4710 **$1. Fr.216.** 1886. No.B14561367. **Choice Uncirculated.** Scarcer of the small round red seal Marthas. Bold colors and embossing. Excellent paper quality but with a very tight upper right margin. *($2,500-3,000)*

4711 **$1. Fr.217.** 1886. No.B37496614. **Choice-Gem Uncirculated.** Gorgeous large red spiked seal Martha. Deeply embossed, Gem quality paper. Only the slightly tight lower right margin prohibits a super Gem grade. *($3,000-4,000)*

4712 **$1. Fr.217.** 1886. No.B23431454. **VF.** Another nice Martha Red Seal but folded four times vertically. Certified CGC35 PQ, and the originality is evident even through the holder. *($750-1,000)*

4713 $1. Fr.223. 1891. No.E56502662. **EF.** Fully embossed, original Martha with only a centerfold and hint of a horizontal bend visible throught the CGC45 PQ holder. A tight upper margin. *($800-1,100)*



4714 $1. Fr.223. 1891. No.E47652546. **Gem Uncirculated.** Full gem quality freshness, centering, and paper quality for this small scalloped seal Martha. Decent embossing and the note would be a Super Gem if it were stronger. *($3,000-3,500)*

4715 $1. Fr.224. 1896. No.555986. **Gem Uncirculated.** An early CGA65 encased Educational. From what can be seen through the holder, this grade seems reasonable. *($3,000-3,500)*

4716 $1. Fr.224. 1896. No.666974. **Gem Uncirculated.** Educational note with the Tillman-Morgan signatures graded PMG 65. Note certainly warrants this grade, with only imperfect front centering holding it back from a higher grade. *($3,000-4,000)*

4717 $1. Fr.224. 1896. No.7445688. **Gem Uncirculated.** All one could ask for orginality and great embossing. Note is shifted up but for a D-plate position it should retain its Gem grade. *($3,500-4,500)*

4718 $1. Fr.224. 1896. No.89549. **EF.** Crisp, fully original circulated Educational with a corner and three vertical folds. Nice embossing. A good choice for the type collector who does not want to pay multi-thousands for an Unc. *($1,000-1,500)*

4719 $1. Fr.225. 1896. No.41247831. **Very Choice AU.** Beautifully margined and centered Educational note with the Bruce-Roberts signatures. Great embossing and originality. There is either some natural paper wave or a couple soft bends in the note, and maybe the ghost of a lower right corner tip bend. The note is conservatively graded here as a slider, but it would not be surprising if it hammered for near Gem money. *($1,500-2,000)*

4720 $1. Fr.225. 1896. No.45942883. **VF-EF.** Crisp, nicely colored piece that looks AU. Can be seen on close inspection to have at least three pressed out vertical folds and a couple corner tip folds. Still an attractive piece for the buyer who does not insist upon originality. *($750-950)*

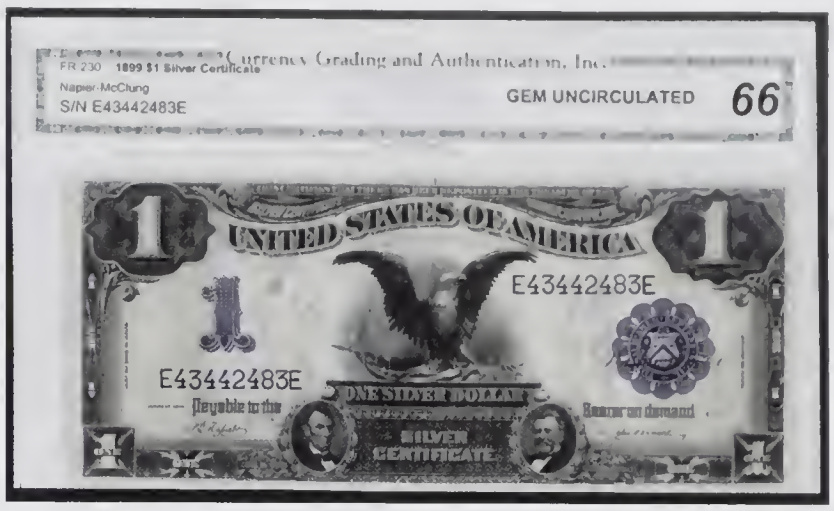
4721 $1. Fr.226a. 1899. No.D75322449. **Gem Uncirculated.** Encased PCGS66 PPQ. Based on the punch-through embossing, near perfect registry, and margins for a D-plate position, there is a strong case for raising the grade to a 67. *($1,000-1,400)*

4722 **$1. Fr.226a.** 1899. No.D52909716. **Choice-Gem Uncirculated.** Super Gem front margins on this Black Eagle. The back shows a trace of glue (?) remnant on the paper, and there is partial vertical bend in the right margin, The note's striking overall quality and appearance, however, outweigh these trivial defects. *($600-800)*

4723 **$1. Fr.228.** 1899. No.R34948403. **EF.** A problem-free, three-fold original. *($200-300)*

4724 **$1. Fr.229.** 1899. No.V25931552. **Gem Uncirculated.** Perfect front centering on this bright, original Black Eagle with the Vernon-McClung signatures. Adequate embossing and would be a Super Gem if there were more punch through. *($500-750)*

4725 **$1. Fr.229.** 1899. No.X20775876. **Gem Uncirculated.** A second Fr. 229 with kind of spectacular embossing that is highly desirable. Centered a bit to the right, and a small clip indentation on the top margin are the only negatives keeping the note from perfection. *($750-1,000)*



4726 **$1. Fr.230.** 1899. No.E43442483E. **Gem Uncirculated.** Embossing could be a bit stronger, but from what overall can be seen through the holder, the CGA66 grade looks legitimate. Perfect face centering. *($550-750)*

4727 **$1. Fr.232.** 1899. No.M86734719M. **Choice Uncirculated.** Fresh, bright and crisp with strong embossing and full originality. Some handling and slightly bumped corners. *($450-550)*

4728 **$1. Fr.233.** 1899. No.B48614647A. **Choice-Gem Uncirculated.** Excellent front centering on this D-plate Black Eagle. Moderate embossing, but the paper still appears fully original. *($500-600)*

4729 **$1. Fr.233.** 1899. No.D32319107A. **Choice Uncirculated.** Fully original and nicely embossed. Somewhat tight upper margin, but not unacceptable for a D-plate position. A bit too much handling to qualify for a higher grade. *($400-550)*

4730 **$1. Fr.233.** 1899. No.Y63370903Y. **EF-AU.** Soft centerfold with some corner tip and margin creases. Centered high on the back. Overall, a clean attractive circulated piece. *($200-300)*

4731 **$1. Fr.233.** 1899. No.Y63370905Y. **EF-AU.** Another Fr. 233 Black Eagle two serial numbers away from the note in the previous lot, and in very similar condition. *($200-300)*

4732 **$1. Fr.233.** 1899. No.Y63370907Y. **EF-AU.** A final Fr.233, again two serial numbers away from the previous note. Very similar lightly circulated condition. *($200-300)*

4733 **$1. Fr.233.** 1899. No.V22690284V. **EF.** Fully original with three folds. *($150-200)*

4734 $1. Fr.235. 1899. No.H10887691A. **Gem Uncirculated.** Excellent overall centering for this D-plate position. Strong embossing clearly visible through the CGA66 holder. Looks to be a nice Gem by anyone's standards. *($600-800)*

4735 $1. Fr.235. 1899. No.H4744949A. **Gem Uncirculated.** A bit of green ink smear on the back but nothing really to quibble about over the PMG65 EPQ grade. *($500-750)*

4736 $1. Fr.235. 1899. No.H4744924A. **Choice Uncirculated.** Encased PMG64 EPQ. Tight bottom margin. A non-mule half of a changeover pair according to the third-party grader's comments. *($450-550)*

4737 $1. Fr.236. 1899. No.N12887250A. **Gem Uncirculated.** PCGS65 PPQ. Clear embossing and nice margins support this third party grade. *($550-650)*

4738 $1. Fr.236. 1899. No.N94176176A. **Uncirculated.** Well centered on the front but low on the back. Some minor handling marks but no real circulation. Serial numbers are strongly embossed. Original but the paper is slightly aged. *($300-400)*

4739 $1. Fr.236. 1899. No.N92344750A. **Uncirculated.** Another uncirculated Fr.236 with slightly toned paper. *($300-400)*

4740 $1. Fr.236. 1899. No.N94012729A. **EF-AU.** Original, embossed circulated note with a horizontal fold and a vertical center bend. Very slightly aged paper. *($150-200)*

4741 $1. Fr.236. 1923. No.Z56451790D. **Uncirculated.** Nice embossing on this crisp, original note. Noticeable handling marks on the right. Very tight top front margin, and the back is shifted to the left. *($100-150)*

4742 $1. Fr.237. 1923. No.Z50566519D. **Choice AU.** Fully embossed and totally original. Probably never circulated, but the note has picked up a diagonal corner bend. *($100-150)*

4743 $1. Fr.237. 1923. No.X60618548D. **Choice-Gem Uncirculated.** Fully original with a couple handling bends. Well centered. *($150-200)*

4744 $1. Fr.237. 1923. No.T12310516B. **Choice Uncirculated.** Perfectly centered, strongly embossed original. A couple teller bends on right and the back shows three horizontal, semi-glossy lines that may be roller marks. *($150-200)*

4745 $1. Fr.238. 1923. No.A21958096E. **Choice Uncirculated.** Fully original with great embossing. Minor handling and centered a tad low. *($150-200)*

4746 $1. Fr.238. 1923. No.B59876028E. **Very Choice AU.** Totally original, embossed, and well centered but with a wisp of a centerfold. *($100-150)*

4749 $5. Fr.242. 1886. No.B7729259. **Gem Uncirculated.** Beautiful Hancock $2 with great embossing and originality. Virtually perfect centering. Small clip impression is the only fault that could keep it out of a Superb Gem grade. New to the census. *($4,000-5,500)*

4750 $2. Fr.243. 1886. No.B14702121F. **Superb Gem Uncirculated.** One of the nicest Hancock Deuces from a run of uncirculated pieces. This one is new to the census and has all the features of a great note: Near-perfect jumbo margins, bright colors, paper originality and punch-through embossed serial numbers and seal. Expect strong bidding on this one. *($6,500-8,000)*

4751 **$2. Fr.244.** 1886. No.B19785817. **EF.** Excellent front centering within huge margins that are very atypical of this large brown seal Hancock type. Nice crisp paper with three moderate vertical folds that are hardly visible on the front. A couple bumped corners. Strong embossing. The light toning of the paper is all that keeps this note from a very choice grade. *($1,200-1,500)*

4752 **$2. Fr.246.** 1891. No.E16326747. **Choice AU.** Great looking, nicely embossed Windom with a barely visible centerfold. *($2,500-3,500)*

4754 **$2. Fr.248.** 1896. No.14302651. **EF.** Fully original with great embossing. Paper crispness like new, but there are three folds. A very desirable, high-end circulated example that is often harder to find than Uncs but definitely easier on the budget. *($3,000-4,000)*

4755 **$2. Fr.248.** 1896. No.18360402. **VF.** Bright with good colors and paper body for grade. A tiny corner tip piece is missing, otherwise, no holes, tears or soiling. *($1,000-1,500)*

4756 **$2. Fr.248.** 1896. 1896. No.13861220. **VF.** Honest, circulated Educational with no damage or other problems, except for a couple minor stain spots and slightly aged paper. Still, a quality circulated example of this type that is seeing runaway prices in Unc. *($1,500-2,000)*

4757 **$2. Fr.248.** 1896. No.13102877. **Fine.** Heavy circulated but, other than a pinhole, there are no problems. Soft paper but still quite presentable for grade. *($600-800)*

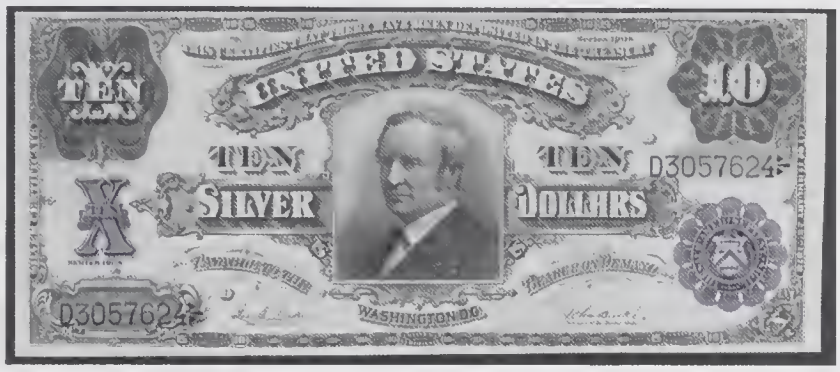
4791 **$10. Fr.303.** 1908. No.B1357594. **AU.** Scarcest Vernon-McClung signature variety for this blue seal Tombstone. A lovely, fresh piece with only a tight lower margin to quibble about. There is an unobtrusive centerfold. *($1,500-2,000)*



4792 **$10. Fr.304.** 1908. No.D3057624. **AU.** A very attractive, bright and crisp Tombstone. A centerfold and some minor paper wrinkling. Great centering for the issue. *($3,000-4,000)*

4793 **$20. Fr.309.** 1880. No.B891470. **VF.** One of the two scarcer large brown seal Decatur $20s. Heavily circulated but fully intact with no tears, stains or soiling. Decent paper body margins for this type. Several pinholes. *($5,000-6,000)*

4794 **$20. Fr.311.** 1880. No.B2258972. **VF-EF.** A problem-free Decatur note with nice color and paper texture. An unevenly cut bottom margin. Probably lightly pressed but not like the harshly flattened examples that are all too common. There is always strong demand for an undamaged and unsoiled 1880 $20 of this quality. *($7,000-8,500)*

4795 **$20. Fr.319.** 1891. No.E734880. **AU.** Fresh, bright and crisp small red seal Manning note. A centerfold and a diagonal corner fold. Great centering and front margins for a D-plate note. Back is slightly skewed. An attractive, original example. *($3,000-4,000)*

4796 **$20. Fr.322.** 1891. No.H1539792. **VF.** Well circulated but problem-free blue seal Manning. No holes, tears or missing pieces. Quite nice centering. *($1,500-2,000)*

4797 **$20. Fr.322.** 1891. No.H1220390. **Fine.** A blue seal Manning with plenty of circulation. No damage and minimal soiling. Paper is limp as expected for this level of circulation. *($700-950)*

4798 **$50. Fr.332.** 1891. No.E751126. **VF.** A scarce Friedberg number with only 20 reported, with the highest grade a VF. This circulated note is a well margined and centered, and has good paper body with signs of originality. No holes tears or other problems. The paper is somewhat toned, however. This note inexplicably was originally graded a Fine, but that is far too conservative. *($4,000-5,000)*

4799 $50. Fr.335. 1891. No.K709970. **F-VF.** Bold colors on this reasonably attractive Silver $50. Listed as only Fine in the census, which seems unduly harsh. The note is pressed, as are so many, and the paper is no longer snappy crisp, but its overall appearance is far superior to any Fine example. *($2,500-3,000)*

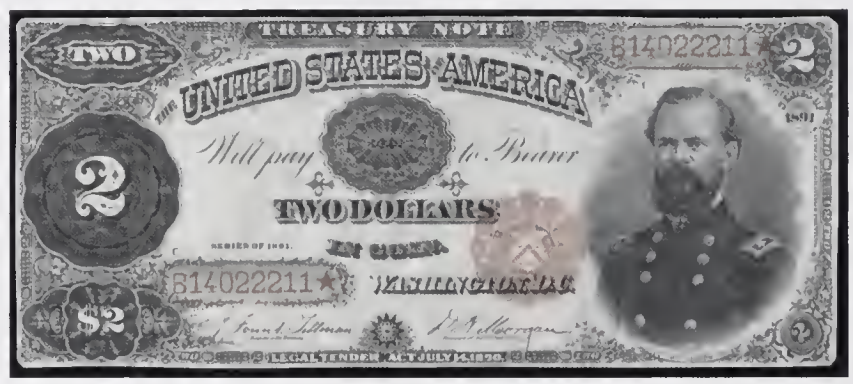
4800 $1. Fr.347. **STAR.** 1890. No.A416306★. **VF.** Bright, crisp circulated 1890 Treasury Ace with marvelous front centering. Totally original, except for a 1/4 inch right margin tear that someone once tried to repair. A very collectable example of this popular ornate back Coin Note. *($800-1,100)*

4801 $1. Fr.350. 1891. No.B12223856. **Fine.** Problem free, well-circulated example of this 1891 Coin Note. Strong seal and serial number colors. *($250-350)*

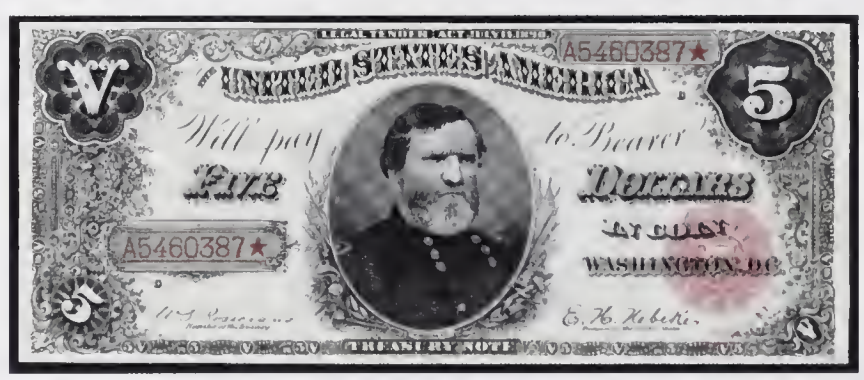
4802 $1. Fr.351. **STAR.** 1891. No.B46401426★. **EF.** A lovely original three-fold Treasury Ace. Quality mid-grade circulated examples like this are probably less common than Uncs. *($750-900)*

4803 $2. Fr.357. 1891. No.B14151614. **Gem Uncirculated.** Marvelous McPherson $2 graded PMG66 EPQ, Great Embossing & Color. Courtesy autograph of the Treasurer, D.N. Morgan. They seldom come any better than this. *($4,000-6,000)*

4804 $2. Fr.357. 1891. No.B11354875. **Choice Uncirculated.** A second Morgan courtesy signature McPherson Deuce. Shouts originality with some paper wave, but a somewhat tight lower margin keeps it from the Gem class. *($3,000-4,000)*



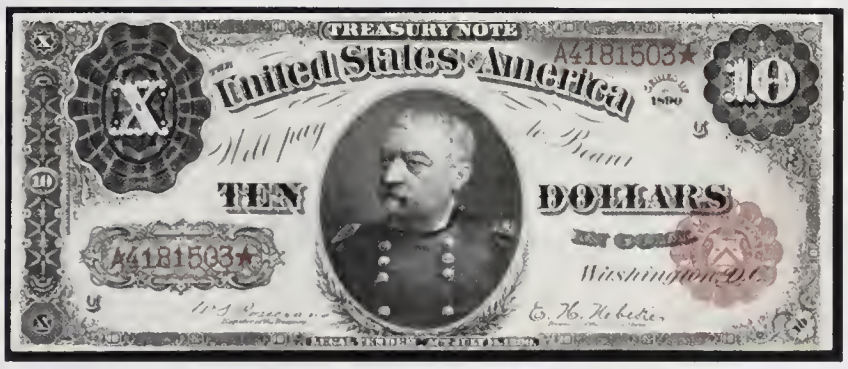
4805 $2. Fr.357. **STAR.** 1891. No.B140222★. **VF.** Incredible paper and embossing on this circulated 1891 Treasury Deuce, formally a VF. Some criminal trimmed all the margins and clipped the corners, however. *($500-700)*



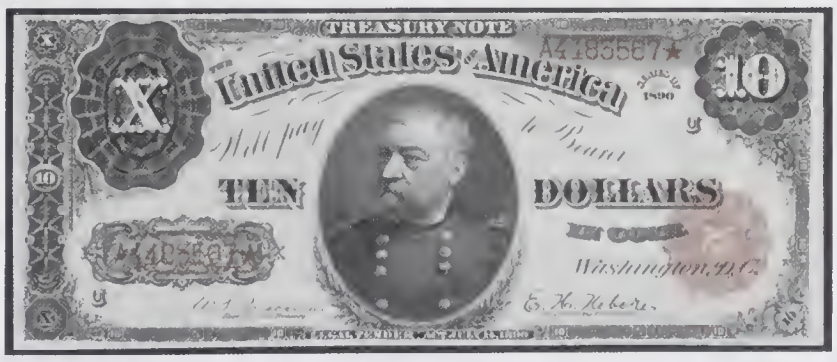
4806 $5. Fr.361. 1890. No.A5460387. **Choice Uncirculated.** Gem paper quality, margins and centering for this small seal 1890 Treasury. A bit too much handling to qualify as a full Gem. Very attractive and original. *($5,000-6,000)*

4807 $5. Fr.363. 1891. No.B11340257. **Choice Uncirculated.** An attractive $5 Treasury note with good centering for the A-plate position. Nice paper surfaces, but the note has been trimmed a bit on both sides. *($3,000-4,000)*

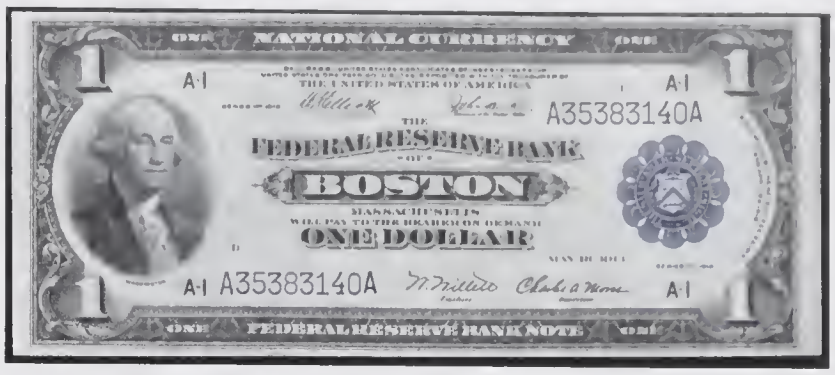
4808 $5. Fr.364. 1891. No.B16018682. **Gem Uncirculated.** Centered a bit high on the front, but the marvelous paper quality and originality more than make up for this minor deficiency. New to the census. *($4,000-5,000)*



4809 $10. Fr.368. 1890. No.A4181503. **VF/EF.** Bright, crisp small seal 1890 Treasury with four vertical folds and a couple small corner-tip folds. Tight bottom margin. Still quite presentable and about five-times less than what a Gem Unc commands. *($2,000-3,000)*



4810 $10. Fr.369. 1890. No.A4483567. **Choice Uncirculated.** Vivid, deep colors on this exceptionally bright 1890 Treasury $10 with the small scalloped seal. Lightly flattened and the corners look suspiciously sharp. Still, an eye-catching example. *($5,000-7,500)*



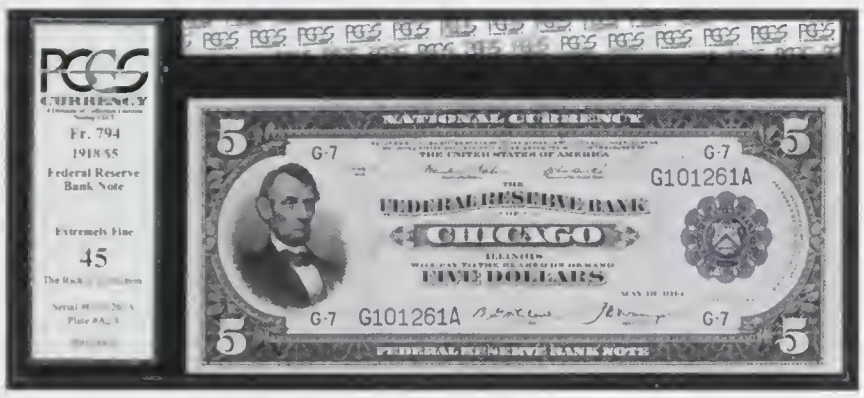
4811 $1. Fr.710. 1918. No.A35383140A. **Choice-Gem Uncirculated.** Fully original, Gem paper quality and excellent front centering on this Boston FRBN, but the back is slightly askew. *($600-900)*

4812 $1. Fr.715. 1918. No.C5240022. **Choice Uncirculated.** A clean, bright original Philadelphia FRBN. Clear embossing. A small vertical crease in the lower left corner (as made?) might remove the note from the uncirculated category, but that seems unduly harsh. *($500-750)*

4813 $1. Fr.731. 1918. No.H12229482A. **EF.** A scarce FRBN with only 37 in the census and this one is amongst the top ten finest. The strong embossing is clearly visible though the PCGS45 PPQ holder, as are two folds, but there is evidence for a third. *($1,250-1,750)*

4814 $2. Fr.766. 1918. No.G3960561A. **F-VF.** A circulated Chicago $2 Battleship that has retained paper crispness and good colors. A relatively scarce variety with only 30 reported in the Track & Price census. *($400-550)*

4815 $5. Fr.790. 1918. No.F821404A. **EF.** Boldly printed with sharp colors. Only one fold is visible through the holder, so it is not obvious why the note is graded only PMG45. Also, there looks to be sufficient embossing to warrant an EPQ rating. *($700-1,000)*



4816 $5. Fr.794. 1918. No.G101261A. **EF.** Good eye appeal to this bright Chicago FRBN. A diagonal corner, a corner tip, and a couple vertical folds are barely visible through this note's holder. Negligible embossing. The PCGS64 grade seems accurate. *($600-900)*

4817 $5. Fr.832a. 1914. No.A1140984A. **VF.** Moderately scarce Boston Red Seal with 37 in the census. This one is encased PMG30, which seems reasonable. *($900-1,100)*

4818 $5. Fr.833b. 1914. No.B20357577A. **AU.** Not a scarce number but a nice grade - PMG55. Tough to see why through the holder, although there may be a faint fold to the left of the portrait. *($1,750-2,000)*

4819 $5. Fr.833b. 1914. No.B20686990A. **VF.** Deep, intense red oveprint on this lower grade, circulated 833b New York Red Seal. PCGS35. None of the folds are prominent. *($1,000-1,250)*

4820 $5. Fr.838a. 1914. No.G1075A. **Choice AU.** Bright and bold Chicago Red Seal. Encased PMG58. Hard to see any folds through the holder, but there might be a couple bends. The lack of EPQ, however, seems unjustified given the punch-through serial numbers and nice paper surfaces. *($1,000-1,500)*

4821 $5. Fr.838a. 1914. No.35979A. **Choice AU.** A second A-type Chicago Red Seal in equally nice grade. This one is PCGS58 PPQ. Strong embossing is clearly visible through the holder. *($1,000-1,500)*

4822 **$5. Fr.839A.** 1914. No.H2387231A. **VG.** St. Louis Red Seal. Heavily circulated and aged but fully intact with no holes or tears. *($150-250)*

4823 1) **$5. Fr.843A.** No.L1229569A. A very scarce San Francisco Red Seal with only 8 previously recorded in Track & Price. This one is new to the census. Heavily circulated but intact and without any tears. One tiny pinhole and a tatty bottom margin. **VG.** 2) **$5. Fr.871A** . No.68469318A. A common Chicago Blue Seal. A crisp **VF.** [2] *($300-500)*

4824 **$5. Fr.847b.** 1914. No.A86943450A. **EF.** Clean, three-fold circulated Blue Seal FRN. Encased PCGS45. *($250-350)*

4825 **$5. Fr.858. STAR.** 1914. No.D234583★. **Fine.** Relatively scarce FRN Blue Seal Star note with 11 in the T&P census. Encased PCGS12. Only three in higher grade reported. *($600-700)*

4826 **$5. Fr.867b.** 1914. No.F53968265A. **Fine.** One of the classic rarities amongst FRN Blue Seal $5s with only seven in the census. This is one of the lower grade ones - PCGS15. No holes or tears, but there are some stains on the back. *($750-900)*

4827 **$5. Fr.873.** 1914. No.H14507357A. **EF.** A St. Louis Blue Seal with hard to see, pressed out folds. Graded PCGS 40. *($250-350)*

4828 **$5. Fr.891a. STAR.** 1914. No.L808147★. **VF.** Medium scarcity Blue Seal Star with 20 in the census. Above average grade. PCGS25. FRN Stars are always in demand. *($750-1,000)*

4829 **$10. Fr.893b.** 1914. No.B12548073A. **EF.** Not a scarce New York Red Seal but an above average, attractive circulated one. Encased PMG40. *($1,500-2,000)*

4830 **$10. Fr.895b.** 1914. No.D643094A. **VF.** There are 34 of this New York Red Seal type in the census but none are uncirculated. This one grades in the upper third of those reported. PCGS20. *($600-700)*

4831 **$10. Fr.900a.** 1914. No.I166958A. **VF.** Moderately scarce Minneapolis Red Seal with 36 reported. This one looks nice but there is some fading of the overprint. PCGS25. *($800-1,100)*

4832 **$10. Fr.903a.** 1914. No.L48044A. **EF.** A rare San Francisco Red Seal with only 17 reported. Tied with three other notes for the highest grade recorded. PCGS40. Looks to be a clean, problem free piece with three folds. Do not miss this opportunity to acquire one of the best. *($2,500-3,500)*

4833 **$5. Fr.910. STAR.** 1914. No.B816229★. **VG.** A somewhat scarce New York Blue Seal star note. Circulated with one-inch tears at the top and bottom of the centerfold - and a tiny hole in the center. *($150-300)*

4834 **$10. Fr.911. STAR.** 1914. No.B1375323★. A difficult Blue Seal star note but somewhat below average grade for the 13 reported. Certified PCGS "Apparent"15 with edge splits. *($500-600)*

4835 **$10. Fr.914. STAR.** 1914. No.C218030★. **F-VF.** Only 10 Stars recorded for this FRN Blue Seal type. This one is average grade, about VF because of ink stains and soiling on the back. Encased PCGS20. *($550-700)*

4842 **$20. Fr.953b.** 1914. No.B2522533A. **Choice Uncirculated.** A real blazer Red Seal $20 that looks perfect from the front and only the slightly askew back centering keeps it from a Super Gem grade. Listed in the census as Choice Uncirculated, but careful examination does reaveal two light vertical bends. Hence, its conservative grade here, but the note may well fetch much above this formal grade. *($4,000-5,000)*

4885 "OLD BULLION" ORIGINAL PAINTING

Wonderful banking interest **Original Oil Painting Signed** in paint *"S.McArthur"* at lower left corner. An impressive 30" x 33" work of art showing two stevedores unloading a chest of gold bullion at a New York wharf [probably South Street seaport], as a banker, a ship's captain, and an armed guard stand by. The work, believed to be from the 1920s, commemorates the early days of Chemical Bank. In the panic of 1857, public confidence in the ability of banks and the government to make payments in specie rather than in paper currency was severely undermined by, among several other factors, the loss in a storm of the SS *Central America*, carrying fifteen tons of California gold to the East Coast. As panicked customers made a "run" on several financial institutions, Chemical was one of the only banks in the country that continued to make payments in gold, earning it the sobriquet "Old Bullion" and underscoring its strength and dependability. The present painting celebrates that reputation. Painting has a narrow 2.5" scrape with paint loss at upper left, otherwise in excellent condition. Held in a gilt wooden frame with a somewhat weathered explanatory plate at bottom. A very attractive work of art, with the color and verve of a classic illustration.

Population of 1 - Finest Known Gem $1 1928D Star

4968 $1. SC. 1928D. STAR No.★35996273A. PMG 66 Exceptional Paper Quality. There have been no auctions of this rare Funnyback Star in this state of preservation since this note sold in the Taylor Sale. Among the small size experts, the best estimate is that there are around 15 to 20 pieces known in all grades. Seen most frequently in around Fine condition, even a choice VF, in original, unmolested condition would be more than worthy of the most advanced small size collection.

It is hard to see why this note is not a 67, but considering it is the only one PMG has graded, the point is nearly moot. No other specimens of this quality have been auctioned in this millennium. As a rarity anchor in the Taylor collection this note has no equivalent match for grade or rarity in the small size arena. As a population of 1 rarity, with no serious challengers in the wings, this Star will likely remain the only Gem, and a top rated prize for the lucky winner of this lot **($50,000-100,000)**

Population of 1 - The Finest Known $1 1928E Star

4969 $1. SC. 1928E. STAR No.★35821073A. We have had the privilege of handling this specimen more than once, as well as the second finest, which is a gorgeous Choice original AU. This note will not be knocked out of the finest known category by any of the previously recorded eight known examples. It is, and will remain, the finest 1928E Star extant for the remainder of this cataloger's life.

Exhibiting great originality and embossing, this example certainly deserves the PMG 65 EPQ Gem Uncirculated label. It is also the only one ever submitted to PMG for grading. The remaining seven, aside from the AU previously mentioned, average Fine, with one standout looking like it came out of a campfire. A VG recently brought $11,500 earlier this year, and as grading and registry set mania takes hold, it is not out of the realm of possibility that this Finest Known specimen could bring over ten times the value of a VG. This is the only note close to Gem, and with another appearance any time soon exceedingly remote, this auction appearance represents the opportunity of a collector's lifetime. It was eventually acquired by the Taylor Family and then passed on to our consignor. This note realized $42,500 a few years ago and with improved market conditions the sky is the limit on this prestigious error note. **Choice Crisp Uncirculated.** *($40,000-60,000)*

Smythe & Co.
OUR GRADING SERVICE POLICY

Smythe and Co. values above all else the trust our clients place in us, be they sellers or buyers. As such, we strive to properly authenticate, attribute and grade each and every consignment, purchase or sale in which we are involved. We recognize that opinions, notably those of the buyer and seller, frequently enter into consideration, and that buyers and sellers may from time to time solicit opinions from others regarding purchases contemplated. These opinions may be formal or informal, purchased or free, and may or may not involve, ultimately, encapsulation of the item in question.

Smythe and Co. includes in our offers for sale, on a private treaty basis, and on behalf of its consigners, collectibles which have been authenticated and/or graded and/or encapsulated by third parties. We believe that third party opinions are just that – opinions, and that buyers and sellers must understand and evaluate for themselves the representations being made by those third parties, and the guarantees and/or warranties as may be available from those services. We will, in any event, always make our own independent evaluation of the items we trade in or auction, and do our best to accurately describe the item in question. However, in those cases where encapsulation makes it impossible to properly and/or completely evaluate an item, Smythe and Co. cannot make any warranty as to the authenticity or quality. As such, items which have been encapsulated by third-parties are sold on an "as-is basis," and cannot be returned for any reason.

In describing any of our offerings, we rely on years of experience in our fields of expertise, as well as outside expertise as we may, from time to time, solicit. We believe that our clients have every right to expect authenticity and accurate attribution. We also believe that many factors come into play in the evaluation of the overall quality and desirability of any collectible, that beauty is in the eye of the beholder, and is therefore a subjective judgment. The happiness and satisfaction of our clients, buyers and sellers alike, is our principal aim, and in order to protect both, we believe that buyers and sellers have a responsibility to properly evaluate the subjective elements of their purchases.

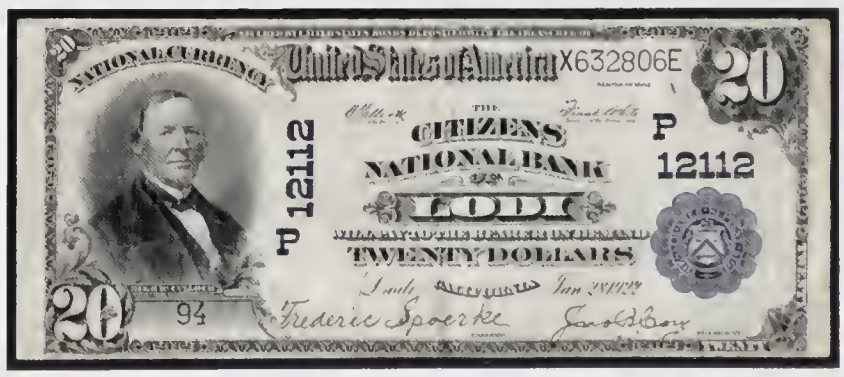
5273 **Ch.10301.** *Ducor.* **First NB. $10. Fr.628.** 1902 PB. No.3888 C. **Fine.** A scarce Tulare County bank which ceased operations in mid-1931. This example is one of only 6 notes reported, all of which are Plain Back 10s. The note has healthy margins, and honest wear, but the signatures have faded. ***($2,500-3,000)***

5274 **Ch.P11925.** *Huntington Park.* **National Bank. $10. Fr.633.** 1902 PB. No.K800240H/4698 B. **F-VF.** A very rare Los Angeles County charter. New to the Track & Price census, which brings the total reported to *only two $10 PBs* and one $20PB. No problem circulated note whose front shows well. Still some crispness in the paper. One purple stamped signature clearly visible, the other has faded. A real find for the serious California collector. ***($4,000-6,000)***



5275 **Ch.P12112.** *Lodi.* **Citizens NB. $20. Fr.660.** 1902 PB. No.X632806E/94 A. **Fine.** The last of three banks chartered in this San Joaquin County town, this note is one of nine reported on the bank, and comparable in grade to the others. 5276 **Ch.P6545.** *Los Angeles.* **American NB. $10. Fr.613.** 1902 RS. No.V67354/23315 A. **Fine.** A short-lived institution, out in 1909 after seven years in operation. A prodigious issuer, and therefore not a rare bank, but only three Red Seal tens survive. This example, despite some very minor discoloration, has bold blue signatures, always a treat on Red Seals.

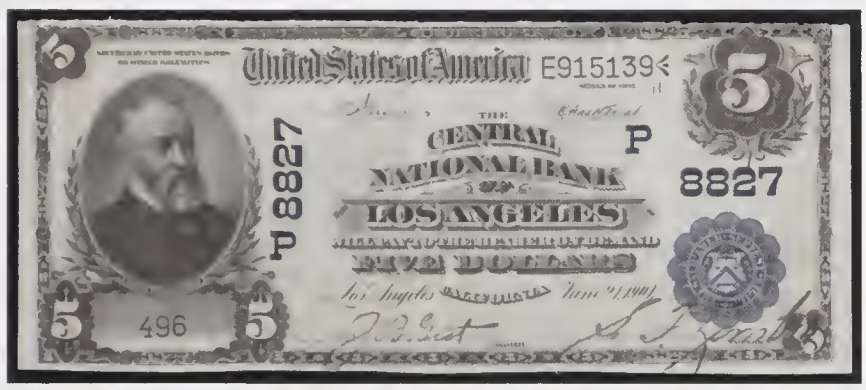
($2,000-2,500)



5277 **Ch.P8827.** *Los Angeles.* **Central NB. $5. Fr.592.** 1902 DB. No.E915139/496 H. **EF.** This is the first title on a scarce bank liquidated in 1920. One of only seven notes known, and the finest of the four 1902 Date Backs. The current example has crisp paper, bright color, and strong embossing, tempered by a pair of centerfolds, a ghost of a horizontal fold, and some tightness of margin at upper right.

($1,000-1,500)

5278 **Ch.P6617.** *Los Angeles.* **Farmers and Merchants NB. $10. Fr.613.** 1902 RS. No.T341912/38413 A. **Fine.** This Red Seal faces up perhaps better than the grade might suggest, but some reverse soiling and scattered pinholes keep it in the Fine category. Its peers in the census average similar grade. The Red Seal and devices are bold, and the note has good margins.

5279 **Ch.2491.** *Los Angeles.* **First National Trust & Savings Bank. $100. Fr.705.** 1902 PB. No.754 A. **Fine.** The less common second title for this bank, which it carried for only three years before becoming the Security First NB, and one of only three 1902 Plain Back hundreds with this title. Some aging to the paper, but dark, bold signatures and a deep seal color. Scattered pinholes.

($1,500-2,000)

5280 **Ch.10324.** *Mountain View.* **First NB. $20. Fr.665.** 1902 PB. No.7740 A. **VG-F.** A rare Santa Clara County bank, with only eight large notes known, and this the only twenty [no Date Backs are reported]. While bearing signs of heavy circulation, in the form of the beginnings of margin tears along the folds, pinholes, and faded signatures, there is nothing but even, honest wear to this rare note.

($2,000-2,500)

5281 **Ch.7176.** *Napa.* **First NB. $20. Fr.1802-1.** 1929 T1. No.F000333A L. **Choice Uncirculated.** From a cut sheet bearing a neat "triple 3" serial, with aspirations to Gem. These notes are reasonably available, but also extremely popular because of their connection to the popular wine growing area of the same name. A fully original, forcefully embossed note. We note that the back could be a tad higher.

($600-900)

5282 **Ch.12316.** *Redlands.* **First NB. $5. Fr.609.** 1902 PB. No.T555743H/10282 B. **VF.** Scarce San Bernardino charter with only 8 notes reported, including this new addition to the census. All are $5 PBs, and this one is about equal to the highest grade reported - a VF20, which previously sold for $2,760 in 2004. A bright note with clear signatures. ***($2,000-3,000)***

Only 1902 PB $5 Reported

5283 **Ch.P4120.** *Santa Paula.* **First NB. $5. Fr.600.** 1902 PB. No.Z884472B/7586 A. **Fine.** Bearing the first of two titles used by this bank before its liquidation in early 1924, this is the ***only*** Plain Back 5 known. Free of holes, tears, or other damage generally associated with the grade and bearing excellent color. ***($2,500-3,500)***

5284 **Ch.P9515.** *Wilmington.* **First NB. $10. Fr.626.** 1902 PB. No.U781273B/1815 B. **VG-F.** From a Los Angeles County institution which liquidated out in early 1924, and one of only two Plain Back tens. Both are of comparable grade. This note has seen heavy circulation, and displays minor edge nicks and a tiny internal tear. The signatures have faded, and the bottom margin is tight, but this rare note is fully intact and all printed features are bold. ***($1,500-2,000)***

Discovery Note - 1st and Only Reported Fifty

5285 **Ch.11564.** *Denver.* **Drovers NB. $50. Fr.683.** 1902 PB. No.B64364/710 B. **VG-F.** This note is new to the census, and joins four Plain Back fives and five Plain Back twenties. A fabulous name for a western institution. In business for only six years, this evocative title closed on Christmas Eve of 1924. Light reddish violet signatures remain legible, and despite the rigors of time, wear and soil, this unique, historic and exciting note sells itself. ***($4,500-5,500)***

5286 **Ch.8412.** *Eads.* **First NB. $20. Fr.1802-1.** 1929 T1. No.B000001A H. **Choice AU.** This very choice Serial Number 1 note came from a cut sheet which surfaced last year. While not rare, with 29 notes in the census, roughly half of which are twenties, this example is fully original, strongly embossed, and has great margins face and back. Only a partial horizontal bend keeps it from grading higher. ***($2,500-3,500)***

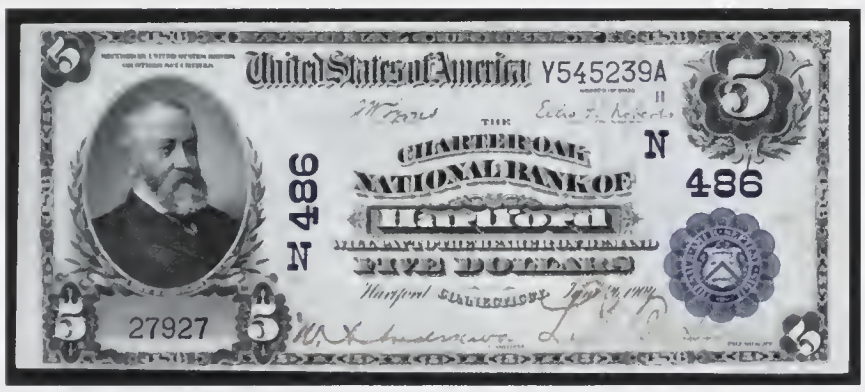
This note has honest circulation for the grade, bold and distinctive signatures, solid margins and color. ***($1,250-1,750)***



5288 **Ch.N486.** *Hartford.* **Charter Oak NB. $5. Fr.590.** 1902 DB. No.Y545239A/27927. **Choice Uncirculated.** One of only two uncirculated 1902DB $5s on the bank which liquidated in 1915. Finest Known 1865 Ace

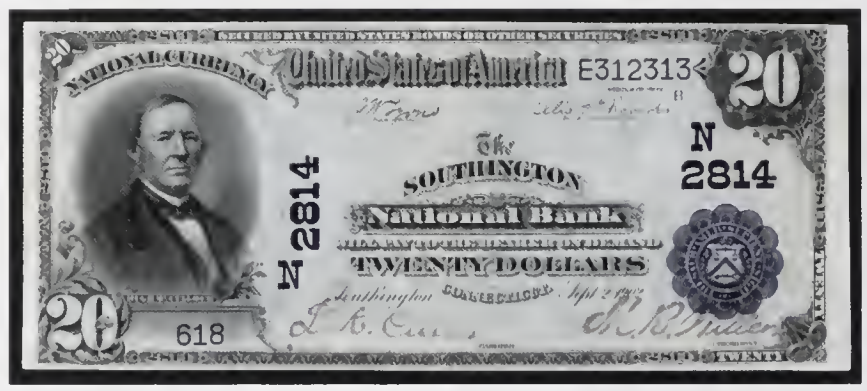
5290 **Ch.657.** *Norwich.* **Thames NB. $1. Fr.380.** Original Series. No.610661/7541 B. **EF.** While this early New London County bank is a prolific source of large size notes, this is the finest of the 1865 aces, and it is a beauty. Fine pen signatures, total originality, strong blue treasury serial, delicate Red Seal and bright red bank serial make this an aesthetic home run. ***($2,000-3,000)***



5291 **Ch.N2814.** *Southington.* **Southington NB. $20. Fr.642.** 1902 DB. No.E312313/618. **EF.** Only 4 large reported for this bank which liquidated in 1916. 5293 **Ch.5046.** *District of Columbia.* **Riggs NB of Washington. $10. Fr.1800-1.** 1929 T1. No.F011301A L. A decent circulated example of a common charter. No soiling or any defects. ***($100-150)***

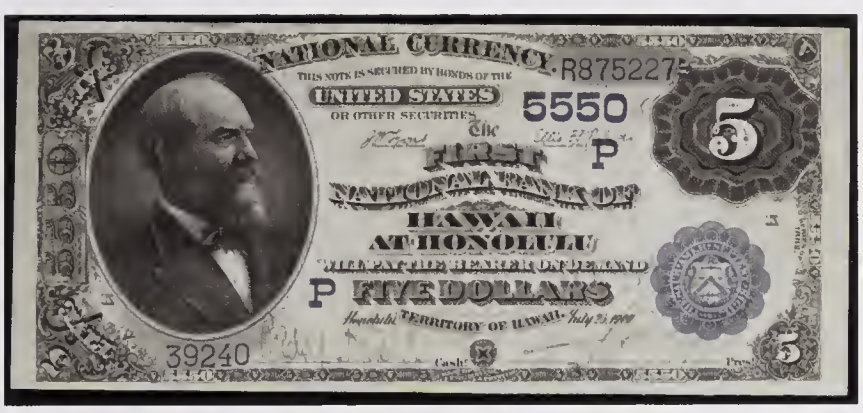
Hawaii

5294 **Ch.5550.** *Honolulu.* **Bishop First NB. $100. Fr.1804-1.** 1929 T1. No.E001671A K. **Fine.** Five banks issued in Hawaii, and this is the only charter issuing small size. There never seem to be enough of a supply of Hawaii hundreds to go around. The vast majority of the 66 recorded to date are in the same class, grade-wise. Highly popular. ***($750-950)***



5295 **Ch.P5550.** *Honolulu.* **First NB. $5. Fr.477.** 1882 VB. No.R875227/39240 K. **VF-EF.** A bright, crisp unsoiled 1882 Hawaii Value Back! Perfectly centered. Slightly faded stamped signatures but still visible. Lightly pressed but still a wonderful note. Not particularly rare, with 36 $5s recorded in Track & Price, but the demand always far exceeds the supply of this Hawaii charter. ***($3,000-5,000)***

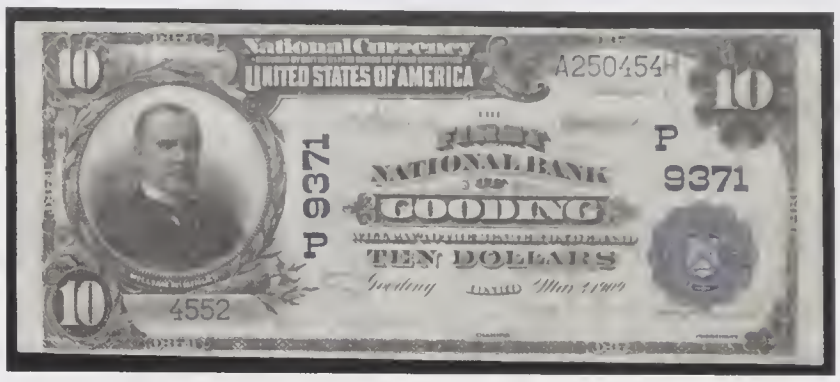
Idaho



5296 **Ch.P9371.** *Gooding.* **First NB. $10. Fr.626.** 1902 PB. No.A250454H/4552 C. **VF.** From Gooding County in the lower tier of this scarce state, this note is the best of only two reported tens, and the second finest note on this bank, which liquidated before its first charter period was complete. Still crisp, with faded but legible signatures, and strong colors despite a possible light pressing. Unusually well centered.
The strong visual appeal of this note, its own rarity and rank within the grade census, and the very strong demand for Idaho charters should combine to generate significant interest in this rarity. ***($3,500-5,000)***

5297 **Ch.P8370.** *Nampa.* **First NB. $20. Fr.652.** 1902 PB. No.Y864214B/1575 B. **EF.** The highest grade note in the census for the first of three institutions chartered in this Canyon County locale in southwestern Idaho. Only five large notes are known on the bank, which went into receivership in June of 1923; only two are twenties. This note is bright, crisp, bold in color, well embossed, and the purple stamped signatures are clear and distinctive. Despite a tight lower margin and a couple of edge nicks, far and away the condition census for the bank. A significant opportunity. ***($5,000-6,000)***

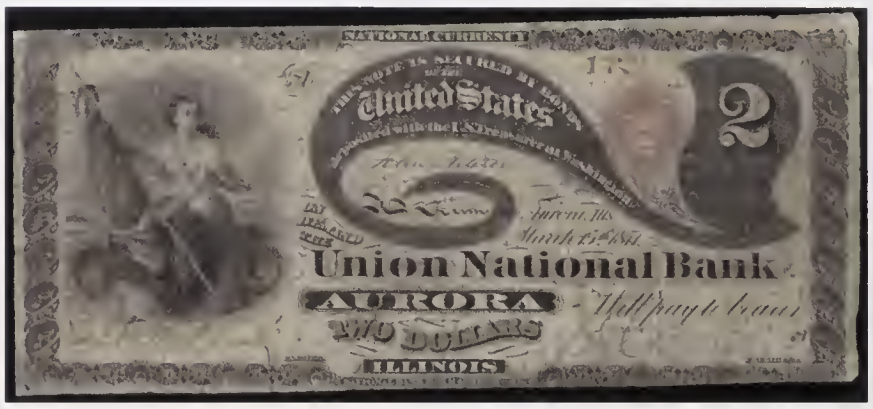
Illinois

5298 **Ch.8429.** *Albion.* **First NB. $5. Fr.1800-1.** 1929 T1. No.F000526A L. **Fine.** While this bank is easily found in large size [18 notes recorded], it is surprisingly rare in small, with only 4 notes recorded. This example is one of a mere two fives known. Problem free, and evenly circulated, this note, in our opinion, is deceptively ***rare.*** ***($600-900)***

5299 **Ch.M1428.** *Alton.* **Alton NB. $10. Fr.613.** 1902 RS. No.X837447/1636 C. **F-VF.** Presses rolled to give us the 120 large size notes recorded on this Madison County institution, over 100 of which are 1865 Original Series, but this is the ***one and only*** Red Seal ten. There is a mate to it, a Red Seal twenty, but the total Red Seal population stands at two notes on this bank. Despite ample time in circulation and the most negligible of acquired soiling, the note retains strong paper body, bright colors, and the most elegant of penned signatures. Some tightness in the upper margin hardly seems worthy of mention. Very rare, quite beautiful, and highly desirable. ***($2,000-3,000)***

5300 **Ch.M5188.** *Alton.* **Citizens NB. $10. Fr.632.** 1902 PB. No.V551370/7915 A. **Fine.** Fairly common type with 35 large reported. Heavily circulated, aged, and with several pinholes. Undamaged with visible stamped signatures. ***($125-175)***

5301 **Ch.6359.** *Atwood.* **First NB. $20. Fr.1802-1.** 1929 T1. No.B000032A H. **VF.** With only 10 small size notes recorded, this is a surprisingly scarce item. From the sole issuer in this Piatt County town, it is made particularly desirable when one considers that 8 of the 10 are twenties, and that this is the ***best*** of the twenties. Well centered, clean, and problem free. ***($600-900)***



5302 **Ch.1792.** *Aurora.* **Union NB. $2.** No.C338951/1722 A. **VG.** Exceedingly rare Charter with only three reported large size, all 1865 type. The last reported appearance of this Charter was in the October 1983 Hickman sale, where this Lazy Deuce sold for $376! Expect it to hammer somewhat higher this time. Except for some pinholes, the note has no problems- only age and circulation. ***($4,000-6,000)***

5303 **Ch.M4829.** *Bement.* **First NB. $10. Fr.628.** 1902 PB. No.E384044E/1092 B. **Fine.** From a miniscule town in Piatt County, this is an exquisitely rare Illinois note. There are only three large notes in the census, and this is the only Plain Back ten. Evenly worn with typical back soiling, some margin wear and nicks, but totally presentable for the grade, and enhanced by the dandy brown penned signatures. ***($2,500-3,500)***

5304 **Ch.11895.** *Braidwood.* **First NB. $10. Fr.633.** 1902 PB. No.Z191512H/1690 C. **VF, pressed.** From Will County, adjacent to Chicago's Cook County, this bank is represented in the census by only four notes, all of which are Plain Back tens, and none of which are reported as better than this example. In addition to great margins and splendid centering within them, the note is fresh and bright for a circulated piece. No soiling and truly marvelous signatures, the Cashier's in dramatic turquoise, and the President's in crisp black. ***($2,500-3,500)***

5305 **Ch.7598.** *Carbondale.* **Carbondale NB. $10. Fr.624.** 1902 PB. No.9227 D. **Choice VF.** Scarce bank with only 6 large reported - now 7 with this one being new to the census. Fresh, bright and crisp. Totally original and the *finest large size 1902PB* seen to date. ***($750-1,000)***

5306 **Ch.M3102.** *Chicago.* **Calumet NB. $10. Fr.613.** 1902 RS. No.T51042/3167 C. **Fine.** Originally chartered as a South Chicago bank, this is the second title for the institution, and one of only four Red Seals on the bank, three of which are tens. All the reported Red Seals are generally in the same grade. This note has great deal of color to it despite its travels, including strong blue serials, bright Red Seal, district letter and charter number, and very similar, delicate brown ink hand signatures. ***($750-1,000)***

5307 **Ch.M2601.** *Chicago.* **Chicago NB. $10. Fr.490.** 1882 BB. No.B933538B/2182 C. **F-VF.** This bank issued Series of 1875 notes and Brown Backs only. This lovely ten is new to the census, bringing the total known population to only six notes. This is the second 1882BB ten. Very good color and overall quality of the note's features. There is a small hole at the center of the note where the folds meet [visible when backlit], and the expected soiling along the folds. Lovely pen signatures, a bold one in a deep blue, the other a fine, disciplined hand in brown. Splendid overall note. ***($2,500-3,500)***

5308 **Ch.12227.** *Chicago.* **Douglass NB. $5. Fr.608.** 1902 PB. No.77639. **Gem Uncirculated. Uncut Sheet of Four,** 5-5-5-5, Plate Positions E, F, G and H. A superb uncut sheet from a bank whose historical signicance is enhanced by its black ownership, highly unusual given the times. Track and Price report six uncut four-subject sheets of 1902PB fives. The notes appear through the holder to be virtually perfect. Encased PMG66 EPQ. ***($10,000-Up)***

5309 **Ch.M3698.** *Chicago.* **Fort Dearborn NB. $5. Fr.469.** 1882 BB. No.N663832N/30639 K. **VF.** Named for historic Fort Dearborn, begun in 1803 and completed in 1804, and named in honor of the country's secretary of War. While not a particularly scarce bank, this note is at the high end of the grade spectrum, with only 2 of the 12 Brown Backs recorded reported as better than this example. A bright note with an overall pleasing appearance, this note has multiple folds which have been partially obscured by a pressing at some point in its past. Nonetheless, more than legible fine brown ink signatures, and splendid margins. ***($1,000-1,500)***

5310 **Ch.4605.** *Chicago.* **NB of the Republic. $20. Fr.654.** 1902 PB. No.306393 H. **VF-EF.** Crisp, fully original, and embossed. Bright, bold colors and signatures. A common type but surprisingly there are only a couple of large-size $20s in the census that grade higher than this one. ***($250-350)***

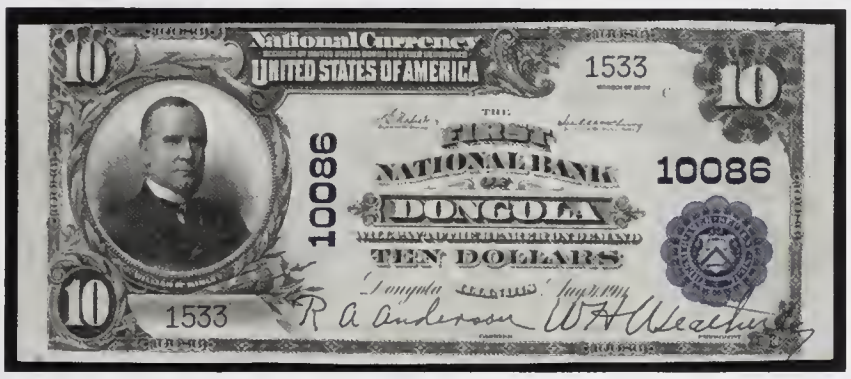
5311 **Ch.4605.** *Chicago.* **NB of the Republic. $20. Fr.654.** 1902 PB. No.150485 F. **Fine.** A second, lower grade example of the same type as in the previous lot. The same Cashier but different President signatures. Heavy folds and an upper margin edge nick. ***($150-200)***

5312 **Ch.4605.** *Chicago.* **NB of the Republic. $20. Fr.1802-1.** 1929 T1. No.A019380A A. **EF-AU.** A crispy small size type for Charter 4605. Bold and bright. ***($100-150)***

5313 **Ch.5630.** *Cobden.* **First NB. $20. Fr.1802-1.** 1929 T1. No.C000125A I. New to the census which brings the total small size on this bank to only seven. Crisp and original. ***($400-600)***

5314 **Ch.M2702.** *De Kalb.* **First NB. $20. Fr.650.** 1902 PB. No.K302624H/5682 B. **VF.** Second title. Relatively scarce Charter with only 10 large size reported in Track & Price. This note is new to the census and is the *only reported* $20 1902PB. Bright, crisp and original with bold colors and signatures. Unfortunately, the note has an upper right margin tear, otherwise it would be very choice. ***($600-900)***

5315 **Ch.4920.** *Decatur.* **National Bank. $20. Fr.654.** 1902 PB. No.40734 A. **Fine.** A couple of pinholes, otherwise a problem-free heavily circulated Decator note. Good colors and visible signatures. ***($200-300)***



5316 **Ch.10086.** *Dongola.* **First NB. $10. Fr.628.** 1902 PB. No.1533 C. **Choice VF.** A small village bank in the far SW corner of the state that issued only 1902DBs and PBs. None of the former is known and this note brings the *total known to only three*, all 1902PD $10s. A bright, original note with dark signatures. Tight top left margin. ***($750-1,000)***

5317 **Ch.11039.** *Edwardsville.* **Edwardsville NB & Trust. $10. Fr.1800-1.** 1929 T1. No.F003153A L. **F-VF.** Problem-free well circulated note on a common bank for small size. ***($100-150)***

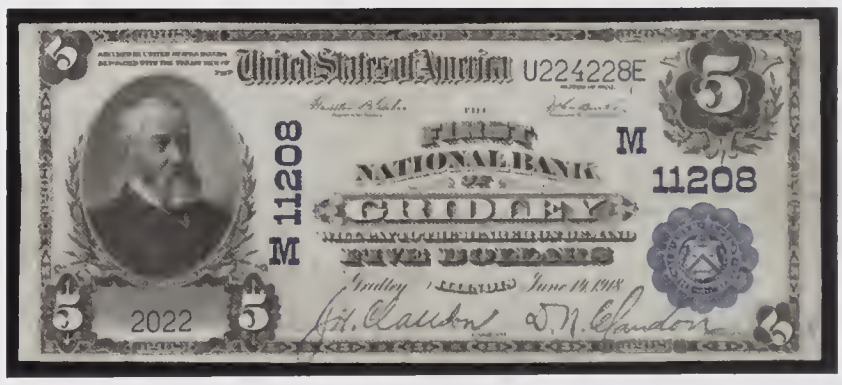
5318 **Ch.M9406.** *Gardner.* **First NB. $10. Fr.626.** 1902 PB. No.D305899E/3567 A. **Fine.** From Grundy County in the northeast part of the state. Chartered in 1909, this bank issued blue seals and small size only. This note is well-circulated but problem-free with a pinhole at right of McKinley's portrait. ***($750-950)***

5319 **Ch.1841.** *Greenville.* **First NB. $5. Fr.399.** Original Series. No.H395138/1860 A. **VF.** From southern Illinois' Bond County, issued by a bank which ceased operations in early 1883, this is a lovely and very rare note. Issuing only Original and 1875 Series notes, a total of four notes show up in the census, this being one of only two 1865 Original Series fives. Crisp and boldly inked, with distinct fine pen signatures, strong margins for this issue and good color. But for some aging to the paper and pinholes, this has the eye appeal of a higher grade. ***($2,500-3,500)***



5320 **Ch.M11208.** *Gridley.* **First NB. $5. Fr.606.** 1902 PB. No.U224228E/2022 C. **About VF.** There are only two "Gridley" charters in the United States, and both are quite rare. The current example comes from a small and rare bank which issued only Plain Back fives and tens during its five year existence before liquidating in early 1923. Amazingly, a quintet of notes survive, but this is the only five. The "other Gridley" is a small town in northern California, whose bank is represented by only two notes. This note is tied for best amongst the known Plain Backs. It displays some crispness, bright colors, and best of all, the nepotistic signatures of J.H. and D.N. Claudon. ***($2,000-3,000)***

5321 **Ch.6653.** *Highland.* **First NB. $5. Fr.598.** 1902 PB. No.21028 G. **VF.** While not terribly rare, this note from Madison county is well-margined and problem free, and with color and margins to boot. Light but legible purple signatures add to the appeal. ***($450-550)***

5322 **Ch.M1882.** *Joliet.* **County NB. $10. Fr.485.** 1882 BB. No.R849254B/12062 B. **VG.** This note has two special sources of appeal for specialists - the charter number [1882] matches the type [82BB], and for those with an eye for institutions of incarceration, Joliet has some history. This institution reports 35 large notes, but only 8 are Brown Backs. This note evidences significant but honest wear, with some hard folds and aging on the lower half of the note, but it is all there with better than average margins. ***($500-650)***

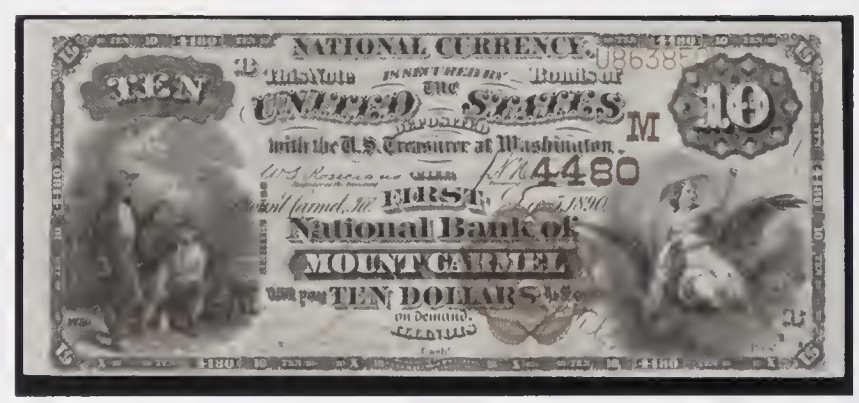
5323 **Ch.M4342.** *Kankakee.* **City NB. $10. Fr.627.** 1902 PB. No.A485633E/11111 C. **F-VF.** For serial number fanciers, this Plain Back carries a great one, and despite soiling on the right 1/3 of the note, apparently from improper storage or having been carried about, the paper retains much original body and the stamped black signatures are distinctive. ***($450-550)***

Only Date Back Known

5324 **Ch.M1793.** *Kankakee.* **First NB. $5. Fr.532.** 1882 DB. No.E180791/1349 H. **About VF.** The first of two banks chartered in Kankakee, and this sale has one of each. This note is by far the rarer, insofar as while there are only 8 notes in the census, this is the only Date Back known. It faces up fresh and bright, with evidence on the back of being carried in a wallet for some time. Three hard vertical folds, but with a crisp feel to the paper. ***($1,000-1,500)***

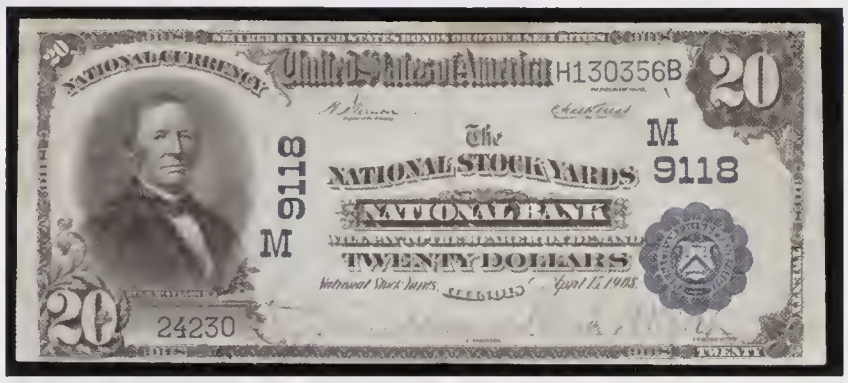
5325 **Ch.2313.** *Kirkwood.* **First NB. $20. Fr.658.** 1902 PB. No.U995302H/4590 A. **VG-F.** Relatively scarce Charter with only 12 large size in the census. This note is new to the census and represents *the only* 1902 $20. Fully intact without problems, but the note is heavily circulated. The signatures have faded. ***($250-450)***

5326 **Ch.2205.** *Monmouth.* **Second NB. $50. Fr.1803-1.** 1929 T1. No.E000115A K. **VF.** Eight of the thirteen notes reported on this bank are 1929 T1s. This note is new to the census and brings the total to nine. Appears from outside the holder to have the texture of paper we associate with the grade, but with some soiling. PMG20. ***($250-350)***



5327 **Ch.M4480.** *Mount Carmel.* **First NB. $10. Fr.485.** 1882 BB. No.U863850U/3367 B. **AU.** One of only two Brown Back tens reported on this bank from southeastern Illinois' Wabash County. Fresh, bright, and crisp, and looks and feels uncirculated at first encounter. Despite a subtle centerfold, a vertical bend, and a partial horizontal fold, the originality and quality of the paper make anything less than an AU grade unduly conservative. ***($2,500-3,500)***

5328 **Ch.3839.** *Mount Pulaski.* **First NB. $5. Fr.600.** 1902 PB. No.11761 E. **Gem Uncirculated.** While not a rare bank, this example from a single institution Logan County town is totally original, has blazing color and embossing, and pleasing stamped signatures. Other uncirculated notes are noted in the census, but this has to be one of the finest. ***($1,000-1,500)***



5329 **Ch.M9118.** *National Stock Yards.* **National Stock Yards NB. $20. Fr.644.** 1902 DB. No.H130356B/24230 A. **VF.** Great title for cowboy mavens and red meat eaters, which issued only 1902 DBs, of which 15 are known today. However, this note is one of only two twenties, and is tied for finest known of all the notes extant. A crisp note with visible original embossing, only minor margin soiling and light fold lines keep this from a better grade. It is difficult to gauge the eventual price of this on today's market, given the superior grade and the fact that demand for the Stock Yards title consistently outstrips supply. We'll say... ***($1,000-1,500)***

This is the ***only*** Date Back in the census. Despite heavy circulation and a small [3/8"] tear in the lower left margin, the text and other design features of the note have stood time well, and incredibly, the delicate turquoise signatures are quite clear. Indiana

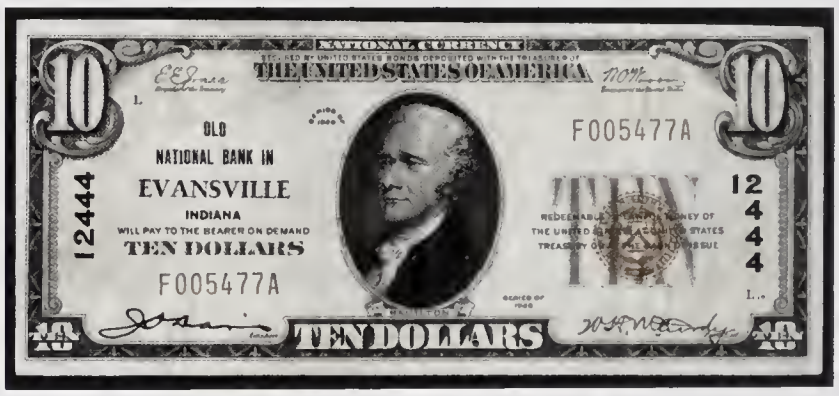
5341 **Ch.M6509.** *Auburn.* **City NB. $10. Fr.613.** 1902 RS. No.A428146/1 A. **About VF.** Serial #1. The first note issued by this northeastern Indiana bank, bearing position letter "A." This is really an EF note with some problems. Despite three hard folds, some tears along the upper and lower margin folds, and a small piece missing from the lower left, this note has great color, crisp paper, top selvage [folded over], sharp brown pen signatures, and historical significance going for it. One of only two Red Seals on the bank, but unique as a #1. *($12,500-Up)*



5342 **Ch.12444.** *Evansville.* **Old NB. $10. Fr.1801-1.** 1929 T1. No.F005477A L. **EF.** A common note, with over 50 small size Type 1's in the census. However, only one 1929 T1 ten grades better than this crispy original note with three light folds and excellent centering. *($150-250)*

5343 **Ch.8031.** *Fort Wayne.* **Fort Wayne NB. $1. Fr.380.** Original Series. No.C679211 C. This is *one of only two reported* notes on this Fort Wayne bank, both of which are 1865 Aces. This note has heavy circulation and is limp, but the colors and printing remain remarkably bright. Even the penned signatures are clearly visible. Some scattered micro-pinholes but no tears or repairs. Overall, an attractive example of this rarity. *($5,000-Up)*

5344 **Ch.3967.** *Franklin.* **Citizens NB. $5. Fr.470.** 1882 BB. No.Z8683286/2343 B. **VG.** This is the *only known* $5 Brown Back on the bank. The note has no holes or tears, but it is scuffed and faded, particularly on the back. Signatures remain clearly visible. Not the most desirable condition, but this is all there is for Brown Back collectors. *($750-1,250)*

5345 **Ch.M6513.** *Indianapolis.* **Union NB. $5. Fr.587.** 1902 RS. No.T657274/9514 A. **VG-F.** New to the census, this state capital Red Seal brings the number of recorded Red Seals to six. Fully intact with some scattered pinholes and aging, this is comparable to the grades of the other notes observed. *($750-950)*

5346 **Ch.930.** *LaFayette.* **National State Bank. $2. Fr.390.** 1875. No.B324551/1447 A. **VG-F.** New to the census and now one of only four known Lazy Deuces on this bank. All about the same grade. This one is well-circulated with scattered pinholes and a couple of small stain spots on the front. No tears or damage. Printing remains bold and signatures are still visible. *($2,500-3,500)*

5347 **Ch.5076.** *Logansport.* **City NB. $10. Fr.632.** 1902 PB. No.22080 C. Fairly common Charter with about a dozen 1902 $10PBs reported. Heavily circulated and soft paper but, other than a tiny lower margin tear, no damage or other problems. Stamped signatures are still bold. *($300-500)*

5348 **Ch.701.** *New Albany.* **First NB. $1. Fr.380.** Original Series. No.88143/881 A. **Fine.** Scarce note and new to the census. Brings the total reported large size to only eight with five 1865 Aces. Bold printing and signatures. Nice paper quality, but there is a half-inch tear in the top margin along the fold line. *($1,250-1,750)*

5349 **Ch.9852.** *New Castle.* **Farmers and First NB. $50. Fr.1803-1.** 1929 T1. No.B000421A H. **VF.** Nice circulated example of this high denomination small-size National. Not scarce with 15 reported but above average grade. Clean and crisp. *($400-600)*

5351 **Ch.47.** *Terre Haute.* **First NB. $10. Fr.624.** 1902 PB. No.78143 D. **Choice VF.** Bright crisp original with legible black stamped signatures. Tight top margin. A very nice circulated type. *($200-300)*

5352 **Ch.M7922.** *Terre Haute.* **McKeen NB. $10. Fr.625.** 1902 PB. No.H488031E/39379 D. **Choice VF.** Another Terre Haute Charter. Stamped with signature of President, S. C. McKeen. Lovely, original bright note with a tight top margin. *($250-350)*

5353 **Ch.M6251.** *Tipton.* **First NB of Tipton. $5. Fr.587.** 1902 RS. No.B54789/3132 D. **VF.** From central Indiana, this bank is well represented in the census by five Red Seals, four of which are five dollar notes [there are two uncirculated Serial # 1's]. This example is essentially an EF with hard folds, which have led to some splitting in the area of the margins. The note displays good color, crisp paper, and elegant, ornate signatures. *($1,500-2,000)*

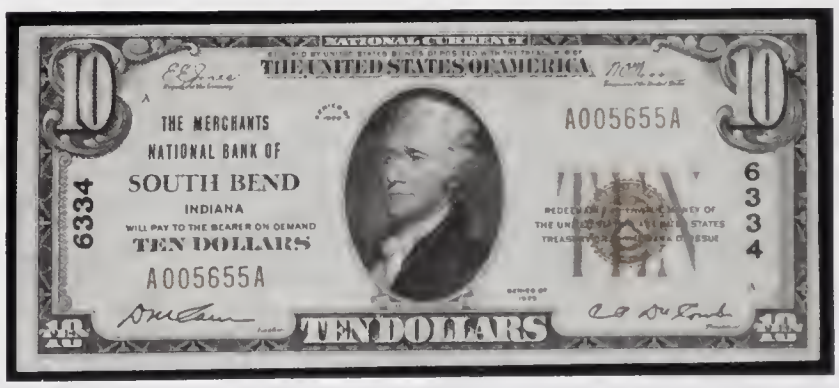
Regarding the Exploits of John Dillinger

5354 **Ch.2896.** *Green Castle.* **Central NB. $10. Fr.1801-1.** 1929 T1. No.B002368A B. **Fine.** This and the ten lots which follow comprise a group of small size notes amassed by a midwestern collector, from banks robbed by John Dillinger during his heyday. We cannot certify whether these examples were part of his "take," but we also cannot say they were not. Grouped here by virtue of the concentration of Indiana notes in the cluster, but from various midwestern states. Green Castle is in west central Indiana, in Putnam County. Twenty three small size Type 1 tens have been reported. Robbed October 23rd, 1933. *($150-225)*

5355 **Ch.2896.** *Green Castle.* **Central NB. $20. Fr.1820-1.** 1929 T1. No.D000364A J. **VF.** Small size Type 1 twenties total 39 at present. This nice addition has a light clip stain, but no other issues. Robbed October 23rd, 1933. *($160-240)*

Discovery $5 for the Bank

5356 **Ch.5278.** *Montpelier.* **First NB. $5. Fr.1800-1.** 1929 T1. No.F000827A L. **Fine.** From Blackford County in East Central Indiana. Nine small size notes in the census, none of whch are fives. **Discovery note.** A better than Fine note grading net fine due to some foxing, most pronounced below Lincoln's portrait. A prize for the Indiana collector. Robbed August 4th, 1933. *($750-1,250)*



5357 **Ch.6334.** *South Bend.* **Merchants NB. $10. Fr.1810-1.** 1929 T1. No.A005655A A. **Choice Uncirculated.** In St. Joseph's County, in the far north portion of the state. While there are 42 notes in the census, they are not all like this one. Totally original sheet-fresh paper, with healthy to large margins. Claims to Gem with better centering. Robbed June 30th, 1934. *($400-550)*

5358 **Ch.13531.** *East Chicago.* **First NB. $20. Fr.1820-2.** 1929 T2. No.A000067 G. **VF.** In Lake County. Reasonably available in small size, with 37 small size reported, but there only three Type 2 twenties recorded. Extremely well-margined at bottom for an "A" position note, and problem free. The first of two consecutively granted East Chicago charters [see next lot]. Robbed January 15th, 1934. *($175-250)*

5359 **Ch.13532.** *East Chicago.* **Union NB of Indiana Harbor. $20. Fr.1820-2.** 1929 T2. No.A001048 J. **VF.** As noted, the second of two East Chicago banks consecutively chartered, with eerily similar issuance patterns, and outstandings at close. This bank is also adequately represented in the census, with 45 small size reported, but again, only three Type II twenties are recorded. This note's minor pinholes at left, two with minor adjacent rust, make this note grade a net VF. It has the margins and paper quality of a half grade higher. Pleasing nonetheless, and with a picturesque title. No robbery information available, but included as part of this group. *($275-400)*

5360 **Ch.2574.** *Mason City.* **First NB. $10. Fr.1810-1.** No.F004204A L. **EF.** Census totals 36 Type 1 tens for this northern Iowa "Dillinger Bank." Complete originality and naturally bright surfaces enhance. Robbed March 13th, 1934. *($75-100)*

Ex: Hickman & Oakes, March 26, 1982.

5361 **Ch.2574.** *Mason City .* **First NB. $20. Fr.1820-1.** No.F000979A F. **VG.** A lower grade but problem-free for grade example. Robbed March 13th, 1934. *($60-100)*

5362 **Ch.11573.** *Bluffton.* **Citizens NB. $5. Fr.1801-1.** 1929 T1. No.E000804A K. **Fine.** From northwestern Allen County, a better Ohio bank, with only 14 small size, 11 of which are Type I fives. This example is a problem-free and well-centered. Robbed August 14th, 1933. *($200-300)*

5363 **Ch.10592.** *Sioux Falls.* **Security NB and TC. $20. Fr.1802-1.** 1929 T1. No.B001029A H. **EF.** From Minnehaha County. A very snappy, original, bright and well-margined double saw, one of 43 in the current census with this, the second title. Robbed March 6th, 1934. *($150-225)*

5364 **Ch.10592.** *Sioux Falls.* **Security NB and TC. $20. Fr.1802-1.** 1929 T1. No.E001564A E. **VF.** Similar to the previous lot; better margins, more wear, but still unassailably presentable and problem-free. Robbed March 6th, 1934. Last note in Dillnger grouping. *($100-150)*

John Herbert Dillinger died July 22, 1934.

5365 **Ch.9306.** *Council Bluffs.* **City NB. $20. Fr.626.** 1902 PB. No.20537 A. **Choice-Gem Uncirculated.** A Council Bluffs beauty. A fresh original with Gem paper quality and only somewhat tight margins. Equal in quality to the finest reported. *($450-650)*

5366 **Ch.4566.** *Fort Dodge.* **Commercial NB. $20. Fr.653.** 1902 PB. No.17526 A. **VF-EF.** A Western "Fort Dodge" title with a dozen $20 1902 PBs reported. Legible but partially faded purple stamped signatures. Crisp and original, although the paper shows some aging. *($300-500)*

5367 **Ch.M3124.** *Sioux City.* **Security NB. $20. Fr.639.** 1902 RS. No.B547745/828 A. Popular for its Native American title, this bank is widely available to collectors in large size, but not so in the Red Seal department. Only four Red Seals are reported and this is the only twenty, and it is a dandy. Sharply printed, with bright seal and devices on the face, this note also derives plenty of its personality from the signatures. There is trivial handling on the face, a mild effort to remove soil from the back is evident upon inspection, and the facing lower margin could be better. Nonetheless, a rare and lovely Red Seal with significant appeal. *($1,250-1,750)*

5368 **Ch.M1880.** *Tama.* **First NB. $10. Fr.628.** 1902 PB. No.X180826B/2689 B. **VG-F.** Second title with 9 large size reported in Track & Price. This one makes 10, with five 1902PB $10s now known. Heavily circulated but with no defects. Blue signatures remain remarkably bright. Tama was named after a Fox Indian chief. *($500-750)*

5369 **Ch.M2910.** *Waterloo.* **Commercial NB. $10. Fr.616.** 1902 DB. No.K410284B/13858 F. **VG-F.** Heavily circulated with creases and some soiling. A tiny hole in the center, otherwise no tears or damage. Signatures clear, although that of the Cashier is partially faded. *($250-350)*

5370 **Ch.5104.** *Alma.* **Alma NB. $20. Fr.658.** 1902 PB. No.2399 A. **VF-EF.** Now part of the Topeka metro area, Alma is reliably believed to have been named after a stream in the Ukraine. Represented by a mere ten notes in the census, seven of which are Plain Backs, this is the better of the two twenties, and is tied for finest known with one of the tens. Fresh and crisp with ample margins, one strong signature and the other purple and delicately legible, this note's overall appearance belies its four vertical folds, a light horizontal fold and a corner fold. *($500-750)*

5371 **Ch.W3066.** *Concordia.* **First NB. $50. Fr.667.** 1902 DB. No.A800918/448 D. **VG.** An extremely rare note, one of a total of three large notes reported, and one of only two fifties. Concordia, located in north central Kansas, is well known as the location of a camp for thousands of German POWs detained in World War II. This note has more paper body than the grade might suggest, and has some light staining and nibbling at the lower margin. One signature remains vivid. *($2,500-3,000)*

5372 **Ch.W7532.** *Delphos.* **First NB. $20. Fr.650.** 1902 PB. No.H92996D/1792 B. **EF-AU.** Collectors are the beneficiaries of healthy survival rates for high grade notes from Delphos such as this one. Excellent margins and centering, fresh and bright printing, the lightest possible centerfold and a couple of light bends make this a choice item. *($750-950)*

It is fully original, has great embossing, luxurious margins, and perfect centering. If the signatures were still vibrant, this note would be a Gem. This bank reports 11 Brown Backs; five are fives; all are Uncs. This is the only issuing bank in Reno County. *($3,000-4,000)*

5374 **Ch.4592.** *Independence.* **First NB. $10. Fr.1801-1.** 1929 T1. No.F000009A F. **F-VF.** Third title with only 9 small in census. This one with low serial number 9 is new to the census. Honest circulation with light stains on back. *($150-250)*

5375 **Ch.W5287.** *Iola.* **Northrup NB. $10. Fr.633.** 1902 PB. No.X321944D/562 A. **Fine.** One of three 1902 ten dollar Plain Backs reported. Moderately heavy circulation for the grade, but the signatures are still legible, and there is a partial blue stamp on the reverse. *($350-450)*

5376 **Ch.8142.** *Ness City.* **National Bank. $20. Fr.1802-1.** 1929 T1. No.C000098A I. **Fine.** A rare, First Title charter for a puny town on the prairie of Western Kansas. Most famous for its 4-story downtown bank built in the 1890s, known as the "Skyscraper of the Plains." Only four small size in the census and this one makes it five. A slightly aged but problem-free example. *($1,000-1,500)*

5377 **Ch.W8162.** *Troy.* **First NB. $10. Fr.614.** 1902 RS. No.R17808/283 A. **VG-F.** Heavily travelled but only honest wear on this very rare Red Seal from a scarcer charter in the northeast corner of Kansas. While this bank is well-represented in the T & P census with 10 large notes reported, only two are Red Seals, and both are tens of about the same conservation. Pres. Henry Boder Jr.'s signature remains vivid, but both are legible, and the note's color elements are strong. *($2,000-2,500)*

A pinhole at the center must be noted for accuracy, but does not detract. *($1,500-2,000)*

No.14808 A. **EF.** While 8 large size notes are reported for this bank, all of which are PB tens, this is far and away the finest; the best of the rest reports in at Fine. First Reported Ace – New To Census

5381 **Ch.2323.** *Flemingsburg.* **Fleming County NB. $1. Fr.383.** 1875. No.B31113/1709 B. **VF.** An extremely rare note from an institution which went out in early 1889; the grade and survival of this note are impressive acheivements. Only three notes are known on this institution; this is the first, and likely only, ace. While technically grading a VF, this note has the freshness, bright color and devices that make one want to grade it an EF in the holder. Elegant and meticulous pen signatures. Highly desirable, and a lovely piece. *($5,000-6,000)*

5383 **Ch.906.** *Lexington.* **First NB & TC. $20. Fr.1802-2.** 1929 T2. No.A116862. **Gem Uncirculated.** Very common Third Title variety but finest quality. Graded PMG66 EPQ, which is the highest grade given to any T2 1929 National. *($300-500)*

5384 **Ch.1831.** *Nicholasville.* **First NB. $10. Fr.1800-1.** 1929 T1. 5387 **Ch.5157.** *Lake Charles.* **Calcasieu NB. $10. Fr.490.** 1882 BB. No.U690103/598 A. **VF-EF.** A popular title, derived from the county in which Lake Charles is found. An exciting new development - not only is this note new to the census, but it is the finest known Brown Back on the bank. The hard vertical folds and a light pressing do not impair the eye appeal of this lovely item. Fine brown penned signatures only add to the appeal. *($4,000-5,000)*

One of 16 recorded small size sheets on this bank, an even dozen of which are Type II fives. The A-plate note has received some negligible margin handling, but this is otherwise a lovely and totally original sheet, with full embossing. *($3,000-4,000)*

Originality and embossing on this note are clearly visible through the holder, so the lack of an EPQ designation appears unjustified. However, the note's face is centered a little leftwards, to which we attribute the grade designation below Gem. PMG 64. *($7,000-Up)*

5390 **Ch.941.** *Portland.* **Canal NB. $5. Fr.1800-2.** 1929 T2. No.A000001-6. Uncut Sheet of Six. 5-5-5-5-5-5, Plate Positions A, B, C, D, E and F. This is the only uncut sheet of notes known on the bank, and it is the first sheet of small size Type II fives printed. In small size, the bank issued only fives. It appears that this sheet was quarterfolded lightly at one time, resulting in a light bend through the second subject and the fifth subject, with a fold between the third and fourth subjects. Totally original and desirable. *($6,000-Up)*

5391 **Ch.N2743.** *Bath.* **First NB. $5. Fr.587.** 1902 RS. No.R798349/7862 A. **VG.** Notes from this bank are not rare, but its Red Seals certainly are. Track and Price reports only three Red Seals, of which two, including this one, are fives. Heavily-circulated, but problem-free, save a pinhole, and plenty of brightness remains in the all-important red devices. *($1,500-2,000)*

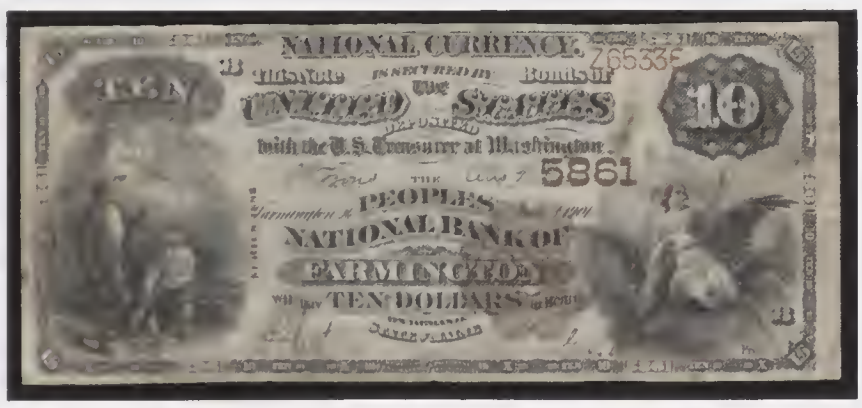
5392 **Ch.N7586.** *Belfast.* **City NB. $5. Fr.598.** 1902 PB. No.Z622142B/6506 G. **AU.** Embossing and originality jump out and margins are more than ample on this Waldo county winner. Pen signed by Alberta W. Farnum, this note has only a few diagonal and vertical bends keeping it from the Gem Uncirculated category. *($2,000-3,000)*

First 1882 BB to Appear



5393 **Ch.5861.** *Farmington.* **Peoples NB. $10. Fr.490.** 1882 BB. No.Z6533/69 B. **VG-F.** Previous to the appearance of this note, there were nine large notes known on this bank. This brings the total to ten, but this is the first Brown Back to appear. Despite scattered light stains and an area of transluscence above the charter number that should be inspected, this note is solid for the grade and both penned signatures are clear. *($2,000-3,000)*

5394 **Ch.N2312.** *Webster.* **First NB. $20. Fr.552.** 1882 DB. No.N945190 B. A bank known for high-grade 1882DBs with 26 $5s and 10 $10s in the census, but remarkably this is the *first reported DB$20.* The only other $20 of any kind, large or small, is an 1882BB. This note is a three-fold totally original piece with great embossing. *($1,000-1,500)*

5395 **Ch.193.** *Adrian.* **First NB. $1. Fr.382.** Original Series. No.D824001. **VG-F.** *One of only two known 1865 Aces* on this bank with a total of only four large reported. This one is heavily circulated and aged with some tiny internal holes, but it is fully intact with visible signatures. Last sold in our Spring 2001 auction for $1320. *($1,500-2,000)*

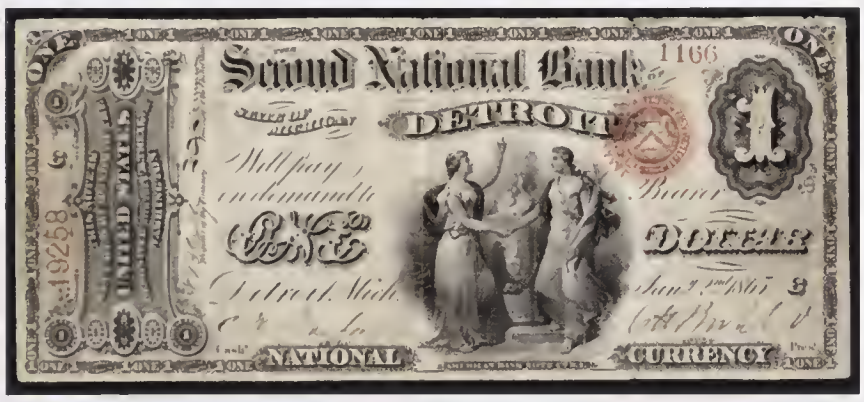
5405 **Ch.3457.** *Calumet.* **First NB. $5. Fr.599.** 1902 PB. No.31782 F. **VF.** "Calumet" is the Indian name for the clay bowl of a peace pipe, and the town was named after the Calumet and Hecla Mining Co. This charter issued both large and small size; both are fairly plentiful. This example is crisp with a bright and clean front but with three hard vertical folds. Some soiling shows along two fold lines on back. ***($250-350)***

5406 **Ch.3235.** *Cheboygan.* **First NB. $10. Fr.624.** 1902 PB. No.10588 E. **Fine.** Great title with only 8 large reported. Heavily-circulated and somewhat aged but nice for grade. No holes or tears, and signatures are clear. ***($1,750-2,250)***



5407 **Ch.116.** *Detroit.* **Second NB. $1. Fr.380.** Original Series. No.19258/1166. **VF-EF.** New to the census which brings the total known Original Series to 12. Of the six 1865 $1s, this is by far the finest known. Three hard vertical folds and a faint horizontal. A couple of tiny edge nicks, but the paper still has good body, nice color, and visible pen signatures. ***($2,500-3,500)***

5408 **Ch.10527.** *Detroit.* **First NB. $20. Fr.1802-1.** 1929 T1. No.C000001A I. **Superb Gem New.** Gigantic, unheard of margins on this totally original, fully embossed note. Almost freakish. There are 36 small size Type I twenties reported, a dozen of which are uncirculated, but this is a Serial #1. From a cut sheet. ***($7,000-Up)***

5409 **Ch.10527.** *Detroit.* **First NB. $100. Fr.1804-1.** 1929 T1. No.D000671A D. **Choice VF.** This institution proved an excellent source for small size notes, including the 25 small 100's in the census data. This note retains significant paper body, and is bright and original with strong embossing. One pinhole. ***($350-500)***

5410 **Ch.10527.** *Detroit.* **First Wayne NB. $50. Fr.1803-1.** 1929 T1. No.B003278A B. **EF.** One of the more prolific issuers of high denomination small size, with over 100 1929 T1 fifties recorded. This note, while technically an EF, is only a light horizontal fold and a partial diagonal crease away from being new. A small speck of blue ink in the upper margin is noted for accuracy. ***($250-350)***

5411 **Ch.M10073.** *Dowagiac.* **Dowagiac NB. $20. Fr.646.** 1902 DB. No.N568999B/2005. **VG.** Only known 1902DB $20 on this bank with 13 large in the census. Aged with margin stains and a small piece missing from the upper margin, otherwise fully intact. Not pretty, but it's the only one available. ***($500-750)***

5412 **Ch.14111.** *Gladstone.* **First NB. $20. Fr.1802-2.** 1929 T2. No.A0000066 F. **VF.** *One of only three known* notes on the bank. All are T2 $20s, and one in somewhat lower grade than this note sold for $4,025 earlier this year. Problem free with five folds. Very rare. ***($3,000-4,000)***

5414 **Ch.M2890.** *Grand Rapids.* **Old NB. $5. Fr.587.** 1902 RS. No.D949090/21430 C. **VG-F.** While not scarce, as $5 Red Seals from this bank numbered an even dozen before the appearance of this one, this note has been spared the soiling that plagues these early notes, allowing the clear pen signatures and color devices to come through. The note has signs of paper reinforcement or repair at the upper left and lower left corners, which appear to have been perfomed expertly. ***($600-900)***

5415 **Ch.9087.** *Hancock.* **Superior NB. $5. Fr.1800-1.** 1929 T1. No.A001689 C. **EF-AU.** A bank with over 50 small size reported, but surprisingly, this note is new to the census and is the *only T2 $5 known.* A fresh, crisp piece with two vertical folds and a corner tip bend. Original. ***($300-400)***

5419 **Ch.7676.** *Houghton.* **Houghton NB. $50. Fr.1803-1.** 1929 T1. No.C000143A I. **VF-EF.** A bank that issued several high denomination T1 notes. This one is representative of a group of reported F-VFs. ***($250-350)***

5420 **Ch.5789.** *Ionia.* **National Bank. $10. Fr.633.** 1902 PB. No.6066 B. **Fine.** One of a half dozen 1902PB $10s on this bank, all well-circulated. Some small edge nicks, otherwise problem-free. Strong stamped signatures. ***($150-250)***

5421 **Ch.14187.** *Ionia.* **Ionia County NB. $10.** 1929 T2. No.1800-2/A004907 K. **VF-EF.** A very scarce T2 with only 7 Small reported. This one is totally original, bright, and near perfectly centered. A couple of extra folds formally keeps it out of a full EF grade, but it certainly faces up to this grade. The finest known T2 $10, an AU, sold earlier this year for $3220. ***($1,750-2,250)***

5422 **Ch.14102.** *Iron River.* **Iron River NB. $5. Fr.1800-1.** 1929 T2. No.A011930 H. **VF.** About average grade amongst the 21 recorded on this bank, all of which are T2 $5s. No holes, tears or soiling. ***($350-450)***

5423 **Ch.6485.** *Ithaca.* **Ithaca NB. $5. Fr.598.** 1902 DB. No.5819 E. **VF.** Second finest known out of only 7 large size recorded for this bank. Crisp and bright with strong stamped signatures. Tight top margin. A half dozen lightly pressed folds. Quite attractive overall. Previously encased in a PCGS 20 holder. ***($1,250-1,750)***

5424 **Ch.4649.** *Plymouth.* **First National Exchange Bank. $5. Fr.472.** 1882 BB. No.M720179/1904 D. **Gem Uncirculated.** This bank issued only $5, $10, and $20 Brown Backs before liquidating in 1903. All the 37 notes recorded in the census are fives; while many are high grade, this is one of the finest. With excellent margins and centering, obvious originality and good color, this could arguably have received even higher marks. Graded PCGS65 PPQ. ***($3,000-4,000)***

5425 **Ch.3211.** *Kalamazoo.* **Kalamazoo NB & TC. $5. Fr.1800-1.** 1929 T1. No.C000442A C. **Fine.** Very scarce Second Title with *only four small size* reported, and all are T1 $5s. This one is heavily circulated but is problem-free. No tears or holes. ***($1,000-1,500)***

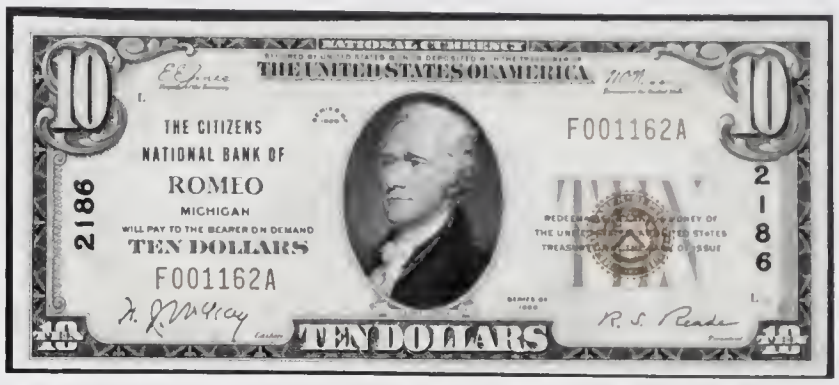
5426 **Ch.M359.** *Kalamazoo.* **Michigan NB. $20. Fr.642.** 1902 DB. No.H353321/923 B. **G-VG.** New to the census and only the second known 1902DB on this bank with 8 total large size now reported. Very scarce, but this note does take the prize for the lowest graded piece in the Nationals section of this sale. Actually it is intact with no major pieces missing, but it is badly aged, scuffed and has vertical and horizontal crimps that partially obscure the bank title. Only one sale for this Charter is reported in Track & Price, so this may be the only offering for quite a while. ***($250-400)***

5427 **Ch.264.** *Lansing.* **Second NB. $1. Fr.383.** 1875. No.A284559/210 C. **F-VF.** One of only two known Series 1875 on this State Capital bank with a total of four reported notes. Only recorded sale was for the other Series 1875 - a $5 note in about the same grade as this Ace, which hammered at $10,000 in 2005. Given its circulation, the piece has very good paper body and colors. The blue vertical wash is still visible, and the pen signatures are quite legible. A few trivial margin nicks but overall problem free with no holes or tears. A great note! ***($10,000-Up)***

5428 **Ch.8148.** *Lansing.* **Capital NB. $20. Fr.651.** 1902 PB. No.88783 D. **VF.** A nice, original State Capital title with crisp paper, good colors, and bold black signatures. Tight bottom margin and one pinhole. ***($350-500)***

5429 **Ch.12697.** *Mason.* **Dart NB. $5. Fr.1800-1.** 1929 T1. No.A002508A G. **Fine.** One of 11 small size recorded on this bank, 9 of which are T1 $5s. A solid circulated example with no problems. ***($600-800)***

5430 **Ch.13739.** *Pontiac.* **Community NB. $20. Fr.1802-2.** 1929 T2. No.A000155 E. **VG-F.** Heavily circulated example of this fairly common Charter. No holes or tears but the paper is aged. ***($125-175)***



5431 **Ch.2186.** *Romeo.* **Citizens NB. $10. Fr.1801-1.** 1929 T1. No.F001162A L. **Gem Uncirculated.** Gorgeous "loverly" title which is not particularly scarce but demand always outstrips supply, especially for one this nice. Fully original and embossed. ***($750-1,000)***

5432 **Ch.3547.** *Sault Ste Marie.* **First NB. $20. Fr.1802-1.** 1929 T1. No.C000332A I. **Choice-Gem Uncirculated.** A very common Charter with oodles of Uncs reported. This is one of the nicest. ***($450-550)***

5433 **Ch.3378.** *St. Johns.* **St. Johns NB. $20. Fr.1802-1.** 1929 T1. No.C000077A I. **EF.** Reported as an AU in its last sale in 2002 for $1,392, but cursory examination reveals it is at best a pressed three-fold EF with a couple of corner bends. Nonetheless, it has good eye appeal and is a very difficult title to find. Lowest reported serial number for any small size. ***($750-1,000)***

5434 **Ch.600.** *Three Rivers.* **First NB. $10. Fr.1800-1.** 1929 T1. No.E000001A K. **Choice-Gem Uncirculated.** A great name, great serial #1, and great condition. The trifecta for National banknote collectors. And a nice round Charter number to boot. Originally from the Don Gilletti Collection. ***($2,500-3,500)***

5435 **Ch.1826.** *Union City.* **Union City NB. $10. Fr.1801-1.** 1929 T1. No.E000266A K. **Fine.** Not a common Charter with only 13 small size recorded. This one is about average grade for the half dozen T1 $10s in the census. A decent Fine with some wear along the horizontal fold line. ***($300-400)***

5436 **Ch.10498.** *Watervliet.* **First NB. $10. Fr.1801-1.** 1929 T1. No.A000183A A. **F-VF.** An interesting name which is Dutch for "Flowing Waters." Apparently the town was originally named Waterford, but when a post office was established there in 1849 it was discovered that there was another Michigan city with the same name. Hence, the name was changed to Watervliet. Not a scarce Charter with about 30 small size reported. This is a solid circulated example with a small centerfold edge tear. ***($150-250)***

Minnesota

5437 **Ch.6803.** *Aitkin.* **First NB. $20. Fr.1802-1.** 1929 T1. No.F000099A. **Fine.** A rather scarce Charter, whose town is named after William Aitkin, a fur trader. Only 10 small in the census and this one makes it 11. Fine condition but with small hole damage at the left and some soiling on the back. ***($250-350)***

5438 **Ch.2567.** *Crookston.* **First NB. $5. Fr.405.** 1875. No.Y103099/4921 B. **Fine.** This is one of the two highest quality 1875 notes in the census. This and one other are the highest quality reported. Heavily circulated, limp paper but with bright red overprint and bold signatures. All the features are still legible. Two small corner tips missing from the top of the note. ***($3,000-4,000)***

5439 **Ch.12395.** *Cokato.* **First NB. $5. Fr.609.** 1902 PB. No.751 A. A very scarce Charter with a rather exotic name. ("Cokato" is Siouan for "In the middle"). New to the census which brings the total large size to only five. Problem-free circulation with no holes or tears. Three of the folds are hard. Faded signatures. Last reported sale of type was 10 years ago when a VG-Fine 1902PB $5 sold for $1,210. ***($1,000-1,500)***

5440 **Ch.9327.** *Duluth.* **Northern NB. $100. Fr.1804-1.** 1929 T1. No.E000745A K. **VF.** One of the most abundant sources of high denomination small size Nationals for Minnesota with over 30 T1 $100s in the census. This one is a decent circulated example with the remnant of a red bank stamp on the front. ***($200-300)***

5441 **Ch.1487.** *Red Wing.* **First NB. $20. Fr.1802-1.** 1929 T1. No.A000307A A. **VF.** The most common grade seen for this abundant title in small size. A no-problem circulated note. ***($150-200)***

5442 **Ch.6387.** *Sleepy Eye.* **First NB. $10. Fr.1801-1.** 1929 T1. No.D000137A D. **Fine.** Wonderful title, especially to a multi-lot auction cataloger. Demand is strong, even for problem-free, well-circulated examples like this one. ***($400-600)***

5443 **Ch.12073.** *Rosedale.* **Rosedale NB. $10. Fr.634.** 1902 PB. No.2088 A. **Fine.** A tougher charter for Mississippi collectors, this bank issued only Plain Backs. Of the four notes known, two are tens, and this is the better one. Wear consistent with the grade, perhaps more so at bottom left, but with strictly no problems, although the signatures have faded. This locale is the Rosedale referred to in, and south of, the legendary "Crossroads." ***($4,500-5,500)***

This one is fresh with brilliant color and printing. There's just too many teller counting marks, and it is centered a bit too low on the back, for a full Gem. ***($2,500-3,500)***

5445 **Ch.M8738.** *Kansas City.* **NB of the Republic. $5. Fr.589.** 1902 RS. No.N13087/10461 A. **VG.** A scarcer Kansas City charter with only 12 large notes reported, four of which are Red Seals. This is one of the two fives, and it is a pleasing VG, with some of the purple signatures remaining. The paper is soft, with a pair of trivial pinholes. ***($750-950)***

5446 **Ch.5002.** *St. Louis.* **Merchants-Laclede NB. $20. Fr.649a.** 1902 DB. No.N583302B/154 A. **Fine.** One of ony three recorded 1902DB $20s. Also, one of only three Date Backs with the Tehee-Burke signatures. A couple of tiny holes and some soiling, particularly on the back. ***($350-500)***

5447 **Ch.M5172.** *St. Louis.* **State NB. $10. Fr.545.** 1902 DB. No.E601412/17668 I. **VF-EF.** Very common title but this example is nicer than most of the over 30 reported 1882DB $10s. Four unobtrusive folds with considerable embossing still evident. Almost perfectly centered. Many would grade this a full EF. ***($500-750)***

5448 **Ch.12389.** *St. Louis.* **Telegraphers NB. $20. Fr.661.** 1902 PB. No.10797 A. **VG-F.** Neat title but not especially scarce. This one is heavily circulated with some small margin tears/nicks. Sharp, fine signatures. ***($150-250)***

A popular title, and a very rare bank, reporting only six small size examples. Despite the wear attendant to the grade, fully intact and problem free. Last seen in 1991. ***($750-Up)***

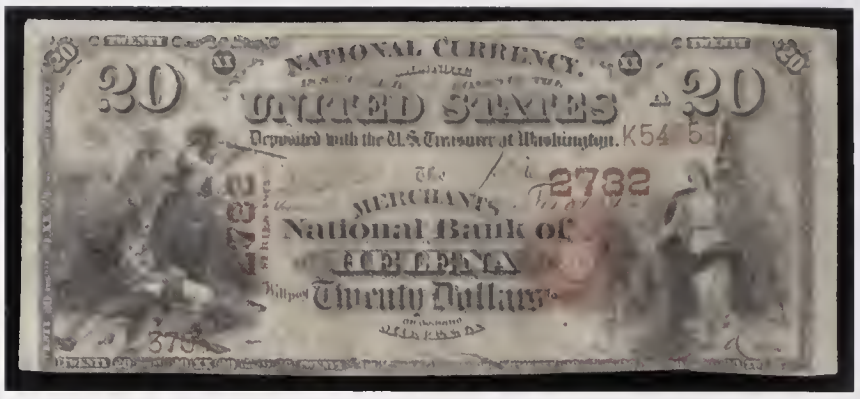
Rare Helena First Charter



5450 **Ch.2732.** *Helena.* **Merchants NB. $20. Fr.437.** 1875. No.K54652/3703 A. **VG-F.** This is an exceptionally rare, desirable, and important note on three levels. For starters, there are only two notes recorded on this rare bank, which was chartered and issued both as a territorial bank and under statehood, before ceasing operations in 1895. Secondly, there are only three 1875 Series twenties known on the entire state of Montana, making this a significant item on that basis, and lastly, Helena is one of the toughest of the state capitals. This note bears even circulation, without an overly aged appearance; while weakened, the pen signatures remain legible, and of course, there are a few small, scattered pinholes. A surprisingly strong upper margin offsets tightness in the lower. A significant item for the collector, and a highlight. ***($15,000-Up)***

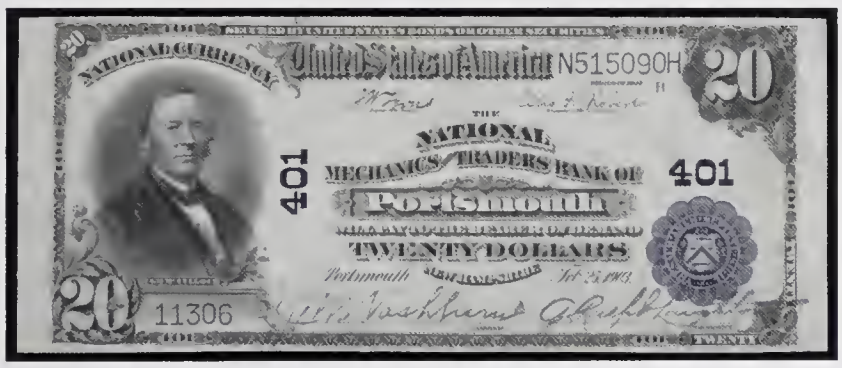
5451 **Ch.888.** *Newport.* **First NB. $5. Fr.467.** 1882 BB. No.U650101/6688 D. **F-VF.** One of the "lucky 8" charters, with bold and fancy signatures, from a popular state for Nationals. New to the census, this brings the count of large notes to 60, with 9 of them $5 Brown Backs. Evenly circulated, and except for a pinhole, no problems. ***($1,000-1,250)***



5452 **Ch.401.** *Portsmouth.* **National Mechanics & Traders Bank. $20. Fr.650.** 1902 PB. No.N515090H/11306 B. One of three 1902PB $20s on this bank out of 20 total large reported. Above average grade. Nicely margined, clean, and with stong stamped signatures. Very attractive. No sales of a 1902 $20 have been reported in T&P. ***($500-750)***

New Jersey

5453 **Ch.E8390.** *Guttenberg.* **First NB. $5. Fr.589.** 1902 RS. No.K116015/67 A. **AU.** A beautiful crisp original Red Seal, but cut a millimeter or so into the lower margin at left. One of seven $5 Red Seals on this bank, which have all survived in comparatively high grade. This one boasts quality paper, brilliant color, and two light brown hand penned signatures, one with an extra fine nib, one with a broad nib. Two soft vertical folds. ***($2,000-3,000)***

5454 **Ch.E10118.** *Hope.* **First NB. $20. Fr.654.** 1902 PB. No.D733608H/4476 A. **Fine.** From a small one bank town in northwestern New Jersey, this a much sought after title, which turns up more often in small size than in large. This is not a surprise as there are only four large notes known, all Plain Backs; this is one of the three fives. Grading Fine, with some toning but no other problems. The bottom margin is close, but does not impact the design. Faded signatures. ***($3,000-4,000)***

5455 **Ch.E374.** *Jersey City.* **First NB. $10. Fr.613.** 1902 RS. No.R760069/9169 A. **Fine.** New to the Track & Price census, bringing the Red Seal total to seven, four of which are $5's. This newcomer is their equal or finer. A very bright note for the grade, with a close top margin and one barely noticeable pinhole. The signatures are striking and border on vanity. ***($1,500-2,000)***

5456 **Ch.E1217.** *Newark.* **Essex County NB. $5. Fr.587.** 1902 RS. No.D6043/174 A. **VG-F.** One of the rarer banks in Newark, having gone out during late 1917. It is represented in the census by 15 large size notes, but only two Red Seals, both fives, of which this is one. Despite some staining at left and a spot at the top, it is fully intact, and has bold black stamped signatures. Trivial edge nicks and pinholes.

5457 **Ch.810.** *Paterson.* **Second NB. $5. Fr.401.** 1875. No.B85707/1722 B. **EF.** This is the *only known* 1875 Series on this New Jersey bank. No First Series have been reported. With its bright colors, bold pen signatures and overall appearance, it looks uncirculated but it actually has well hidden, lightly pressed folds. Still a marvelous note that has no recorded public sales. ***($2,500-Up)***

5458 **Ch.12949.** *Trenton.* **Prospect NB. $10. Fr.1801-2.** 1929 T2. No.A001531 G. **EF.** This bank issued only small size Type 2 notes, and six are reported, three of them tens. This note has decent margins and overall appearance, despite horizontal, vertical, and corner tip folds. A scarce State Capital charter. ***($750-950)***

Extraordinary Story!

No.A000001A A. **EF.** 3) **Ch.5981.** *Paulsboro.* **First NB and TC . $20. Fr.1802-1.** 1929 T1. No.A000001A G. **VF.** An extraordinary story of survivorship, as at least two and possibly all three of these notes circulated before coming back together in this grouping. All are Type Is, all are from the A position on the sheet, and all are new to the census. Cashier William H. Flowers was a dealer in general merchandise, and B.G. Paul, it can be presumed, was descended from the Samuel Paul for whom Paulsboro was named. Aside from the excitement created by this group's serial numbers, they are from a rather rare bank, as we are now aware of only three Type I fives, two Type I tens, and three Type I twenties. The $5 is crisply original, with five vertical and one horizontal bend, and is perhaps a little tight at the left margin. The $10 is also fully original and strongly embossed, with a hard centerfold and folds at the right and left margins. The $20 has a half dozen vertical folds, and is totally original. An important and uniquely historic group. [3]

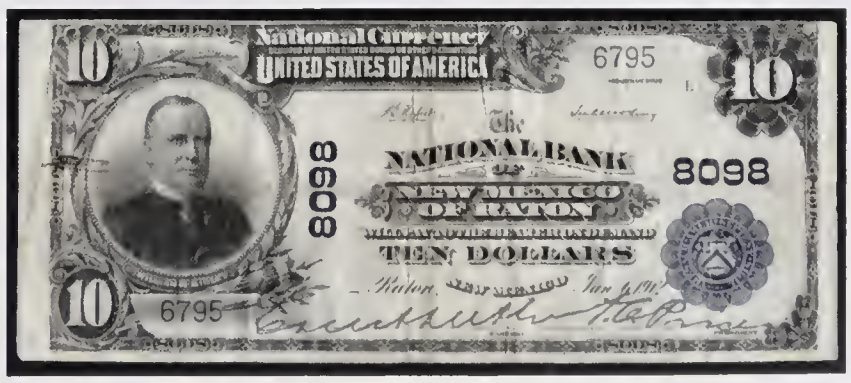
The Holy Grail of Jersey Shore Notes

5460 **Ch.6278.** *Wildwood.* **Marine NB. $10. Fr.613.** 1902 RS. No.A119242/1 A. **Choice VF.** This spectacular $10 Serial No.1 is one of two Wildwood Red Seals that recently appeared for the first time. The other is the $20 No.1 mate to this note, which was acquired by a private collector and is not expected to come on the market for the forseeable future. This is therefore the only Red Seal on any South Jersey shore town that is publicly available. Both Atlantic City and Cape May issued Red Seals but none have surfaced.

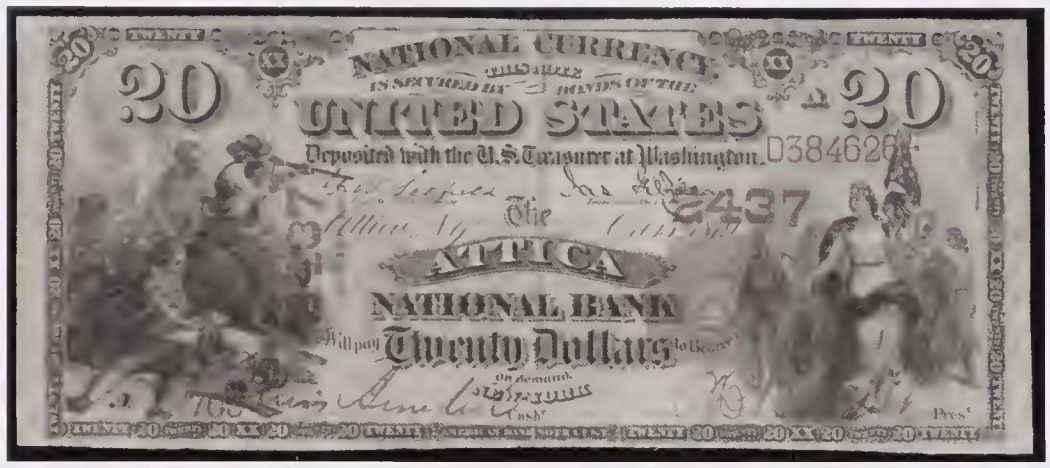
The note formally grades Very Fine based on its folds, but the bright clean appearance, bold colors and dark pen signatures coupled with near perfect margins and the crisp, embossed paper make it a choice quality piece. Based on rarity and overall quality, this piece has no equal amongst Jersey Shore Nationals. ***($50,000-Up)***

New Mexico



5461 **Ch.8098.** *Raton.* **NB of New Mexico. $10. Fr.628.** 1902 PB. No.6795 E. **F-VF.** New to the census which brings the total large to eleven, six of which are 1902PB $10s. This one is at least as good quality as any of the others. Evenly circulated with bold stamped signatures. Tight top margin and some light soiling along the fold lines. ***($3,000-4,000)***

Extraordinary Discovery Note for Bank and Town



5462 **Ch.2437.** *Attica.* **Attica NB. $20. Fr.434.** 1875. No.D384626/703 A. **Fine.** Two National Banks were chartered in Attica, and they were both out of business by 1882. Before this note surfaced, the census recorded no notes from either institution. This exciting piece represents an extraordinary opportunity for the New York specialist, not to mention those interested in institutions of correction. Well margined, with several vertical folds, it is unusually bright and has clean paper, giving it the appearance of a Very Fine. Scattered pinholes, and some minor and expert restoration. The penned ink signatures are complete and strong. We have little doubt of a strong result for this treasure. ***($10,000-Up)***

5463 **Ch.E923.** *City of Brooklyn.* **First NB. $10. Fr.624.** 1902 RS. No.D765506/1 A. **Choice-Gem Uncirculated.** An incredibly rare serial number 1 Red Seal from Brooklyn. Has appeared on the market only twice in the last 40 years. Totally original and in nearly perfect condition except for some minor handling. One of the highlights of our National offerings which promises to generate very aggressive bidding. ***($15,000-Up)***

5464 **Ch.923.** *City of Brooklyn.* **First NB. $5.** 1882 BB. No.3173 B. **F-VF.** *Only the second reported* Brown Back from this bank. The first discovery piece, a choice VF, hammered at $6,000 in our April 2007 auction. This one is not as fresh but is still a very collectible example. No holes, tears or any repairs but the paper is somewhat soft and likely has been pressed.

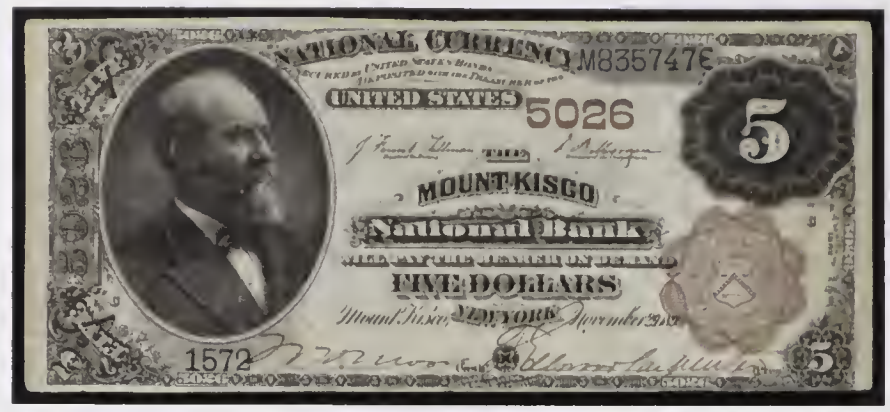
No.11770 A. **F-VF.** Located in upstate Essex County, this long-lived bank was the sole issuer in town, and has left us 14 Plain Backs in the census. This is one of the three twenties, and is a bright clean note, but the signatures have faded and it has a 1/4" tear in the top margin. There is evidence of a clip stain on the reverse, and the note may have been lightly washed at some time. ***($350-450)***

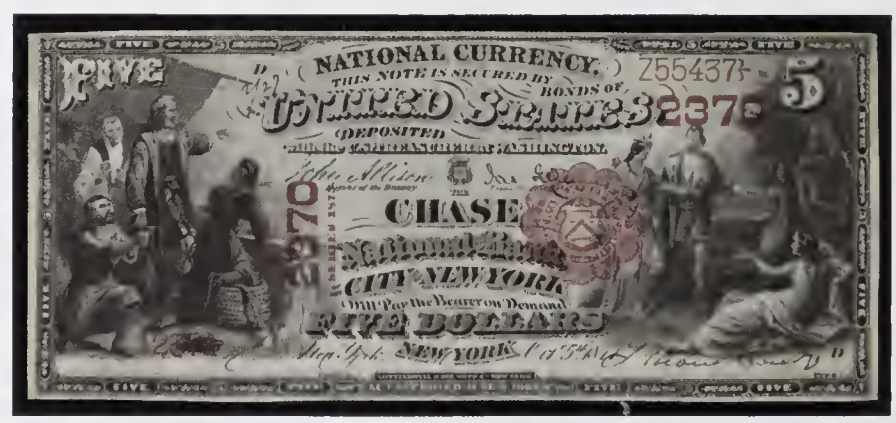
5469 **Ch.11924.** *Manhasset.* **First NB. $5. Fr.607.** 1902 PB. No.475 D. **Choice Uncirculated.** Rare New York title with only five large size reported. This is *one of only two reported uncirculated notes.* The other last sold at auction in 2001 for $3,450 and later appeared on price list in 2003 for $6,500. A great note for serious collectors of NY Nationals. ***($4,000-Up)***

5470 **Ch.99.** *Moravia.* **First NB. $1. Fr.380.** Original Series. No.70303/142 C. **VG-F.** New to the census and only the second known. 1865 Original Series note. Both are aces. Difficult to grade due to the irregular cut of the upper and especially the lower margins, but the note still has paper "snap" despite the folds and the wrinkling. The seal has faded only slightly, and the note has delightful pen-inked signatures. One pinhole and some mounting remnants on one back corner are noted. ***($1,500-2,000)***



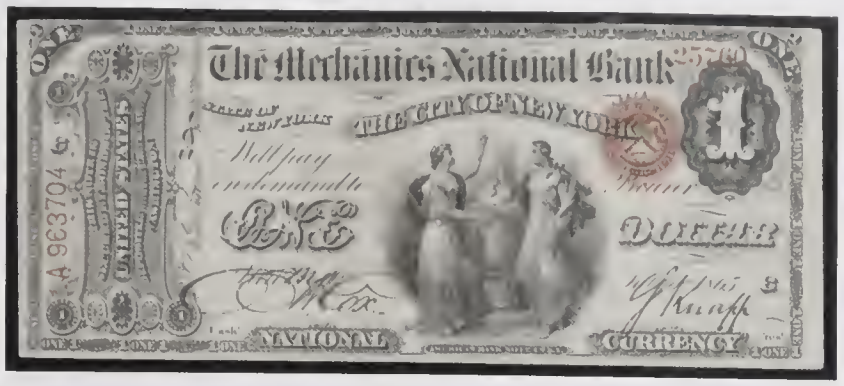
5471 **Ch.5026.** *Mount Kisco.* **Mount Kisco NB. $5. Fr.474.** 1882 BB. No.M835747/1572 C. First title. One of *only two known* Brown Backs on this bank. The other is a serial no.1.Crisp paper with a horizontal and three vertical folds. Nice color and fully legible pen signatures. Tight bottom margin. Attractive, original, and another great note for the collector of NY Nationals. ***($2,500-5,000)***

5472 **Ch.1333.** *New York.* **Bayside NB. $5. Fr.1800-1.** 1929 T1. No.D000040A J. **Gem Uncirculated.** Popular but not uncommon New York bank title. This is one of the nicest as is from a cut sheet. Fully original with strong embossing. ***($500-750)***



5473 **Ch.2370.** *New York.* **Chase NB. $5. Fr.403.** 1875. No.Z55437/12371 D. Appears to be **Gem Uncirculated**, but there is a small ink notation under the plate letter. A wonderful, near perfect 1875 Series $5. One of several Uncs in the census, but it is doubtful that any are nicer. Just a lovely original. ***($2,000-3,000)***

5474 **Ch.13237.** *New York.* **Dunbar NB. $10. Fr.637.** 1902 PB. No.11 C. **Gem Uncirculated.** Perfectly centered, totally original with great embossing. Low serial number 11. A higher quality piece probably does not exist. A popular, historical item since the bank was one of two Black-owned during the period. ***($1,500-2,000)***



5475 **Ch.1250.** *New York.* **Mechanics NB. $1. Fr.380.** Original Series. No.25760/A963704. **VF-EF.** First Title. Only one nicer Series 1865 Ace amongst the 14 recorded. A gorgeous bright and crisp note with incredibly bold black signatures. Tight top margin. Enough subtle vertical folds to keep it from an EF grade, but it certainly has eye appeal beyond an EF. ***($1,000-1,500)***

5476 **Ch.11844.** *New York.* **Seventh Avenue NB. $5. Fr.607.** 1902 PB. No.Z869144E/8. **Uncut Sheet of 4.** 5-5-5-5, Plate Positions A, B, C, and D. Low Serial # 8, likely kept as a souvenir of the bank's first and only issue of fives with this title, the second of three for this bank. 5478 **Ch.E9414.** *Ridgewood.* **Ridgewood NB. $10. Fr.618.** 1902 DB. No.Z961373A/9709 C. **EF.** A very rare note, in a highly collectible field. Liquidated in 1921, this bank issued large size notes only, and only four are known. One of two known Date Back tens, and they are both the same grade. This rarity appears Uncirculated at first, and presents beautiful color and grreat margins. Upon close examination, three folds have been pressed out and there is a minute margin tear at left. 5486 **Ch.5488.** *Harvey.* **First NB. $20. Fr.659.** 1902 PB. No.1642 A. **EF.** Displaying a great first name in the title, this note is new to the census and brings the total large population to eleven large notes. Of these, eight are Plain Backs, and this is the fourth twenty reported. A blazingly original, crispy note with great embossing and "fresh-from-press" paper sheen. The face margins are healthy, although the entire back of this sheet was printed slightly askew, reflected on the back only. The President has taken great care to make his signature unforgettable.

5488 **Ch.8997.** *Steele.* **First NB. $20. Fr.652.** 1902 PB. Only two large notes reported on this rare Kidder County bank. We can find no reports of any large sales on record. A clean, original note with decent margins all around, indigo seal and charter, and somewhat faded but visible purple stamped signatures. Two pinholes which do not detract. Given the quality of this offering, and the dearth of opportunities for North Dakota collectors to add truly rare items such as this to their collections, we would expect substantial interest in this lot.

Negligible recent appearances by this bank in large or small.

Its operating period just bracketed the period in which Red Seals were issued, and hence its census reflects a strong showing in Red Seals, seven out of the twelve in large known. This is one of only two twenties reported, and is evenly circulated for the grade, with a tight bottom margin, but no damage. The signatures have faded, but to our surprise, we can see that the Vice President was signing the notes the day this became currency.

The other seven recorded large are Plain Backs or Date Backs. The note has a dark muted appearance with some small paper losses at the corners and lower margin. However, the Red Seal and devices are surprisingly bold, and both signatures are boldly executed, with the Cashier's having sustained some moisture damage. A surprising four of them survive today, by no means enough to go around. This example is fresh, with bright seal and devices and a terrific black and red signature combination. The paper has good body. Some scattered pinholes do not detract. A lovely and rare early National. ***($3,500-4,750)***

5499 **Ch.M8188.** *Milford.* **Citizens NB. $10. Fr.617.** 1902 DB. No.B72328A/1007 E. **Choice Uncirculated.** This Clermont County bank issued only large size notes. Of the five known, three are Date Backs, but this has to be the finest. It is beautifully original with full embossing and elegant dark signatures. With a tad more margin in the lower right, it would be unimprovable. This sort of quality and rarity do not often occur together, and this is an opportunity to be noted. ***($1,750-2,250)***

5501 **Ch.M6466.** *Ravenna.* **Ravenna NB. $10. Fr.613.** 1902 RS. No.A438835/746 B. **F-VF.** New to the census, which includes eleven large size notes, and four Red Seals. This new addition is one of three Red Seal tens, and is a nice problem-free, evenly-circulated note with good color and clear hand-penned ink signatures. The note has several folds and some crimping in the lower margin, but is very attractive for the grade. And, since the last recorded sale of a Red Seal on this bank was in 1956, this represents a rare chance to own a Ravenna Red Seal. ***($1,500-2,000)***

5502 **Ch.M3291.** *Ripley.* **Citizens NB. $20. Fr.639.** 1902 RS. No.D829624/577 A. **Choice VF.** Red Seals are well represented in this bank's census, and nine of them are twenties, several of which are reported as new. This note is lovely and superbly margined, with neat, fine brown penned-ink signatures. For those who wish to celebrate Christmas while avoiding the high cost of a new note, this is an opportunity to acquire a lovely circulated example. ***($1,000-1,500)***

Discovery Red Seal

5504 **Ch.M501.** *Smithfield.* **First NB. $10. Fr.613.** 1902 RS. No.T845964/2843 C. **VG.** This is the first recorded Red Seal ten on this bank, and, with its $20 mate, there are now only two Red Seals for the collectors to own. This example is heavily circulated with some soiling in the upper left of the face and the upper right quadrant of the rear, and with a central pinhole. However, the note is fully intact, with somewhat faded but fully legible ink-penned signatures. A rare note and a rare opportunity. ***($1,000-1,500)***

5505 **Ch.M809.** *Toledo.* **Northern NB. $10. Fr.613.** 1902 RS. No.E56428/199 B. **Fine.** There are several large size notes known on this bank, but only four Red Seals, and this is the ***only ten***. The last public appearance was ten years ago. This example has certainly circulated, but it has an attractive face for the grade, is well margined, and is free of much of the kind of soiling which shows up to some degree on the back. We find two pinholes, but no other issues. All-in-all, an appealing opportunity to own a unique note. ***($1,000-1,500)***

5506 **Ch.3535.** *Wapakoneta.* **People's NB. $20. Fr.1802-1.** 1929 T1. No.F000623A. **VF-EF.** Small town named after a Shawnee chief. Not scarce, with about thirty small in the census. Fresh and original with a horizontal and three vertical folds. Excellent front centering, shifted up a bit on the back. Well above average grade for this issue. ***($200-300)***

5507 **Ch.M6353.** *Warren.* **Union NB. $10. Fr.613.** 1902 RS. No.A181567/204 A. **VF.** Monstrous margins are not generally characteristics of Red Seals, but this one has them. There are five large notes reported for this short-lived Trumbull County institution; four are Red Seals, and this is one of the two tens. This note, in addition to its huge margins, bears delicate and elegant brown penned-ink signatures, but several folds have at some point been pressed out of the note. A pleasing "jumbo" of a note.

5508 **Ch.9954.** *Kingfisher.* **People's NB. $20. Fr.1802-1.** 1929 T1. Oregon

5510 **Ch.3486.** *Astoria.* **First NB. $20. Fr.651.** 1902 PB. No.8410 B. **Fine.** Of eight large notes reported, this is one of the four Plain Back twenties. It has seen its share of circulation; although the face gets better marks than the back. The signatures are in evidence, but barely, and we note the usual pinholes for accuracy. There is great demand for all Oregon nationals, and this is a throughly presentable example.

5511 **Ch.P4301.** *Corvalis.* **First NB. $10. Fr.484.** 1882 BB. No.U151962U/4520 B. **F-VF.** Corvalis was the capital of the Oregon Territory from 1846-57, and the home of two charters. This bank reports six large size notes, and this is one of only two Brown Backs, both tens, and both of equal grade. Other than a tight top margin, this is a handsome circulated Brown Back with good color and neat legible signatures. A highly desirable rarity that rarely comes to market.

Interesting stamped brown signatures complete this attractive and rare opportunity.

Serial Number 1 Original Series $5

5513 **Ch.2050.** *Bethlehem.* **Lehigh Valley NB. $5. Fr.399.** Original Series. No.K520435 B. **VF.** There are five 1865 Original Series notes recorded in the census for this bank, but none of them are fives, and this is a Serial Number 1 to boot. Another extraordinary example of serendipity, this note was apparently released into circulation for a while, and then saved for the benefit, ultimately, of lucky collectors today. The back of the note has a series of three signatures, endorsement style, the topmost of which matches the signature of the President, G.B. Linderman. The identity of the other two signers, Mssrs. Mason and Weisbach, may prove to be of interest to researchers. This is a clean, unmolested, original circulated piece. Some of the ink from the signatures on the reverse has bled through lightly to the face, but it is not particularly distracting. Bold brown penned ink signatures on a lovely, circulated Serial Number 1 rarity. ***($5,000-Up)***

New to Census - Discovery Red Seal 10 for Bank

5519 **Ch.E696.** *Reading.* **Farmers NB. $10. Fr.613.** 1902 RS. No.N422657/4483 C. **F-VF.** Until this example appeared, while there were plenty of large notes known on this popular occupational charter, there were only two Red Seals, both twenties. This item is new to the census, but more importantly, it is the first and only ten recorded to date. Evenly circulated with relatively clean surfaces and good color, the note has a tight but not tragic top margin, and no problems whatsoever. We note an unusual signature style by the bank's president. Another of the several unique Nationals being offered in this sale. ***($3,000-4,000)***

5531 **Ch.S3623.** *Dallas.* **American Exchange NB. $5. Fr.589.** 1902 RS. No.K553551/216 C. **VG.** There are numerous examples of large size notes on this bank, but only two Red Seals, this five, and a ten. This note has seen a lot of travel, and lost the signatures along the way, but it remains remarkably bright for the grade. Minor pinholes and two small nicks at the lower right are consistent with the grade. Only five of the twenty-seven banks chartered in Dallas issued Red Seals. This one is unique and worthy of substantial interest. ***($3,000-4,000)***

5534 **Ch.S7553.** *DeLeon.* **Farmers and Merchants NB. $20. Fr.639.** 1902 RS. No.V307956/1346 A. **Fine.** This central Texas bank starts right out being rare, with a total of only ten notes recorded in large size. The Red Seals number only two, this twenty and a five. Despite its travels, and a pair of light stains, this note faces up very well, and has a pair of lovely purple stamped signatures which further brighten. The top margin is barely into the design at upper right, but once again [and more importantly], this is another unique Red Seal offering. ***($5,250-Up)***

5535 **Ch.S3727.** *Granbury.* **First NB. $100. Fr.691.** 1902 DB. No.A279061/373 C. **F-VF.** From Hood County in central Texas, this bank counts eighteen large size notes in its census, but only two are hundreds. One is a Red Seal and the other is this Date Back. And a dandy it is, with more than decent centering and margins, deep blue seal, devices and serial numbers, set off with bright purple/pink signatures. Some scattered pinholes and paper nicks on the back are negligible and do not detract from the quality of this unique circulated piece. ***($3,000-4,000)***

5536 **Ch.S8318.** *Grapevine.* **Farmers NB. $10. Fr.626.** 1902 PB. No.B391495E/7773 D. **Good.** Great title and home of the Texas Wine & Grape Growers Association- a minor threat to the vineyards of Napa Valley. Highly desired National with only nine large size reported. This one is new to the census, but is damaged, with pieces missing from the lower margin and several internal holes and tears. The note is darkened with age. The title and main features of this example are still intact and visible, however. Not pretty, but an opportunity to acquire this title does not come up very often. ***($300-500)***

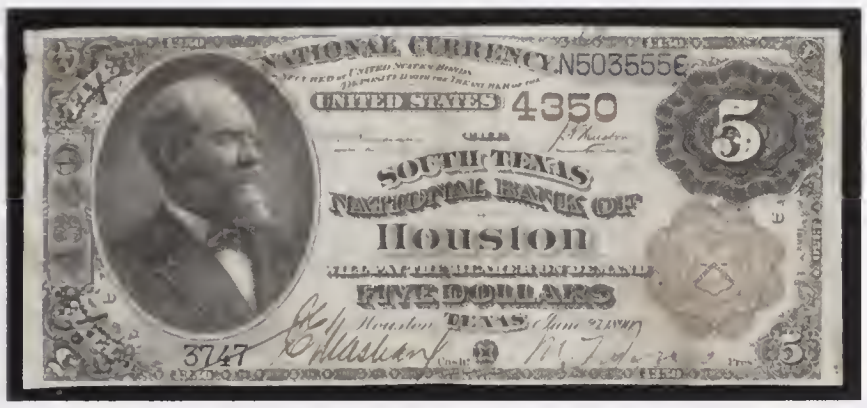
5539 **Ch.S3517.** *Houston.* **Commercial NB. $5. Fr.588.** 1902 RS. No.E493753/1530 B. **VG.** Of twenty-one banks chartered in Houston, only 4 issued Red Seals. This is the only Red Seal known on this bank, an institution reporting only eleven large size notes in total. The bank did not issue small size notes. This example might grade a Fine were it not for some somewhat blotchy staining that shows up at the left counters on the note's face, and at the lower margin on the back. Overall paper quality and colors on the face do rate a solid Fine, in and of themselves. The signatures are no longer present, but there is no escaping the rarity and desirability of this note, as it is will likely be a unique opportuity to buy a Red Seal on this bank. ***($3,000-3,500)***



5540 **Ch.4350.** *Houston.* **South Texas NB. $5. Fr.471.** 1882 BB. No.N503555/3747 D. **VF.** For a fairly substantial player on the Houston banking scene in its day, this bank has not left much for collectors to remember it by. Liquidated long before the advent of small size notes, there are only eleven large in the census, five of which are Brown Back fives. This is the second best of those, and we note that the A plate partner to this note has also survived, as an Extra Fine. This has one of the more attractive layouts we can remember cataloguing, incorporating one of the truly evocative titles as well. The paper is crisp and nearly full bodied, with some hard folds and scattered insignificant holes. There is some staining/foxing on the face and back, but it does not dismay. Strong penned-ink signatures stand out on this forceful and attractive Texas Brown Back. ***($3,000-4,000)***

Another Texas rarity for the serious collector. ***($1,500-2,500)***

5542 **Ch.S4295.** *New Braunfels.* **First NB. $10. Fr.485.** 1882 BB. Well, but evenly circulated, the note evidences some soiling, and has been "pinned," but is otherwise fully intact. One signature is bold, both in blue ink, and both names confirm the Germanic heritage of this town's populace. This may be the finest known of the bank's Brown Backs; it is certainly the finest available in our auction. ***($3,000-4,000)***

No.E16636/131 B. **Fine.** This rare Red Seal is new to the census and is the first public offering for the bank which we know of. Issuing only Red Seals, this institution was in operation less than five years. The census now totals four notes, this being the second ten reported. It has substantial but even circulation and attendant wear, but no significant problems. There is a pinhole at the center where folds meet, and a heavily faded but partially visible President's signature, but the seal color, charter and Serial numbers remain richly hued. A delightful new rarity, destined to be pursued. ***($7,500-Up)***

5546 **Ch.8309.** *Northfork.* **First NB. $10. Fr.626.** 1902 PB. No.25787 D. **F-VF.** Picturesque location in a state where supply never meets demand. This was the first of two titles on this bank, located in McDowell County, southernmost in the state. Eleven large size notes are cited in the census; this is one of seven Plain Back tens. The note displays superior margins, and despite some pressing out of several folds, it retains paper body. The purple signatures, which were apparently simultaneously and likely mechanically applied, are well above the signature lines and still visible, albeit with some fading. Generally a problem-free and scarce note from a popular state with a great locale name. ***($750-1,000)***

5554 **Ch.64.** *Milwaukee.* **First Wisconsin NB. $20. Fr.661.** 1902 PB. No.96259 B. **EF.** Second Title. Very common charter. A well-centered, crisp example but the paper is slightly toned. Super bold stamped signatures. ***($150-250)***

Wyoming

5564 **Ch.10533.** *Casper.* **Wyoming NB. $10. Fr.631.** 1902 PB. No.17093 B. **F-VF.** Wyoming is well known as a tough state for Nationals, and it deserves this reputation. This note is from one of the more prolific banks, which reports twenty large notes in the census, eleven of which are Plain Back tens. Well-circulated but with a nice clean face and back, this example lacks the paper body we would associate with a higher grade. However, deep blue seals and devices, solid stamped black signatures of the officers, and originality make this a highly attractive and desirable western national. ***($2,000-2,500)***

5565 **Ch.W5480.** *Kemmerer.* **First NB. $20. Fr.659.** 1902 PB. No.Y647602E/3940 A. **About VF.** On one hand, it would not seem that a census of twenty notes would make a Plain Back from Kemmerer all that hard to find. On the other hand, in the face of demand that is overwhelming, the opportunities are scarce, and the prices quite strong. This note has freshness and very nice margins, but unfortunately there is also a repair at the center of the upper margin, involving a 1" tear down into the body of the note and replacement of a thin strip of the upper margin. Its problems notwithstanding, this may prove an excellent choice for a collector looking for a Wyoming National. ***($2,000-2,500)***

Mixed National Banknotes

Smythe & Co.
OUR GRADING SERVICE POLICY

Smythe and Co. values above all else the trust our clients place in us, be they sellers or buyers. As such, we strive to properly authenticate, attribute and grade each and every consignment, purchase or sale in which we are involved. We recognize that opinions, notably those of the buyer and seller, frequently enter into consideration, and that buyers and sellers may from time to time solicit opinions from others regarding purchases contemplated. These opinions may be formal or informal, purchased or free, and may or may not involve, ultimately, encapsulation of the item in question.

Smythe and Co. includes in our offers for sale, on a private treaty basis, and on behalf of its consigners, collectibles which have been authenticated and/or graded and/or encapsulated by third parties. We believe that third party opinions are just that – opinions, and that buyers and sellers must understand and evaluate for themselves the representations being made by those third parties, and the guarantees and/or warranties as may be available from those services. We will, in any event, always make our own independent evaluation of the items we trade in or auction, and do our best to accurately describe the item in question. However, in those cases where encapsulation makes it impossible to properly and/or completely evaluate an item, Smythe and Co. cannot make any warranty as to the authenticity or quality. As such, items which have been encapsulated by third-parties are sold on an "as-is basis," and cannot be returned for any reason.

In describing any of our offerings, we rely on years of experience in our fields of expertise, as well as outside expertise as we may, from time to time, solicit. We believe that our clients have every right to expect authenticity and accurate attribution. We also believe that many factors come into play in the evaluation of the overall quality and desirability of any collectible, that beauty is in the eye of the beholder, and is therefore a subjective judgment. The happiness and satisfaction of our clients, buyers and sellers alike, is our principal aim, and in order to protect both, we believe that buyers and sellers have a responsibility to properly evaluate the subjective elements of their purchases.

Hints For Bidding

By Fax or Mail

Bidding in auctions can sometimes be a real challenge, but bidding by mail presents its own set of issues. Many dealers and collectors are not able to appear at auction in person, yet want to participate in the bidding process. Experience has taught us ways to minimize frustrations, and maximize results for those bidding by mail, and we would like to share some of those ideas with you. Here are the questions we are asked most often, and some of the suggestions we have made to bidders submitting mail bids. We think they will save you time and money, as well as help you win lots you might otherwise miss.

"I can't come to your office to view lots, but I want to know more about a particular lot before I bid on it."

Lots are available to be viewed at the times and places posted in the front of the catalogue. We often bring lots to conventions, and there is no better way to learn about numismatics or scripophily than to attend a convention, view auction lots, and talk to dealers and collectors. But if you can't view items personally, here is how we can help you get a better idea of what you are bidding on:

1) Call us, and we will be happy to have one of our experts describe any lot you ask about.
2) We can arrange to copy most items and we will FAX or mail the copies to you at a nominal charge. We can also scan items and email images.
3) If you have established credit with us, we may be able to ship lots to you for direct viewing.

Please realize that requests for phone assistance, for copies or for shipping lots directly to you must be arranged well in advance of the closing date of the sale, and that a cost may be charged for these services.

"I can't come to the auction, but I would like to have someone represent me in person."

There are many Agents who will personally execute your bids at live auctions. Typically there is a fee for this service, but it is an excellent way to participate if you prefer not to bid directly with the auction house and do not want to bid through eBay Live. If you would like a list of agents we recommends, please call Mary Herzog at 212-312-6303.

"I want to send a bid through the mail, but will it arrive in time?"

Every auction there are numerous disappointed bidders who relied on the mail to get their bids to us on time. We cannot emphasize enough the need to check with us to ensure that your bid has arrived on time. Please call our information desk at 800-622-1880.

"I bid $30 on a lot that was estimated at $100, and I didn't get the lot. Later, when I got the Prices Realized, the lot was reported as unsold. Why didn't I get the lot?"

The Terms of Sale state that bids less than 60% of the estimate will not be accepted. As auctioneers, we have a responsibility to the consignors as well as the bidders. Any bid that is considered to be less than the "...regular market value..." of the item may be rejected by the auction house. Keep this in mind when making bids below the estimates given.

Please note that Bid Sheets should be clearly written or typed. R.M. Smythe stresses competitive bidding, and represents all bidders fairly.

We hope these questions and answers have been helpful. If you have any comments, suggestions, or further questions concerning Smythe auctions, please feel free to call us at 800-622-1880, or 212-943-1880.
